Peddling Panaceas:

Peddling Panaceas Gary Best, 2017-07-05 As the Great Depression dragged on without a recovery Americans were avid for anything that would help them to understand its causes and possible solutions During this period orthodox economists were largely discredited both in the White House and among the public Three of the most popular and influential figures of the period Edward A. Rumely, Stuart Chase and David Cushman Coyle were not trained in economics In *Peddling Panaceas* Gary Dean Best analyzes their remedies for the Depression their proposals for permanent economic reform and their influence Each of these men represented a principal economic faction within the New Deal The inflationists within the New Deal found support from the Committee for the Nation which was largely the creation of Edward Rumely Rumely's committee was influential in the early New Deal but largely passed into eclipse by early 1934 The planners within the New Deal were represented in popular magazines and books by Stuart Chase who was an engineer and accountant before he began to expound on economics An early advocate of collectivism Chase's influence waned after the Supreme Court invalidated two early successes the NRA and the AAA David Cushman Coyle a structural engineer who like many engineers during the Depression fancied himself an economist may be taken as the voice of the followers of Supreme Court Justice Louis Brandeis within the New Deal Always influential they became more prominent after the invalidation of the NRA in 1935 These three popular economists not only influenced policy but also educated the American public about the Depression Scarcely a month went by without an essay by Chase or Coyle in the popular magazines of the decade and both were also prolific authors of books and pamphlets Their views and influence help us understand the economic and political climate of the 1930s *Peddling Panaceas* will be of interest to economists cultural historians political scientists and sociologists

Peddling Panaceas

Gary Dean Best, 2011-12-31 As the Great Depression dragged on without a recovery Americans were avid for anything that would help them to understand its causes and possible solutions During this period orthodox economists were largely discredited both in the White House and among the public Three of the most popular and influential figures of the period Edward A. Rumely, Stuart Chase and David Cushman Coyle were not trained in economics In *Peddling Panaceas* Gary Dean Best analyzes their remedies for the Depression their proposals for permanent economic reform and their influence Each of these men represented a principal economic faction within the New Deal The inflationists within the New Deal found support from the Committee for the Nation which was largely the creation of Edward Rumely Rumely's committee was influential in the early New Deal but largely passed into eclipse by early 1934 The planners within the New Deal were represented in popular magazines and books by Stuart Chase who was an engineer and accountant before he began to expound on economics An early advocate of collectivism Chase's influence waned after the Supreme Court invalidated two early successes the NRA and the AAA David Cushman Coyle a structural engineer who like many engineers during the Depression fancied himself an economist may be taken as the voice of the followers of Supreme Court Justice Louis Brandeis within the

New Deal Always influential they became more prominent after the invalidation of the NRA in 1935 These three popular economists not only influenced policy but also educated the American public about the Depression Scarcely a month went by without an essay by Chase or Coyle in the popular magazines of the decade and both were also prolific authors of books and pamphlets Their views and influence help us understand the economic and political climate of the 1930s Peddling Panaceas will be of interest to economists cultural historians political scientists and sociologists **Nail 'Em!** Eric

Dezenhall,2009-12-04 This fascinating expos provides sobering insights on how falsehoods and distortions can play a role in determining what issues wind up taking center stage in our culture you can help change the system Former Surgeon General C Everett Koop We re gonna nail em That s the threat made against Eric Dezenhall s clients usually corporations and well known people by aggressors trying to launch media hyped smear campaigns and attacks because they feel they ve been wronged or just because they want publicity From Pepsi and ValuJet to Michael Ovitz and Kathy Lee Gifford businesses and celebrities today are finding themselves the front line targets of attacks by the headline seekers the news media corporate stalkers disgruntled former employees individuals looking for a few minutes of fame and many others And it s crisis managers like Dezenhall who step in to reduce the damage fight the bad publicity and sometimes even turn the wave of negative opinion on the attackers themselves Nail Em is an exploration of the personalities conflicts and motivations involved in such attacks and Dezenhall s unique communications approach to slowing preventing and reversing such situations While illustrating that these attacks are not merely communications problems but real conflicts that can only be stopped when the aggressor is placed in jeopardy the author examines the psychology of the attacker notorious recent cases his personal experiences facts versus falsehoods the role of the news media and the popularity of victims in contemporary America Nail Em lays out a blueprint for reclaiming the public s good favor while erasing the attacker s allegations Eric Dezenhall is a founding partner of Nichols Dezenhall a Washington DC firm that oversees hard news media relations crises and marketplace assaults A graduate of Dartmouth College he also served in Ronald Reagan s White House Office of Communications **The**

