Popular Front And Central Europe The Dilemmas Of French Impotence 1918 194:

The Popular Front and Central Europe Nicole Jordan, 2002-08-22 A study of French policies in Central Europe from Versailles until the fall of France

The Origins of Revisionist and Status-Quo States J. Davidson, 2016-04-30 Explaining why some states seek the status quo and others seek revision in international relations Davidson argues that governments pursuing revisionist policies are responding to powerful domestic groups such as nationalists and those in the military that believe they can defeat their rivals He draws on examples of France Italy and Great Britain to enhance understanding of a fundamental source of instability in international affairs

The Unwanted Europeanness? Branislav Radeljić, 2021-01-18 Can we be optimistic about the future of Europe To what extent has the European integrationist project affected the discourse about the core and the semi periphery Why does the European Union struggle with its own and the neighbouring Other These are some of the questions addressed in this thought provoking volume about the dilemmas surrounding the ever uncertain European unity A wide range of contributors have drawn upon invaluable sources and data to examine a broad selection of official discords and discrepancies characterizing the EU's relations with the Balkans East Central Europe and beyond Moreover past events have shaped present political and socioeconomic cooperation or its deficiencies with no reason to believe that these present challenges will not further influence future arrangements at a supranational or intergovernmental level

Whichever the period questions of belonging solidarity and the unwanted Other have remained relevant and have continued to penetrate discussions In addition to complementing the existing analyses of European developments the present findings are of great relevance for researchers policymakers and general readership In fact they are essential if we want to see Europe develop

Twilight of the Titans Paul K. MacDonald, Joseph M. Parent, 2018-04-15 In *Twilight of the Titans* Paul K MacDonald and Joseph M Parent examine great power transitions since 1870 to determine how declining powers choose to behave identifying the strong incentives to moderate their behavior when the hierarchy of great powers is shifting Challenging the conventional wisdom that such transitions push declining great powers to extreme measures this book argues that intimidation provocation and preventive war are not the only alternatives to the loss of relative power and prestige Using numerous case studies MacDonald and Parent show how declining states tend to behave the policy options they have how rising states respond to those in decline and what conditions reward particular strategic choices
