Portraits Of Yiddish Writers:

Portraits of Yiddish Writers Yitzhak Kahn, 1979-01-01 **From Our Springtime** Reuben Iceland, 2013-02-11 In New York in 1907 a group of avant garde Yiddish poets came together to transform Yiddish literature Seeking a pure artistic expression they would rid Yiddish poetry of foreign influences and overbearing political and religious rhetoric Although influenced by their Eastern European heritage these poets were uniquely American in their focus on exploring the individual Calling themselves Di Yunge The young ones this group was led in part by Reuben Iceland From Our Springtime is Iceland's memoir as well as a reflection on the lives of the Di Yunge poets With its vivid characters beautifully crafted descriptions and snippets of poetry this book is a work of art in its own right and an essential resource for anyone interested in Yiddish American poetry Translated into English for the first time From Our Springtime brings this period in New York literary history to life and tells the story of how these poets transformed Yiddish poetry from an expression of working class struggles to a form of Yiddish high art The Jewish Self-Portrait in European and American Literature Hans-Jürgen Schrader, Elliott M. Simon, Charlotte Wardi, 2011-07-22 The articles in this collection originated from an international symposium at the University of Haifa and centre around a major topic in German European and American literature i.e. the way in which Jewish self definition both positive and negative has materialized as a product of the tensions between secular culture and society on the one hand and Jewish tradition and religion on the other The broad range of authors most of them of German speaking origin necessarily results in an almost equally broad range of answers to this central question The volume is dedicated to the memory of the Israeli literary scholar Chaim Shoham **Samuel Hirszenberg, 1865-1908** Richard I. Cohen, Mirjam Rajner, 2022-03-07 Samuel Hirszenberg is an artist who deserves to be more widely known his work intertwined modernism and Jewish themes and he influenced later artists of Jewish origin Born into a traditional Jewish family in d in 1865 Hirszenberg gradually became attached to Polish culture and language as he pursued his artistic calling Like Maurycy Gottlieb before him he studied at the School of Art in Krak w which was then headed by the master of Polish painting Jan Matejko His early interests were to persist with varying degrees of intensity throughout his life his Polish surroundings traditional east European Jews historical themes the Orient and the nature of relationships between men and women He also had a lifelong commitment to landscape painting and portraiture Hirszenberg's personal circumstances economic considerations and historical upheavals took him to different countries strongly influencing his artistic output He moved to Jerusalem in 1907 and there as a secular and acculturated Jew who had adopted the world of humanism and universalism he strove also to express more personal aspirations and concerns This fully illustrated study presents an intimate and detailed picture of the artist's development **Women Writers of Yiddish Literature** Rosemary Horowitz, 2015-05-08 Taking stock of Yiddish literature in 1939 critic Shmuel Niger highlighted the increasing number and importance of women writers However awareness of women Yiddish writers diminished over the years Today a modest body of novels short stories poems

strategies that reestablish the very possibility of a German Jewish literature several decades after the Holocaust Making German Jewish Literature Anew offers fresh interpretations of second generation authors such as Maxim Biller Doron Rabinovici and Barbara Honigmann as well as of third generation authors many of whom come from Eastern European and or mixed religion backgrounds These more recent writers include Benjamin Stein Lena Gorelik and Katja Petrowskaja Throughout the book Garloff asks what exactly marks a given text as Jewish the author s identity intended audience thematic concerns or stylistic choices and reflects on existing definitions of Jewish literature **Library of Congress Subject**