Unbearable Heaviness of Governing Morton Keller,2013-09-01 Taking a critical look at the realities that have shaped the first stage of Barack Obama s presidency Morton Keller offers a history focused examination of Obama s developing style of governing with particular attention to his signature policies of the stimulus financial and health care reforms The author considers this presidency in light of the facts of contemporary political life and the nature of key government institutions such as Congress and the bureaucracy and discusses what may lie ahead for the president s policies and political prospects

Reinventing the CFO Jeremy Hope,2006 On the heels of a decade of scandals and the new pressures brought on by the Sarbanes Oxley Act corporations expect far more from their CFOs than simply managing the numbers They expect decision making support and performance insights that can improve bottom line results Unfortunately the complexity and detail inherent in CFOs jobs keep them shackled to budgeting and transaction processing systems that leave little time for value

adding activities Grounded in extensive research Reinventing the CFO outlines seven critical roles from streamlining redundant processes to regulating risk to identifying a few key measures that CFOs must take on in order to successfully transform the finance operation

Animal Welfare & Human Values Rod Preece, Lorna Chamberlain, 1993-06-24 As the most populous province in Canada Ontario is a microcosm of the animal welfare issues which beset Western civilization The authors of this book chairman and vice chairman respectively of the Ontario Society for the Prevention of Cruelty to Animals find themselves constantly being made aware of the atrocities committed in the Society's jurisdiction They have been in turn puzzled exasperated and horrified at humanity's cruelty to our fellow sentient beings The issues discussed in this book are the most contentious in animal welfare disputes animal experimentation fur farming and trapping the use of animals for human entertainment and the conditions under which animals are raised for human consumption They are complex issues and should be thought about fairly and seriously The authors standing squarely on the side of the animals suggest community and belonging as concepts through which to understand our relationships to other species They ground their ideas in Wordsworth's primal sympathy and Jung's unconscious identity with the animal realm The philosophy developed in this book embraces common sense and compromise as the surest paths to the goal of animal welfare It requires respect and consideration for other species while acknowledging our primary obligations to our fellow humans

Money, Power, and the People Christopher W. Shaw, 2022-12-22 An engaging and well researched study of ordinary people who joined together to challenge financial institutions Choice Banks and bankers are hardly the most beloved institutions and people in this country With its corruptive influence on politics and stranglehold on the American economy Wall Street is held in high regard by few outside the financial sector But the pitchforks raised against this behemoth are largely rhetorical We rarely see riots in the streets or public demands for an equitable and democratic banking system that result in serious national changes Yet the situation was vastly different a century ago as Christopher W Shaw shows This book upends the conventional thinking that financial policy in the early twentieth century was set primarily by the needs and demands of bankers Shaw shows that banking and politics were directly shaped by the literal and symbolic investments of the grassroots This engagement remade financial institutions and the national economy through populist pressure and the establishment of federal regulatory programs and agencies like the Farm Credit System and the Federal Deposit Insurance Corporation Shaw reveals the surprising groundswell behind seemingly arcane legislation as well as the power of the people to demand serious political repercussions for the banks that caused the Great Depression One result of this sustained interest and pressure was legislation and regulation that brought on a long period of relative financial stability with a reduced frequency of economic booms and busts Ironically this stability led to the decline of the very banking politics that brought it about Giving voice to a broad swath of American figures including workers farmers politicians and bankers alike Money Power and the People recasts our understanding of what might be possible in balancing the needs of the people with those of their financial

institutions **Rich People's Movements** Isaac William Martin,2015-02 Why do protesters sometimes take to the streets to demand lower taxes on the rich In this urgently relevant study sociologist Isaac William Martin examines how these protesters used tactics that they learned in movements of the poor and powerless and sometimes won big American Anti-Communism M. J. Heale,1990-10 In American Anticommunism Heale examines the various forms American reactions to this perceived threat have taken from the attacks on workers in the Haymarket Riot to the widespread witch hunts of Senator Joe McCarthy **Randomistas** Andrew Leigh,2018-07-24 A fascinating account of how radical researchers have used

