Autobiographies William Matthews,2023-04-28 British Autobiographies An Annotated Bibliography of British Autobiographies
Published or Written Before 1951 compiled by William Matthews is an essential resource for scholars researchers and
anyone interested in personal narratives Spanning four centuries this extensive bibliography catalogs a wide range of
autobiographical works capturing the voices of individuals from all walks of life From statesmen and soldiers to artists
explorers and even everyday people these entries offer a window into the diverse experiences that shaped British history and
culture Matthews and his team meticulously gathered these works from major libraries across the United States the United
Kingdom and other locations ensuring a comprehensive collection that sheds light on both famous and lesser known
autobiographical voices This bibliography is not only a valuable tool for literary scholars studying the evolution of
autobiographical writing but also for historians psychologists and social scientists interested in understanding personal
accounts of significant historical events and societal shifts Matthews work opens up new possibilities for exploring the
autobiographical genre as a reflection of both individual lives and broader cultural trends With its rich diversity of subjects
and detailed annotations British Autobiographies serves as a vital reference for anyone researching the personal dimensions
of British history This title is part of UC Press s Voices Revived program which commemorates University of California Press
s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to
1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology
This title was originally published in 1955 **Ultimate Folly** Henry Macrory,2018-06-12 A gripping story of greed treachery
and ruthless ambition Few people have led such an extraordinary life as Whitaker Wright Few have died in such sensational
circumstances Beginning his career as an impoverished preacher Wright crossed the Atlantic to prospect for gold surviving a
Native American massacre before he made his fortune Then the bubble burst Leaving behind a string of angry investors he
fled to England to start again Soon he was one of the world s richest men At his 10 000 acre estate in Surrey he employed an
entourage of seventy seven staff moved a hill that blocked his view and built an underwater glass smoking room On his vast
steam yacht he entertained the Prince of Wales the Kaiser and half of Britain s aristocracy His downfall was as dramatic as
his ascent On the last trading day of the nineteenth century his financial empire which he had propped up by cooking the

books went belly up This time the trail of furious investors stretched all the way to the Prime Minister With the police in hot pursuit Wright fled to New York but his escape was short lived At the end of what the press dubbed the most dramatic trial of modern times he was sentenced to seven years in jail Minutes later he sprang a last dreadful surprise Other great swindlers have followed in Wright s footsteps but none have surpassed him in daring and shamelessness Drawing on family papers and archives from around the world this compelling account of Wright s life reads like a thriller and offers an insight into the mind of the ultimate gambler and conman The Spectator ,1912 A weekly review of politics literature theology and art

Why We Fought Clinton Hartley Grattan,1929 **Militarism and the British Left, 1902-1914 M.**

Johnson,2013-01-11 Militarism has traditionally been regarded as a phenomenon of the political right As this book demonstrates however various groups on the political left in Britain during the years before the Great War were able to accommodate and even assimilate militaristic ideas sentiments and policies to a remarkable degree **The State of**

Freedom Patrick Joyce,2013-04-04 Patrick Joyce offers a bold and highly original contribution to the history and theory of the state Sailor-Scholar Barry D. Hunt,2006-01-01 Admiral Sir Herbert Richmond was a unique phenomenon in the

Victorian Edwardian navy a professionally competent and successful officer who was also an intellectual writes the author This was enough to ensure that his progress would be stormy This thoroughly documented biographical study of Richmond s professional career reveals a fully experienced clear thinking officer with a profound understanding of naval history a restless and uncompromising personality and a passionate concern with naval strategy the art of war and the most effective training programme for officers Richmond persistently challenged the accepted practices and prejudices of the naval profession He and his small group of disciples the Young Turks found themselves in the thick of the most crucial controversies in the British Navy In spite of frequent official displeasure however Richmond became an influential naval historian and educator responsible for the creation of the modern naval staff and the Imperial Defence College The volume rests on extensive research in the official records and the private papers of Richmond and his close associates It will interest not only naval historians but also those with a general interest in the impact of one man s thought and actions on Britain s defence policy and the outcome of two World Wars **Bulletin of the Library Company of Philadelphia** Library

Company of Philadelphia,1929 Defending Albion K. W. Mitchinson,2005-02-07 Defending Albion is the first published study of Britain s response to the threat of invasion from across the North Sea in the first two decades of the Twentieth Century It examines the emergency schemes designed to confront an enemy landing and the problems associated with raising and maintaining the often derided Territorial Force It also explores the long neglected military and political difficulties posed by the spontaneous and largely unwanted appearance of the Dad s Army of the Great War the Volunteer Force *Churchill, Borden and Anglo-Canadian Naval Relations, 1911-14* Martin Thornton,2013-11-19 In 1911 Winston S

Churchill and Robert L Borden became companions in an attempt to provide naval security for the British Empire as a naval

crisis loomed with Germany Their scheme for Canada to provide battleships for the Royal Navy as part of an Imperial squadron was rejected by the Senate with great implications for the future *Universities and the State in England, 1850-1939* Keith Vernon, 2004 This book studies the development of the modern university system in England from the mid nineteenth century to the outbreak of the Second World War focusing on the role of the state
