

POST-COMMUNISM

AN INTRODUCTION

LESLIE HOLMES

Post Communism An Introduction

Jan Kubik, Amy Linch

Post Communism An Introduction:

Post-Communism Leslie Holmes, 1997-04-03 In this new book Leslie Holmes provides the first comprehensive single authored analysis of post communism He highlights and explains both the positive and negative aspects of post communism in the political economic and social spheres Throughout the policies and structures of late communism are compared to the situation existing now in the ex communist countries The result is a comprehensive and accessible introduction to one of the most major events this century

Postcommunism Michael Mandelbaum, 1996 This book offers distinctive perspectives by four leading students of politics on the single most important social political and economic development of the 1990s post communist Eurasia

Social Theory and Postcommunism William Outhwaite, Larry Ray, 2008-04-15 Social Theory and Postcommunism undertakes a thorough study of the implications of post communism for sociological theory Written by two leading social theorists the book discusses the thesis that the fall of communism has decimated alternative conceptions of social organizations other than capitalism Analyzes the implications of the fall of communism on social theory Discusses alternative ideas of social organizations other than capitalism in the wake of the collapse of communism Covers state civil society globalization the future of modernity and post socialism

Cultural Formations of Post-Communism Michael D. Kennedy, 2002

Democracy and Post-Communism Graeme Gill, 2003-08-27 The collapse of communism was widely heralded as the dawn of democracy across the former Soviet region However the political outcome has been much less uniform The post communist states have developed political systems from democracy to dictatorship Using examples and empirical data collected from twenty six former Soviet states Graeme Gill provides a detailed comparative analysis of the core issues of regime change the creation of civil society economic reform and the changing nature of post communism Within these individual cases it becomes clear that political outcomes have not been arbitrary but directly reflect the circumstances surrounding the birth of independence

Students of Comparative Politics International Relations and Russian and Post Soviet Studies should find this book essential reading

Postcommunism from Within Jan Kubik, Amy Linch, 2013-08-26 While the decline of communism in the late twentieth century brought democracy political freedom and better economic prospects for many people it also produced massive social dislocation and engendered social problems that were far less pronounced under the old regimes The fall of state socialism led to enormously complex political economic social and cultural transformations and while political liberalization was a lofty goal it was neither uniform in its effects nor unqualified in its benefits Postcommunism from Within foregrounds the diversity of the historical experiences and current realities of people in the postcommunist region in examining how they are responding to these monumental changes at home The original essays in this volume lay out a bold new approach to research on the postcommunist region and to democratization studies more broadly that focuses on the social and cultural microprocesses behind political and economic transformation Thematic essays by eminent scholars of postcommunism from across the social sciences are supported by

case studies to demonstrate the limitations of current democratization paradigms and suggest ways of building categories of research that more closely capture the role of vernacular knowledge in demanding creating and adapting to institutional change A novel approach to understanding one of the greatest political and social transformations in recent history Postcommunism from Within explores not just how citizens respond to political and economic restructuring engineered at the top but also how people enact their own visions of life politics and justice by responding to daily challenges **Communism** Leslie Holmes, 2009-08-27 The collapse of communism was one of the most defining moments of the twentieth century At its peak more than a third of the world's population had lived under communist power What is communism Where did the idea come from and what attracted people to it What is the future for communism This Very Short Introduction considers these questions and more in the search to explore and understand communism Explaining the theory behind its ideology and examining the history and mindset behind its political economic and social structures Leslie Holmes examines the highs and lows of communist power and its future in today's world ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *Postcommunism and the Body Politic* Ellen E. Berry, 1995-07 The epidemic of mass rape in the former Yugoslavia has illustrated once again and in particularly brutal fashion the inextricable relationship between national politics sexual politics and body politics The nexus of these three forces is highly charged in any culture at any time in history but especially so among cultures in which rapid even cataclysmic changes in material realities and national self conceptions are eroding or overwhelming previously secure boundaries The postcommunist moment in the so called Second World Central and Eastern Europe and the former Soviet Union has dramatically exposed the opportunities and dangers that arise when the political cultural and economic foundations of a society are de and then re structured Gender roles and relations expressions of sexuality or attempts to recontain them representations of the body especially the female body and the larger cultural meanings it assumes are particularly marked sites to witness the performance of complex national dramas of crisis and change This groundbreaking volume turns its attention to the Second World specifically to such subjects as the birth of the sex media and porn industry in Russia Russian women and alcoholism cinema in post communist Hungary patriotism and gender in Poland sexual dissidence in Eastern Europe and women in the former Yugoslavia go to the Genders website [Postcolonial Perspectives on Postcommunism in Central and Eastern Europe](#) Dorota Kołodziejczyk, Cristina ?andru, 2017-10-02 A quarter of a century after the fall of the Berlin Wall and from the vantage point of a post Cold War globalised world there is a need to address the relative neglect of postcommunism in analysis of postcolonial and neo colonial configurations of power and influence This book proposes new critical perspectives on several themes and concepts that have emerged within or been propagated by postcolonial studies These themes include