experiments to overturn conventional wisdom and shaped life as we know it Experiments have consistently been used in the hard sciences but in recent decades social scientists have adopted the practice Randomized trials have been used to design policies to increase educational attainment lower crime rates elevate employment rates and improve living standards among the poor This book tells the stories of radical researchers who have used experiments to overturn conventional wisdom From finding the cure for scurvy to discovering what policies really improve literacy rates Leigh shows how randomistas have shaped life as we know it Written in a Gladwell esque style this book provides a fascinating account of key randomized control trial studies from across the globe and the challenges that randomistas have faced in getting their studies accepted and their findings implemented In telling these stories Leigh draws out key lessons learned and shows the most effective way to conduct these trials Titan Ron Chernow,2007-12-18 National Book Critics Circle Award Finalist From the acclaimed award winning author of Alexander Hamilton here is the essential endlessly engrossing biography of John D Rockefeller Sr the Jekyll and Hyde of American capitalism In the course of his nearly 98 years Rockefeller was known as both a rapacious robber baron whose Standard Oil Company rode roughshod over an industry and a philanthropist who donated money lavishly to universities and medical centers He was the terror of his competitors the bogeyman of reformers the delight of caricaturists and an utter enigma Drawing on unprecedented access to Rockefeller s private papers Chernow reconstructs his subjects troubled origins his father was a swindler and a bigamist and his single minded pursuit of wealth But he also uncovers the profound religiosity that drove him to give all I could his devotion to his father and the wry sense of humor that made him the country s most colorful codger Titan is a magnificent biography balanced revelatory elegantly written

Audit Effectiveness Kamil Omoteso,2016-04-08 In Audit Effectiveness Dr Kamil Omoteso examines how information technology is changing the landscape for the audit profession as IT tools and techniques continue to be developed for auditors in the pursuit of quality efficiency and effectiveness In addition to shedding light on practical subjects such as audit automation continuous online auditing and computer auditing this book introduces some theory that helps explain the motivation for the use of new tools and techniques and assists understanding of their impact on the quality of audit judgment The book proposes a three layered model an integration of contingency socio technical systems and structuration theories for a comprehensive understanding of IT s impact on audit The model advocates that the use of IT in audits is a function of

certain contingent factors that determine an optimal mix of human skills and technological capabilities which would lead to changes in the nature of auditors roles and outputs and audit organisations structures Dr Omoteso puts forward an audit automation maturity model that can help audit firms departments to understand their current level of IT integration and how to systematically enhance their capabilities with a view to meeting modern IT challenges taking them from the position of mere followers of technology to that of effective leaders of technology Audit Effectiveness is for anyone practising in auditing or accounting automation as well as for those with an academic or research interest in the challenges posed by technological advances for auditors in particular and for managers in general Using Evidence to End Homelessness Lgia

Teixeira,James Cartwright,2020-04-29 Available open access under CC BY NC license Homelessness is unequivocally devastating In the UK people affected by homelessness are ten times more likely to die than their peers in the general population yet we still miss important opportunities to adequately address the issue The Centre for Homelessness Impact brings together this urgent book gathering the insights and experiences of leaders in government academia and the third sector to present new evidence based strategies to end homelessness Demonstrating why and how a new movement is needed that embraces data and evidence as integral to ending homelessness effectively this book provides crucial methods to underpin future policy practice and funding decisions **Peddling Panaceas** Gary Best,2005 As the Great Depression

dragged on without a recovery Americans were avid for anything that would help them to understand its causes and possible solutions During this period orthodox economists were largely discredited both in the White House and among the public Three of the most popular and influential figures of the period Edward A Rumely Stuart Chase and David Cushman Coyle were not trained in economics In **Peddling Panaceas** Gary Dean Best analyzes their remedies for the Depression their proposals for permanent economic reform and their influence Each of these men represented a principal economic faction within the New Deal The inflationists within the New Deal found support from the Committee for the Nation which was largely the creation of Edward Rumely Rumely s committee was influential in the early New Deal but largely passed into eclipse by early 1934 The planners within the New Deal were represented in popular magazines and books by Stuart Chase who was an engineer and accountant before he began to expound on economics An early advocate of collectivism Chase s influence waned after the Supreme Court invalidated two early successes the NRA and the AAA David Cushman Coyle a structural engineer who like many engineers during the Depression fancied himself an economist may be taken as the voice of the followers of Supreme Court Justice Louis Brandeis within the New Deal Always influential they became more prominent after the invalidation of the NRA in 1935 These three popular economists not only influenced policy but also educated the American public about the Depression Scarcely a month went by without an essay by Chase or Coyle in the popular magazines of the decade and both were also prolific authors of books and pamphlets Their views and influence help us understand the economic and political climate of the 1930s **Peddling Panaceas** will be of interest to economists cultural

