Rescued by the Raven King Lidiya Foxglove, 2023-06-30 I thought you find human skin weak and useless I breathed as his hand slid shamelessly lower You might convince me to change my mind Belina I was born of a witch's spell and my mother's wishes just the size of a nutshell My human parents love me but I've never belonged in their world Now it's time to seek my fortune and find the little folk of the woods but their forest is a strange and dangerous their magic spreading wide and all the animals here can speak Having studied magic all my life I think nothing of healing an injured raven even if he is a bit arrogant but when I find myself kidnapped by a talking magic casting mole who wants to make me his bride I'm very glad when the raven feels he must repay my favor taking the form of a handsome man Only now he thinks I can't handle myself and I need a pompous domineering escort I certainly don't But I do need a place I can belong And as he shows me the way to the home of the little fair folk I begin to wonder if the animals are their neighbors or their slaves if they are everything I hoped for or something more hostile and if the man at my side is more than he seems Rescued by the Raven King is a standalone fairy tale retelling of Thumbelina for those who like an unabashedly adorable happily ever after with a side of serious steaminess **Our Polly, the adventures of a parrot [ed. by S.E. Go-Getter: A Story That Tells You How to be One Peter B. Kyne, 2025-03-17 The Go Getter A Story That Tells You How to be One by Peter B Kyne is a short inspiring fable about persistence grit and the quiet power of refusing to give up a motivational tale that's as relevant today as when it was first published The story follows Bill Peck a determined war veteran with a disability who's desperate to prove himself in the business world Given what seems like a simple but cryptic test delivering a blue vase under challenging circumstances Bill's relentless effort to complete the task becomes a powerful metaphor for initiative resilience and earning respect through action not excuses Kyne delivers his message with warmth and sharp storytelling using Bill's journey to highlight the kind of character that truly drives success not talent or luck but the unshakable will to get the job done no matter what stands in the way In a world where distractions are constant and setbacks can easily derail momentum the story still hits home as a reminder that effort resourcefulness and integrity are what really set people apart This book is ideal for readers seeking motivation teams looking for a shared message about accountability and work ethic or anyone who appreciates a story that packs a punch of wisdom into just a few pages *Vendetta Protocol* Kevin Ikenberry, 2024-09-08 Hell hath no fury like a protocol scorned Training as a combat pilot on Mars Kieran Roark is tantalizingly close to remembering the critical concept he was brought back to lead With the military establishment including

his instructors against him his success hinges on finding the right ally someone who is willing to risk everything Sixty million miles away the Sleeper Program suffers a failure much worse than it originally appears The second subject a troubled young woman attempts suicide In the ensuing chaos Kieran s original protocol finds a way to manifest herself in a human body Believing Kieran dead Mally seeks out everyone Kieran loves with vengeance on her mind As a shadowy foe presses toward Earth once again the Terran Council orders the Sleeper Program terminated and sentences Kieran to death The only person capable of saving him isn t really a person at all
