Jesus Laughed Robert Darden, 2011-12-01 Agony and hilarity said Norman MacLean are both necessary for salvation We Christians seem to know a lot about the agony part but what about hilarity Why do we have to remind ourselves so often that the Bible is full of funny and ridiculous stories and situations Why do so few of the pictures we ve drawn of Jesus show him laughing Because we ve forgotten the redemptive power of humor that s why In Jesus Laughed Robert Darden senior editor of The Wittenburg Door the world s oldest largest and pretty much only religious satire magazine draws on his years of experience deflating religious pomposity and making the faithful laugh to show why humor is so central to the faith and how to make it a big part of your daily walk with God Click here to listen to Terri Gross s interview with Robert Darden on NPR s Fresh Air about the Black Gospel Music Restoration Project Darden runs the project at Baylor University where he

is a journalism professor The purpose of the project is to identify acquire preserve record and catalogue the most at risk music from the black gospel music tradition primarily between 1945 and 1970 Robert Darden is Associate Professor of Journalism at Baylor University in Waco Texas He served for 12 years as Gospel Music Editor for Billboard magazine and since 1988 has been Senior Editor of The Wittenburg Door the world s oldest largest and pretty much only religious satire magazine He is the author of more than 25 books including the definitive People Get Ready A New History of Black Gospel Music which has been featured on National Public Radio and Reluctant Prophets and Clueless Disciples also published by Abingdon Press

Horton Davies,2014-04-30 This volume of sermons reflects Davies imaginary qualities as he puts himself in the shoes of both biblical characters and the members of his congregation using Christological exegesis and his love of art to produce compassionate credible and relevant sermons

Just Show Up Drew Dyck,2023-10-03 If someone puts one more thing on my shoulders I might collapse Bestselling self help book titles tell you that you re brilliant awesome powerful usually with an expletive thrown in just to pound home the point Do these affirmations feel accurate Instead of blasting through projects and conquering the world most of us feel like we re crawling uphill But Christians are still called to live a life that glorifies God and blesses others How do we do that when we re stretched to capacity Just Show Up answers that question with a liberating message God doesn t expect you to do everything And He certainly doesn t expect you to do it all overnight Simply showing up is often the most important thing This book looks at present day examples and also stories from Scripture of imperfect people used by God Moses by his own admission wasn t very eloquent but he showed up and God used him to liberate and lead His people We name churches and children after the disciples But originally they were just a bunch of uneducated nobodies with one thing in common when Jesus said Follow me they showed up With humor and candor Dyck reflects on his own faltering progress while recounting inspiring stories of how God rewards the persistent presence of ordinary people Just Show Up challenges readers to show up for God family community and themselves We tend to think it s the big bold moments that matter In reality it s the steady accumulation of small acts of obedience to God that add up to a life of meaning and impact Dyck

Wounded in Spirit David Bannon,2018-10-30 This book summons an almost visceral response in its brilliant counterpoint to the customary understanding and celebration of Advent and Christmas In the arena of wounds and griefs though each experience is unique we are joined in our humanness finding common ground The word sympathy means being together in profound distress Art makes such anguish visible Commentary penetrates and elucidates These meditations and images are a marvelous gift Luci Shaw Writer in Residence Regent College author and poet Christmas can be a time of joy but also of tears memory and prayer Celebration does not always come easily In twenty five illustrated daily readings we commune with Scripture and the wounded artists that gave the world masterpieces of hope Gauguin Tissot Caravaggio Tanner Delacroix van Gogh D rer We ve heard the names We recognize the paintings But do we know the artists They were flawed and often troubled people a

widower that saw a vision of Christ a murderer who painted himself as Peter a grieving father that drew his sons as Jesus and John an orphan who saw his salvation in the Holy Family Despite their wounds perhaps because of them these artists achieved the sublime Their humanity inspires us Based on the latest research in history and grief Wounded in Spirit returns us to where Christian art began From mourning in Roman catacombs to works of the masters we join the world's great religious artists on their pilgrimages of hope and brokenness In their wounds in our wounds we may once again encounter God with us

I'd Like You More If You Were More like Me John Ortberg, 2017-10-03 I'd Like You More If You Were More like Me takes on one of life's most important questions How can I get closer to God and other people We were created for deep connections When people have deep connections says John Ortberg they win in life When they don't have deep connections they cannot win in life I'd Like You More if You Were More like Me offers help in overcoming one of the biggest obstacles to making deep connections the fact that we're so different Different from God and different from each other The good news is that connectedness is not based on similarity but on shared experiences When one person invites another to share an experience they're connected It can be sharing a beautiful sunset or a meal having a great conversation over cup of coffee going for walk or even teasing somebody And when we share those same experiences with God we get closer to him too God wants to connect with us so much that he sent his son to live as a human being God took on flesh and shared every human experience So we don't have to wonder what a close relationship with God looks like anymore An intimate relationship with God and other people doesn't have to be a cliché it can be a daily way of life