historians political scientists and sociologists Provided by publisher [New Deal Cowboy](#) Michael Duchemin,2016-09-22 Best known to Americans as the singing cowboy beloved entertainer Gene Autry 1907 1998 appeared in countless films radio broadcasts television shows and other venues While Autry s name and a few of his hit songs are still widely known today his commitment to political causes and public diplomacy deserves greater appreciation In this innovative examination of Autry s influence on public opinion Michael Duchemin explores the various platforms this cowboy crooner used to support important causes notably Franklin D Roosevelt s New Deal and foreign policy initiatives leading up to World War II As a prolific performer of western folk songs and country western music Autry gained popularity in the 1930s by developing a persona that appealed to rural small town and newly urban fans It was during this same time Duchemin explains that Autry threw his support behind the thirty second president of the United States Drawing on a wealth of primary sources Duchemin demonstrates how Autry popularized Roosevelt s New Deal policies and made them more attractive to the American public In turn the president used the emerging motion picture industry as an instrument of public diplomacy to enhance his policy agendas which Autry s films backed by Republic Pictures unabashedly endorsed As the United States inched toward entry into World War II the president s focus shifted toward foreign policy Autry responded by promoting Americanism war preparedness and friendly relations with Latin America As a result Duchemin argues Sergeant Gene Autry played a unique role in making FDR s internationalist policies more palatable for American citizens reluctant to engage in another foreign war New Deal Cowboy enhances our understanding of Gene Autry as a western folk hero who during critical times of economic recovery and international crisis readily assumed the role of public diplomat skillfully using his talents to persuade a marginalized populace to embrace a nationalist agenda By drawing connections between western popular culture and American political history the book also offers valuable insight concerning the development of leisure and western tourism the information industry public diplomacy and foreign policy in twentieth century America [Research in Economic History](#) Christopher Hanes,Susan Wolcott,2019-08-26 In this new volume of Research in Economic History editors Christopher Hanes and Susan Wolcott bring together a cast of expert contributors to vigorously interrogate and analyze historic economics questions looking across the political economy of the US European history and longstanding economic debates **Survival of the Savvy** Rick Brandon,Marty Seldman,2004-12-06 Discusses how to eliminate unethical behavior at the workplace demonstrating how to master corporate politics ethically through an understanding of political styles and an application of strategies in such areas as networking and idea promotion [Seeing Malaysia My Way](#) M. Bakri Musa,2003-11-17 Malaysian born M Bakri Musa a California surgeon writes frequently on issues affecting his native land His credits apart from scientific articles in professional journals have appeared in Far Eastern Economic Review International Herald Tribune Education Quarterly and New Straits Times His commentary has also aired on National Public Radio s Marketplace He is the author of The Malay Dilemma Revisited Race Dynamics in Modern Malaysia Malaysia in the Era of Globalization and An

Education System Worthy of Malaysia Safely beyond the reach of Malaysia's censorship laws he writes freely and without restraint save for common courtesy and good taste He spares no individual or institution easily skewering the sacred cows He aims his dart at the most hyper inflated targets easily and effectively puncturing them to reveal their hollowness These range from the obscenely ostentatious Malaysian weddings to special privileges and from Prime Minister Mahathir to youths who do Malaysia proud The Charity Organisation Review ,1909 **Language and Thinking in the Elementary School** E. Brooks Smith,Kenneth S. Goodman,Robert Meredith,1970

Peddling Panaceas Introduction

In today's digital age, the availability of Peddling Panaceas books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Peddling Panaceas books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Peddling Panaceas books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Peddling Panaceas versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Peddling Panaceas books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Peddling Panaceas books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Peddling Panaceas books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Peddling Panaceas books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Peddling Panaceas books and manuals for download and embark on your journey of knowledge?

FAQs About Peddling Panaceas Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