Cataloging Policy and Support Office,2009 Portrait of a Jew Albert Memmi,2019-08-15 In this memoir and extended meditation on Jewish identity and anti Semitic stereotypes written in France in the early 1960s Albert Memmi paints a portrait of himself as a secular Jew The book has been compared to Rousseau s Confessions because of its meticulous self examination Written only 15 years after the end of the Nazi occupation and just over a decade after the establishment of the State of Israel Portrait of a Jew is a snapshot in time as well as a work of psychology and sociology It both questions prevailing myths about the Jews of his time and describes the reality Memmi sees Its sequel is The Liberation of the Jew Portrait of a Jew and The Liberation of the Jew form a whole the beginning and the outcome of a passionate quest The first offers a diagnosis the second a remedy Both are written with moving sincerity As a personal document Memmi s introspective study is valuable Thought provoking and disturbing in the best sense of the word it allows us to look into the tormented mind and soul of a distinguished Jewish writer who aspires to live honestly while belonging simultaneously to two worlds His doubts and affirmations carry the weight of testimony Elie Wiesel The New York Times Portrait of a Jew and The Liberation of the Jew are filled with a Jewish existentialism marked by quest for identity and self affirmation far more psychological and sociological than traditionally religious Richard Locke The New York Times A bitter plangent autobiography written in dark colors and minor chords It is purgative and painful reading for it angers outrages and reduces the reader to lonely verbal combats But when the din and dust has died away the questions and statements are still there asserting themselves Henrietta Buckmaster The Christian Science Monitor **Being For Myself Alone** Marcus Moseley,2005-06-13 This is a work of unprecedented scope tracing the origins of Jewish autobiographical writing from the early modern period to the early twentieth century Drawing on a multitude of Hebrew and Yiddish texts very few of which have been translated into English and on contemporary autobiographical theory this book provides a literary historical explanatory paradigm for the emergence of the Jewish autobiographical voice The book also provides the English reader with an introduction to the works of central figures in the history of Hebrew and Yiddish literature and it includes discussion of material that has never been submitted to literary critical analysis in English Contemporary Jewish Writing in Poland Antony Polonsky,Monika Adamczyk-Garbowska,2001-01-01 Devoted to collecting the finest Jewish writing from around the world the Jewish Writing in the Contemporary World series consists of anthologies by country that are designed to present to

the English speaking world authors and works deserving international consideration As a series the books permit a broad examination of the international crosscurrents in Jewish thought and culture Contemporary Jewish Writing in Poland brings together the works of a broad range of modern Jewish writers most of whom remained in Poland after the Second World War Although the Nazi genocide wiped out nearly all of the Jewish population in the country the aftermath of the war has not stifled Jewish writing in Poland but has given it a different direction A complex body of literature describes Jewish life before the war documents the Holocaust and wrestles with its legacy particularly the difficulties of living in a country where it occurred *Authorial Fictions* Naomi Rebecca Brenner, 2008

The Rise and Fall of Jewish American Literature

Benjamin Schreier, 2020-09-18 Benjamin Schreier argues that Jewish American literature's dominant cliché of breakthrough that is the irruption into the heart of the American cultural scene during the 1950s of Jewish American writers like Bernard Malamud Philip Roth Saul Bellow and Grace Paley must also be seen as the critically originary moment of Jewish American literary study According to Schreier this is the primal scene of the Jewish American literary field the point that the field cannot avoid repeating and replaying in instantiating itself as the more or less formalized academic study of Jewish American literature More than sixty years later the field's legibility the very condition of its possibility remains overwhelmingly grounded in a reliance on this single ethnological narrative In a polemic against what he sees as the unexamined foundations and stagnant state of the field Schreier interrogates a series of professionally powerful assumptions about Jewish American literary history how they came into being and how they hardened into cliché He offers a critical genealogy of breakthrough and other narratives through which Jewish Studies has asserted its compelling self-evidence not simply under the banner of the historical realities Jewish Studies claims to represent but more fundamentally for the intellectual and institutional structures through which it produces these representations He shows how a historicist scholarly narrative quickly consolidated and became hegemonic in part because of its double articulation of a particular American subject and of a transnational historiography that categorically identified that subject as Jewish The ethnological grounding of the Jewish American literary field is no longer tenable Schreier asserts in an argument with broad implications for the reconceptualization of Jewish and other identity-based ethnic studies
