## **Peculiar Speech Preaching To The Baptized:**

Peculiar Speech William H. Willimon, 1992 Because the baptized people in a congregation are called peculiar the preacher needs to address them with peculiar speech letting the Biblical text call them to live a transformed life in keeping with the baptism Includes three powerful baptismal sermons *Christian Preaching* Michael Pasquarello III, 2011-06-28 Michael Pasquarello has written a must read book articulating a Trinitarian vision for preaching His compelling argument is richly informed by traditional biblical hermeneutics creedal history understood as storied attestation of the witness of Scripture and liturgical theology and practice considered as embodied performance of the Bible's divine narrative Here is a clear summons to the church to abandon all lesser homiletic aims and to prayerfully and faithfully proclaim the holy gospel to the glory of God Charles L Bartow Princeton Theological Seminary Like all of Michael Pasquarello's work his newest book not only upholds the classical Christian tradition but also breathes new vitality into it In an era in which preaching is reduced to persuasive communication Pasquarello reminds us that the Christian message has a content that originates in and gives expression to the Father Son and Holy Spirit Richard Lischer Duke Divinity School One of the refreshing things about this fine book by Michael Pasquarello is that when he thinks about the ministry of preaching he is not afraid to measure the breadth historically or plumb the depths theologically Pasquarello has written this book like a good sermon faithfully thoughtfully prayerfully and with a profound word to speak We are in his debt Thomas G Long Candler School of Theology Boldly challenging homiletical accommodation to American culture Pasquarello seeks to change the subject of preaching from method and marketing to the Triune God who is the source and goal of our speech A welcome theological vision of preaching Charles L Campbell Columbia Theological Seminary *Christian Preaching* brings together two disciplines that have sadly grown apart such that they almost developed irreconcilable differences preaching and theology Pasquarello offers a brilliant critique of theology as technique and draws on the theology and sermons of Irenaeus Augustine Luther Wesley and others convincingly demonstrating that effective pragmatic preaching requires substantive theological engagement and vice versa This book accomplishes its purpose so well that it should be used not only in preaching courses but also in basic theology courses No preacher should be let loose on a congregation without passing through Pasquarello's *Christian Preaching* D Stephen Long Marquette University Mike Pasquarello III PhD University of North Carolina Chapel Hill is Granger E and Anna A Fisher Professor of Preaching at Asbury Theological Seminary He is the author of *Sacred Rhetoric Preaching as a Theological and Pastoral Practice of the Church* *Stale Bread?* Richard Littledale, 2014-08-08 *Stale Bread* introduces preachers to a kind of preaching that can be enriching for preacher and listener alike Richard Littledale gives you the tools to bring home the real impact of the great Christian stories that have lost their punch through telling and re telling *Conversations with Barth on Preaching* Bishop William H. Willimon, 2010-09-01 One of today's greatest preacher theologians engages one of the twentieth century's greatest teacher theologians on the meaning of preaching Readers of

William H Willimon's many books have long found there the influence of Karl Barth probably the most significant theologian of the twentieth century In this new book Willimon explores that relationship explicitly by engaging Barth's work on the pitfalls and problems glories and grandeur of preaching the Word of God The Swiss theologian says the author expressed one of the highest theologies of preaching of any of the great theologians of the church Yet too much of Barth's understanding of preaching lies buried in the Church Dogmatics and other sometimes obscure sources Willimon brings this material to light introducing the reader to Barth's thought not just on the meaning but the practice of preaching as well Recovering the Evangelical Sacrament Anthony R. Cross, 2012-12-06 The subject of baptism continues to be of considerable interest though it frequently appears within broader studies of sacraments liturgy worship and ecumenical studies and within confessional bounds credobaptist or paedobaptist yet it is rarely discussed by Evangelicals This book however is neither an apologetic for credobaptism nor paedobaptism rather Cross believes that as practiced today both forms are a departure from New Testament baptism which he maintains was an integral part of becoming a Christian and part of the proclaimed gospel He argues that the one baptism of Ephesians 4:5 is conversion baptism and that the baptism referred to in the various New Testament strata refers to this one baptism of Spirit and water The study sets out the case for this interpretation and contends that in key passages baptism is an example of synecdoche The case is then made for a sacramental interpretation of baptism from a thoroughgoing Evangelical perspective Cross concludes with reflections on the necessity of baptismal reform and the relevance of a return to conversion baptism for the contemporary church in a post Christian post Christendom mission setting *Dimensions of Baptism* Stanley E. Porter, Anthony R. Cross, 2002-12-01 This book brings together work by J Ramsey Michaels Joel Green Howard Marshall Bruce Chilton Craig Evans and the editors as well as several others The first section covers baptism in the New Testament including the meaning of the word baptize the baptism of John Paul's own baptism and his theology of it and baptisms in John 13 Acts and Hebrews The second section deals with baptism in the Early Church including essays on Jesus' blessing of the children and baptism in the Epistle of Barnabas and in Gregory of Nyssa The third section addresses baptism in contemporary theology embracing ecumenical perspectives baptism as a trinitarian event and baptism as memorial as miracle and as falling into and out of power This wide ranging volume forms a sequel to *Baptism in the New Testament and the Church* JSNT Supplements 171 and makes indispensable reading for all concerned with this topic

