Casablanca even down to the transit visas for Portugal. All that's missing is Peter Lorre. Throughout his months in France, no issue haunted Fry more than the question of selection. Human needs seemed limitless; resources were not. He could not help everyone. Word quickly spread through the refugee community that an American had arrived who could offer hope, and within weeks Fry was receiving 25 letters a day, a dozen telephone calls an hour. He and his staff conducted between 100 and 120 interviews each day. Altogether, around 15,000 refugees, about half the total number residing in Vichy France, got in touch with Fry, and in effect it was up to him to determine who among them would live and who would die. Impossible choices, spies and counterspies, the ominous knock on the door: it was all heady stuff, and after Fry was forced to return to the United States in late 1941, he like so many who peak early went into decline. Nothing could ever match his glory days in France. The experiences of 10, 15, and even 20 years have been pressed into one, he wrote. Sometimes I feel as if I had lived my whole life. Fry drifted from job to job, from journalism to magazine editing to film production to corporate writing to high school and college teaching. Barry Gewen, *The New York Times*: The story of Varian Fry is important on many levels, historical and personal. Skillfully evoking a crucial moment in recent history, Sheila Isenberg tells the compelling and dramatic story of how an ordinary person thrust into a situation of extreme danger did extraordinary things for one year in wartime France, then drifted almost lost through the rest of his own life. It is also a story of institutionalized bureaucratic stupidity that must never be forgotten so that it is never repeated. Richard Holbrooke, U.S. diplomat: The only American to be honored at Yad Vashem, Israel's Holocaust Memorial, Fry saved the lives of thousands of refugees from the Nazis. Isenberg delivers a moving, workmanlike account of Fry's heroics. She ably renders prewar and war-time public ignorance and apathy in America and the extraordinary heroism of the sole volunteer for a dangerous rescue mission. Publishers Weekly: see also this Publishers Weekly interview with Sheila Isenberg. One of the BEST BOOKS of 2001, Fry comes across as a genuine saint; this little book is a life of a saint equal to any medieval tome. *St. Louis Post-Dispatch*: A Hero of Our Own is significant for its implicit investigation into the combination of heroism, pure goodness, and personal need that made Fry undertake the rescue of strangers at considerable personal risk and with no promise of reward. It also provides an unpleasant reminder that nations and their bureaucrats have both private concerns and a tremendous tropism toward indifference. David Margolis, *The Jerusalem Report*: Using Fry's own words and the testimony of refugees and compatriots, Isenberg skillfully evokes the tense atmosphere of wartime Marseille, where a hoard of desperate refugees found precarious asylum. She describes the extreme measures Fry took to save as many endangered souls as he could, far more than the 200 intellectuals, scientists, writers, and artists he had been sent to aid, gathering others to help him arrange escapes from internment camps, forge documents, bribe officials, and spirit refugees across the border into Spain. Skirting danger and side-stepping the law, Fry and his group ultimately provided financial or travel assistance to approximately 4,000 refugees and enabled almost half of them to escape, all on limited resources and with little or no assistance from the United States consulate in Marseille. United States Holocaust

Memorial Museum Featured Book This highly readable biography tells the exciting escape stories of the underground railroad Fry organized to lead refugees from southern France across the Pyrenees to freedom Isenberg sets the rescue stories against the background of American isolationism and anti-Semitism at the time documenting her dramatic narrative with more than 70 pages of fascinating notes including references to letters interviews personal papers and government reports The drama here is in the thrill of rescue the realistic portrait of a complex leader and the decidedly nonheroic truths about WWII at home Hazel Rochman Booklist Now that America has been shocked into a new appreciation of heroism the story of the late Varian Fry is especially timely Sheila Isenberg devotes most of the book to the specifics of Fry's action-packed months in Marseilles when he ferried numerous Jews Marc Chagall Max Ernst Andre Breton and Hannah Arendt to name a few out of occupied France Isenberg builds a convincing case against America's refugee policy and recognizes that the State Department's resistance to Fry's efforts was often a matter of plain old anti-Semitism Jonathan Mahler Washington Post Sheila Isenberg has written a masterful biography of this most enigmatic man She pulls no punches in exhibiting his flaws but shows no restraint in praising his virtues Fry's life is truly unique and compelling and Isenberg tells it with considerable compassion The book is well worth the attention of anyone interested in reading about a most unlikely 20th century hero The Roanoke Times A Hero of Our Own comes at a time when we need to remind ourselves of the high price of sticking one's neck out for others Isenberg's work is a painstakingly documented book that presents human nature at its best and worst In this dark work she portrays Fry as a flawed but dedicated idealist The Free Lance Star Fredericksburg VA You'll want to read Sheila Isenberg's riveting biography of Varian Fry It is the flashback to Fry's early life that gave this reader the clearest insight not only into the man but into the times he lived in He was a man who chafed at the world a rebel against authority and a hero abroad He died in 1967 an ordinary person who had done extraordinary things just once in his life Taconic Times

Dialogues with and about John Cage is a panoply of vivid and compulsively readable interviews given to Peter Dickinson in the late 1980s for a BBC Radio 3 documentary. The original BBC program lasted an hour but the full discussions with Cage and many of the main figures connected with him were not published until the first edition of this book. CageTalk also includes earlier BBC interviews with Cage including ones by the renowned literary critic Frank Kermode and art critic David Sylvester. And Dickinson, the editor of this volume, contributes little known source material about Cage's Musicircus and Roaratorio as well as a substantial introduction exploring the multiple roles that Cage's varied and challenging output played during much of the twentieth century and continued to play in the early twenty-first. Apart from the long interview with Cage himself, there are discussions with Bonnie Bird, Earle Brown, Merce Cunningham, Minna Lederman, Otto Luening, Jackson Mac Low, Peadar Mercier, Pauline Oliveros, John Rockwell, Kurt Schwertsik, Karlheinz Stockhausen, Virgil Thomson, David Tudor, La Monte Young, and Paul Zukovsky. Most of the interviews were given to Peter Dickinson, but there are others involving Rebecca Boyle, Anthony Cheevers, Michael Oliver, and Roger Smalley. Peter Dickinson, British composer and pianist, is Emeritus Professor, University of Keele and University of London, and has written or edited several books about twentieth-century music, including *Copland: Connotations* (Boydell Press, 2002) and *The Music of Lennox* (Berkeley Boydell Press, 2003).
