The Rake's Redemption Regina Scott, 2018-04-16 Revisit this classic Regency romance by Regina Scott Even infamous duelist and poet Vaughn Everard has qualms about dragging an innocent lady into his quest for revenge But Imogene Devary is the daughter of the man suspected of murdering Vaughn's uncle Surely that makes her fair game in order to uncover the truth Can the man who writes such moving verse be beyond redemption Imogene can't believe so In taming Vaughn's heart and healing the rift between their families she's sure she's found her calling Then his mission to unmask a killer reveals a terrifying plot Only together can they safeguard his legacy their newfound love and England's very future Originally published in 2012

Her Rebellious Prince Tracy Cooper-Posey, The Prince kisses her instead of her twin sister Elise never intends to marry Marriage is far too restricting in her estimation Instead she grasps what freedom there is in running her Great Aunt Annalies boarding house When Danyal newly crowned Prince of Pandev kisses her by mistake her delicately balanced contentment is shattered Danyal isn't in England to find a wife as society believes An English wife would offend the Balkan Separatists who threaten his principality Such a wife would also defeat his desire to separate his family from the stained reputation which dogs it which the former Prince his uncle Kosta was never fully successful in removing So why can he not stop thinking about that simple delightful kiss and the woman he held in his arms for only a moment This book is part of the Scandalous Family The Victorians This is the second spin off series to feature a new generation of the Great Family who are now scattering across Europe and beyond in search of adventure and love This story is part of the Scandalous Family The Victorians series 1 0 His Parisian Mistress 2 0 Her Rebellious Prince 3 0 Their Foreign Affair 4 0 His Outrageous Proposal and more to come A Victorian Era Historical Romance

Women's Sexual Experience Martha Kirkpatrick,2012-12-06 This book like its companion volume Women s Sexual Development is a potpourri of ideas not campaign literature to promote a particular point of view The editor agrees with some of her authors and strongly disagrees with others The facts are few the questions many The intent of both books is to evoke questions delay convictions invite controversy and plead for opening minds The examination and ex planation of women s sexual experience has long been the province of men The is and the oughts have been hopelessly confused by the investigators or exhorters biases and limited experience as well as by the use of the male sexual experience as the model for all human sexual experience Women at long last are talking not only to each other in personal journals and letters but also in the more formal worlds of academic and scientific publications The papers in this book come from many sources Some are aca demic some are experiential journalistic or personal Several empha size the lack of adequate research and data but address an issue that is just appearing on the surface of contemporary controversy and con cern Many topics and sources of information are missing
