*The Peer and the Women* Edward Phillips Oppenheim, 1892      *Female Prisoners, AIDS, and Peer Programs* Kimberly Collica, 2012-09-25 This book highlights a neglected area in the field of rehabilitation of female offenders with AIDS It provides data to show how women working as HIV peer educators in prison utilize their peer experiences as a transition point for rehabilitation both inside and outside of the penitentiary HIV and prison are inextricably linked and education has proved to be the one constant that mitigates the spread of both HIV and crime Research on female inmates in general is not frequent and this book presents unique qualitative data that includes rich accounts from the women themselves It illustrates the benefits derived by female inmates who work in an HIV prison based peer program while adding to the criminology literature on female patterns of criminality and rehabilitation It provides a greater understanding of how prison programs affect the processes of criminal desistance and behavioral changes for female inmates Women involved in such programming are able to change the criminal trajectory of their life direction contributing to reduced levels of recidivism and institutional disciplinary infractions The implications for these programs is relevant within the broader perspective of women HIV and incarceration      *Male Peer Support and Violence Against Women* Walter S. DeKeseredy, Martin D. Schwartz, 2013-11-05 An important and timely reassessment of a crucial theory in male violence against women      **A Library of the World's Best Literature - Ancient and Modern - Vol.XX (Forty-Five Volumes); Ibsen-Jefferies** Charles Dudley Warner, 2008-06-01 Popular American essayist novelist and journalist CHARLES DUDLEY WARNER 1829 1900 was renowned for the warmth and intimacy of his writing which encompassed travelogue biography and autobiography fiction and more and influenced entire generations of his fellow writers Here the prolific writer turned editor for his final grand work a splendid survey of global literature classic and modern and it is not too much to suggest that if his friend and colleague Mark Twain who stole Warner's quip about how everybody complains about the weather but nobody does anything about it had assembled this set it would still be hailed today as one of the great achievements of the book world Highlights from Volume 20 include excerpts from Henrik Ibsen's *A Doll's House* a survey of Icelandic literature hymns from the *Rig Veda* selections from the *Upanishads* the writings of Washington Irving selections from Henry James Japanese literature medieval and modern literature and much much more      **The Warner Library: The world's best literature** Charles Dudley Warner, John William Cunliffe, Ashley Horace Thorndike, Harry Morgan Ayres, Helen Rex Keller, Gerhard Richard Lomer, 1917      *Shaw's Ibsen* Joan Templeton, 2018-02-16 This book argues that Shaw was a masterful reader of Ibsen's plays both as texts and as the cornerstone of the modern theatre Dismantling the notion that Shaw distorted Ibsen to promote his own view of the world and establishing Shaw's initial interest in Ibsen as the poet of Peer Gynt it chronicles Shaw's important role in the London Ibsen campaign and exposes the falsity of the tradition that Shaw branded Ibsen as a socialist Further this study shows that Shaw's famous but maligned *The Quintessence of Ibsenism* reflects Ibsen's own anti idealist notion of his work and argues

that Shaw's readings of Ibsen's plays are pioneering analyses that anticipate later criticism. It offers new readings of Shaw's Ibsenist plays as well as a comprehensive account of Ibsen's importance for Shaw's dramatic criticism from his early journalism to *Our Theatres of the Nineties* both as a weapon against the inanities of the Victorian stage and as the standard bearer for modernism.
