The Peculiar Triumph of Professor Branestawm Norman Hunter, 1972      **The Peculiar Triumph Of Professor Branestawm** Hunter, Norman Hunter, 2012-03-31 He s madly sane and cleverly dotty He s the craziest genius you ll ever meet and he s about to cause havoc in Pagwell with his wild inventions The lovable Professor Branestawm with his five pairs of spectacles and his pockets full of all manner of things is back Norman Hunter s irrepressible humour packs every page and the illustrations by the well known cartoonist George Adamson entirely capture the eccentricity of the Professor and the hilarity of his incredible adventures      **Professor Branestawm: The peculiar triumph of Professor Branestawm** Norman Hunter, 1975      Professor Branestawm Stories Norman Hunter, 2011-12-31 He s madly sane and cleverly dotty Professor Branestawm is the craziest genius you ll ever meet and he s back with this bumper collection of hilarious adventures zany inventions and mind boggling experiments So open up for a wacky collection of stories riddles puzzles tricks and tips You ll never get the better of Professor Branestawm but now you can at least get the best      **The Incredible Adventures of Professor Branestawm** Norman Hunter, 2013-03-07 Rediscover Professor Branestawm this Christmas soon to become a brand new drama on BBC ONE written by Charlie Higson and starring Harry Hill Once you started anything in Professor Branestawm s house you never knew when it might finish or even if it ever would Poor Mrs Flittersnoop It s not easy being Professor Branestawm s housekeeper People may say he s a genius but all his inventions always make life more complicated alarming and extraordinary than it was before An innocent bottle of old cough mixture turns out to be an elixir that makes all the waste paper in the bin come to life the burglar catcher and the pancake maker operate just a little too efficiently and about the spring cleaning machine the less said the better You could write a book about it but nobody would believe it Includes exclusive material In the Backstory you can find out about accidental inventions that changed our lives and try a few experiments of your own Vintage Children s Classics is a twenty first century classics list aimed at 8 12 year olds and the adults in their lives Discover timeless favourites from The Jungle Book and Alice s Adventures in Wonderland to modern classics such as The Boy in the Striped Pyjamas and The Curious Incident of the Dog in the Night Time      Back in the Spaceship Again Karen Sands-O'Connor, Marietta Frank, 1999-08-30 Much literature for children appears in the form of series in which familiar characters appear in book after book In the late nineteenth and early twentieth century authors began to write science fiction series for children These early series generally had plots that revolved around inventions developed by the protagonist But it was the development and use of rocket and atomic science during World War II that paved the way for interesting and exciting new themes conflicts and plots While much has been written about the early juvenile science fiction series particularly the Tom Swift books comparatively little has been written about children s science fiction series published since 1945 This book provides a broad overview of this previously neglected topic The volume offers a critical look at the history themes characters settings and construction of post 1945 juvenile science fiction series including

the A I Gang the Animorphs Commander Toad Danny Dunn Dragonfall Five the Magic School Bus and Space Cat The book begins with an introductory history of juvenile science fiction since 1945 with chapters then devoted to particular topics Some of these topics include the role of aliens and animals attitudes toward humor the absence and presence of science and the characterization of women A special feature is an appendix listing the various series In addition the volume provides extensive bibliographical information

**Knowledges in Publics** Lorraine Locke, Simon Locke, 2013-10-30 This book presents a series of cutting edge research studies in the field of public understanding of science with particular focus on aspects of informal science education In addition to providing up to date overviews of current thinking about how best to conceptualise the field it offers a range of primary research studies examining informal public venues of science and mediations of scientific knowledge and representation With contributions from some leading international researchers the book provides discussions and case studies addressing the USA UK and Europe Africa and India offering insight and assessment of key issues on a global footing Challenging extant notions of science public relations in terms of deficiency engagement and knowledge transfer the book taken as a whole argues for approaches that take seriously the multiplicity of publics and that recognise the centrality of social relations and social contexts to forms of knowledge and ways of knowing