structures of exclusion inclusion formations of nationalism structures of othering and representations of difference forms and historical realisations of anti colonial anti imperial struggle the experience of trauma involving issues of collective memory amnesia and the re writing of history resistance as a complex of cultural practices and concepts such as alterity ambivalence self colonisation dislocation hegemonic discourse minority and subaltern cultures Taken together this volume suggests that some of the methodological instruments of postcolonial criticism can be fruitfully applied to the study of postcommunist cultures and conversely that the experience of the Soviet brand of imperialist rule in the form of communism in East Central Europe can function as an ideological moderator in Third World oriented Marxist inspired postcolonial discourses This book was originally published as a special issue of the Journal of Postcolonial Writing The Political Analysis of Postcommunism Volodymyr Polokhalo,1997 Transformation is still the order of the day in the politics of the former Soviet Union and Eastern Europe as they emerge from decades of communism and try to forge new identities new economies new societies The Political Analysis of Postcommunism offers the perspectives of prominent political scientists historians sociologists philosophers and others each writing on a particular aspect of the transformation of society from communist to postcommunist forms Originally published in English and Ukrainian in 1995 in Kiev by the editors of the Ukrainian journal Political Thought this volume is written by those who have themselves lived through the changes Political scientists sociologists and others interested in the progress of postcommunist society in the independent formerly communist nations of Eastern Europe and Central Asia will profit from reading these thought provoking early insights into the world to come

Video Games between Postcolonialism and Postcommunism Andrei Nae,2025-12-14 Although in recent years there has been a growing interest in the racial politics of video games the wider context of colonialism is yet to benefit from the same level of academic consideration Moreover when colonialism is tackled directly the approach is limited to a Global North Global South or West East binary that does not do justice to the multiple forms of coloniality that have existed around the world This volume sets out to fill the existing gap in scholarship on colonialism in video games by featuring a collection of essays that together provide insight into the complex ramifications of coloniality and its multiple intersecting power structures not only in video games of the Global North Global South or West East divides but also in regions traditionally overlooked by postcolonial theory One such region that this volume focuses on is Eastern Europe and its postcommunist contexts that intersect with coloniality in video games produced inside or outside the region Through its methodological diversity and non provincial understanding of colonial power relations the present volume will offer scholars and students of game studies and area studies a rich perspective on video games entanglement with colonial legacies *American Representations of Post-Communism* Andaluna Borcila,2014-07-11 With the televised events of 1989 territories of Eastern and Central Europe that had been marked as impenetrable and inaccessible to the Western gaze exploded into visibility As the narratives of the Cold War crumbled new narratives emerged and new geographies were produced on and by American

television Using an understudied archive of American news broadcasts and tracing their flashes and echoes through travel guides and narratives of return written by Eastern European Americans this book explores American ways of seeing and mapping communism s disintegration and the narratives articulated around post communist sites and subjects

Encyclopedia of Government and Politics M. E. Hawkesworth, Maurice Kogan, 2004 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers Imagining

Postcommunism Beverly A. James, 2005-03-29 Although the 1956 Hungarian uprising failed to liberate the country from Soviet domination it became a symbol of freedom for people throughout Eastern Europe and beyond Labeling the events a counterrevolution communist authorities exacted revenge in two years of terror and intimidation Then for the next thirty years they pursued a policy of forced forgetting attempting to obliterate public memory of the events As communism unraveled in the late 1980s the 1956 revolution was resurrected as inspiration for a new political order In Imagining Postcommunism Beverly James demonstrates how 1956 became a foundational myth according to which the bloody events of that fall led to the ceremonial reburial of the martyred prime minister Imre Nagy in 1989 free elections in 1990 and the withdrawal of the last Soviet soldiers on June 19 1991 She shows how museums monuments and holiday rituals have aided the construction of a new Hungary through the reclamation and expression of competing memories of the critical events of 1956 Surveying the dazzling array of ceremonies exhibitions and memorials commemorating the revolution and its heroes James invites readers to consider the difference between the communist regime s master narrative of 1956 with its smug false unity and the multiple polemical stories woven by competing political forces in postcommunist Hungary A thoughtful application of communication and historical theories on the uses of memory this study offers a unique perspective on a crucial episode in the history of Eastern Europe Encyclopedia of Government and Politics Mary Hawkesworth, Maurice