**Parenting in the Pew** Robbie Fox Castleman, 2002-02-21 In this upbeat book Robbie Castleman shows parents how to guide their children from toddlers to teenagers to participate as fully as possible in the worship of the church Foreword by Ruth Bell Graham **Life in the Spirit** Andréa Snaveley, 2015-05-12 What would the church look like if Christians saw their lives as constituted by the Spirit's presence to live as Jesus lived In a time when being led by the Spirit is defined more by achieving the American Dream than by Jesus's life answering this question rightly seems all the more critical for the church to survive in a culture increasingly hostile to Christianity Building upon the work of post Constantinians John Howard Yoder

and Stanley Hauerwas and upon the Trinitarian Spirit Christology of Leopoldo Sanchez this account of the Christian life provides a framework for seeing one's Christian life as one transformed by the Spirit to live in the resurrection reality of Jesus's sonship with the Father in the Spirit. In the process one will discover that for Jesus being led by the Spirit meant trusting his Father to the point of death on a cross trusting God to resurrect him even if he did not save him. Should it mean the same for Christians today? If so this would require the church to reimagine its ministries for the Spirit to work repentance and faith rather than simple agreement. For Christians living in the Spirit their lives might look very different. **Christian**

**Redemptive-Historical Hermeneutics and Homiletics** Yung Hoon Hyun, 2015-04-14 This book focuses on redemptive historical hermeneutics and homiletics within New Testament theology. This is a valuable legacy of the Reformed tradition despite differences in interpreting and preaching Bible texts that surfaced in Holland 1920s and 1930s and the United States 1970s onwards before influencing Korean Reformed churches. The background origin distinctiveness and development of these theological debates is explored and evaluated before the features of redemptive history in Korea are identified. The influence of Western redemptive historical scholars on the Korean debate are also analyzed. Here is a major and contemporary contribution to reformed historical hermeneutics and homiletics that is relevant for Korean Reformed churches but also for all Reformed churches worldwide. [Christian Church, Vol. 7](#) Hughes Oliphant Old, 2010 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times. In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel. He then examines the preaching of Christ and the Apostles. Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen. **Subversive Obedience** Walter Brueggemann, 2011 Walter Brueggemann has been one of the leading voices in Hebrew Bible interpretation for decades his landmark works in Old Testament theology have inspired and informed a generation of students scholars and preachers. Those who serve as truth tellers in the church like those who listen to the truth telling in the church are a mix of yearning and fearfulness of receptiveness and collusion. In the end the work of truth telling is not to offer a new package of certitudes that displaces old certitudes. This truth to be uttered and acted rather is the

enactment and conveyance of this Person who is truth so that truth comes as bodily fidelity that stays reliably present to the pain of the world

**Your God is Too Safe** Mark Buchanan, 2009-02-19 Here is a thoughtful probing exploration of why Christians get stuck in the place of complacency dryness and tedium and how to move on to new levels of spiritual passion Buchanan shows how the majority of Christians begin their spiritual journey with excitement and enthusiasm only to get bogged down in a borderland in between space beyond the old life but short of the abundant adventurous existence promised by Jesus Citing Jonah he examines the problem of borderland living where doubt disappointment guilt and wonderlessness keep people in a quagmire of mediocrity then offers solutions effective ways to get unstuck and move into a bold unpredictable exhilarating walk with Christ Inspired writing

The Forgotten God Paul J. Achtemeier, A. Andrew Das, Frank J. Matera, 2002-01-01 This volume provides a comprehensive survey of the unity and diversity behind biblical conceptions of God This is accomplished by respecting the distinctive theology of each canonical book and by placing reflection about God in conversation with major themes of biblical theology Christology pneumatology anthropology Four essays examine the Old Testament images of God while ten essays address the way in which God is presented in the New Testament The volume is rounded off with an essay exploring biblical preaching about God

Spiritual Reading Harvey Angela Lou, 2016-11-24 Spiritual Reading explores how God the Bible and the practices of reading are all connected Angela Lou Harvey investigates how the spiritual reading of the Bible takes place in our modern literate Western culture In this context a spiritual reading of the Bible is one that aims to know and love God through individual Bible reading Spiritual Reading discusses what it means to read the Bible well and looks at the role of the church as giving us guidance for reading it in this way Harvey considers these ideas vis a vis historically orientated biblical scholarship as well as reading the Bible as a classic work of Western literature With reference to the use of literature through a Christian framework in the works of C S Lewis and Alan Jacobs Harvey analyses the significance the Bible has had in shaping other literary works Drawing upon insights of theologians such as Karl Barth Henri de Lubac and Ellen F Davis Spiritual Reading suggests that a renewed understanding of faith is needed for the spiritual reading of Scripture Spiritual Reading is for the reader who wishes to gain a deeper understanding on how Scripture can better connect an individual to God
