Peddler Other Domestic Matters:

The Peddler and Other Domestic Matters Hollis Summers, 1967 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1971 *Southern Writers* Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of *Southern Writers* assumes its distinguished predecessor's place as the essential reference on literary artists of the American South. Broadly expanded and thoroughly revised, it boasts 604 entries, nearly double the earlier edition's 264 scholars. For every figure, major and minor, from the venerable and canonical to the fresh and innovative, a biographical sketch and chronological list of published works provide comprehensive, concise, up-to-date information. Here, in one convenient source, are the South's novelists and short story writers, poets and dramatists, memoirists and essayists, journalists, scholars, and biographers from the colonial period to the twenty-first century. What constitutes a southern writer is always a matter for debate. Editors Joseph M. Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense. New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication, as well as older talents previously unknown or unacknowledged. For almost every writer found in the previous edition, a new biography has been commissioned. Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners, *Southern Writers* is an indispensable reference book for anyone intrigued by the subject. *Ohio Literary Trail, The: A Guide* Betty Weibel, 2021 The Ohio Literary Trail celebrates the Buckeye State's role in shaping culture and literature worldwide. Along the trail developed by the Ohioana Library Association lie historic homes, museums, library collections, and historical markers honoring great authors, poets, and influencers of the literary landscape. Following the state's five geographic regions for convenient self-guided tours, curious explorers can walk in the footsteps of Harriet Beecher Stowe and poet Paul Laurence Dunbar. They can view renowned collections of comics, picture book art, and Nancy Drew-themed artifacts. Or they can tour the home and farm of Pulitzer Prize winner and conservationist Louis Bromfield. Compiled with care by Betty Weibel, one of the trail's creators, this guide offers something unique for the armchair traveler and the road warrior alike. **Dictionary Catalog of the Harris Collection of American Poetry and Plays, Brown University Library, Providence, Rhode Island** Brown University. Library, 1972 **Literary Recordings** Library of Congress. Poetry Office, 1981 **The Fascists and the Jews of Italy** Michael A. Livingston, 2014-04-21 From 1938 until 1943, before the German occupation and accompanying Holocaust, Fascist Italy drafted and enforced a comprehensive set of anti-Semitic laws. Notwithstanding later rationalizations, the laws were administered with a high degree of severity and resulted in serious damage to the Italian Jewish community. Written from the perspective of an American legal scholar, this book constitutes the first truly comprehensive survey of the Race Laws in the English language. Based on an exhaustive review of Italian legal, administrative, and judicial sources, together with archives of the Italian Jewish community, Professor Michael A. Livingston demonstrates the zeal but also the occasional

ambivalence and contradictions with which the Race Laws were applied by the Italian legal order and ordinary citizens
 Although frequently depressing the history of the Race Laws contains numerous examples of personal courage and idealism
 providing a useful and timely study of what happens when otherwise decent people are confronted with an evil and unjust