Kogan, 2013-11-07 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles

provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers

The Romanian Mass Media and Cultural Development David Berry, 2017-07-05 This compelling book assesses the development of the mass media since the Romanian Revolution in December 1989 and the media's impact on cultural development the public sphere civil society and democracy It controversially claims that Romania's failure to experience a thoroughgoing enlightenment project in its entire history remains a major obstacle for producing democratic ownership of the media and democratic development of society Analyzing both the print and broadcast media and their respective effects on development the book also discusses the effects of Romanian law on media and societal development ethics and media responsibilities It concludes however that far from having an absolutely negative impact on Romanian post communism the media has helped produce a contradictory empirical form that equally contains positive moments in terms of subjective cultural development

Gender and Identity Construction Feride

Acar, Güneş-Ayate, 2021-12-28 This volume deals with issues and problems of national and gender identity in Central Asia the Caucasus and Turkey Articles discuss experiences and position of women vis vis state intervention economic political and cultural change in both public and private spheres of life In the book the real life conditions and experiences of women are analyzed on three complementary levels The first of these is the economic and institutional circumstances shaped by structural adjustment policies globalization and transnational policies The second is realities of everyday life particularly pertaining to family religion tradition and education The third level is that of politics and ideology where national and nationalist discourses often build on the gender identity shaped by the economic and social levels The book does not only present a cross cultural analysis of women's position in the region but also reflects the varied perspectives of female scholars from many different countries and disciplines

The Social Sciences Empowered Ford Lumban Gaol, Fonny

Hutagalung, Chew Fong Peng, 2020-04-14 The Social Sciences Empowered contains papers presented at the 7th International Congress on Interdisciplinary Behavior and Social Science 2018 ICIBSoS 2018 held 21-22 July 2018 Bangkok Thailand 22-23 September 2018 Bali Indonesia 6-7 October 2018 Kuta Bali Indonesia and 24-25 November 2018 Yogyakarta Indonesia ICIBSoS 2018 provided the economic and social analysis necessary for addressing issues in Humanities disciplines such as Education Sociology Anthropology Politics History Philosophy Psychology as well as food security Contributions to these proceedings give necessary insight into the cultural and human dimension of such diverse research areas as transport climate change energy and agriculture ICIBSoS 2018 also analyses the cultural behavioural psychological social and institutional drivers that transform people's behaviour and the global environment ICIBSoS 2018 proposes new ideas

strategies and governance structures for overcoming the crisis from a global perspective innovating the public sector and business models promoting social innovation and fostering creativity in the development of services and product design

Plural and Multiple Geographies of Modern and Contemporary Art in East-Central Europe Caterina

Preda, Magdalena Radomska, 2024-11-29 This edited volume proposes a theoretical reflection on the different artistic geographies of East Central Europe ECE from an interdisciplinary perspective found at the intersection of art history art and politics and critical geography Contributors argue that this multiplicity is a defining feature of the region At the same time chapters employ the concept of plural geographies and call for an equal geography based on solidarity and an equal distribution of capital which could allow plural geographies to exist and be described The multiple geographies of ECE consider the perspective of local conditions and emphasize how this region was part of successive empires with an important ethnic diversity and changing borders giving it historical layers and multicultural characteristics The book will be of interest to scholars working in art history political studies cultural studies and geography Writing Postcommunism D. Williams, 2013-08-16 Moving through the elegiac ruins of the Berlin Wall and the Yugoslav disintegration Writing Postcommunism explores literary evocations of the pervasive disappointment and mourning that have marked the postcommunist twilight

This book delves into Post Communism An Introduction. Post Communism An Introduction is a vital topic that must be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Post Communism An Introduction, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Post Communism An Introduction
 - Chapter 2: Essential Elements of Post Communism An Introduction
 - Chapter 3: Post Communism An Introduction in Everyday Life
 - Chapter 4: Post Communism An Introduction in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, this book will provide an overview of Post Communism An Introduction. The first chapter will explore what Post Communism An Introduction is, why Post Communism An Introduction is vital, and how to effectively learn about Post Communism An Introduction.
3. In chapter 2, the author will delve into the foundational concepts of Post Communism An Introduction. This chapter will elucidate the essential principles that must be understood to grasp Post Communism An Introduction in its entirety.
4. In chapter 3, the author will examine the practical applications of Post Communism An Introduction in daily life. This chapter will showcase real-world examples of how Post Communism An Introduction can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Post Communism An Introduction in specific contexts. This chapter will explore how Post Communism An Introduction is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Post Communism An Introduction. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Post Communism An Introduction.

Post Communism An Introduction Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Post Communism An Introduction PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Post Communism An Introduction PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Post Communism An Introduction free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
