Ride The High Waves:

Ride the Giant Waves with Garrett McNamara Carol Parenzan Smalley, 2019-12-05 Garrett McNamara or G Mac dreams of being the first to ride a 100 foot wave As the current tow in surfing champion of the world the Hawaiian surfer trains daily pushing his body to its limit as he prepares for gnarly waves crashing surf breathtaking plunges and adrenaline rushing rides Garrett knows no limits Injured multiple times he has been towed onto and released into giant waves by skidoos and even a helicopter He has starred in an IMAX film called Big Wave Hunters about his extreme adventures and he has worked on creating an extreme surfing reality television show In this AUTHORIZED BIOGRAPHY with eye popping photographs Garrett shares his passion with young readers *Ride the Wave of Change* Norman Mitchell, 2005-07-27 Whether or not you like to surf theres a lot you can learn about navigating change in your own life by applying lessons from those who ride the waves of the great blue sea Ocean surfers blend mental concentration with physical dexterity to become one with the wave They combine incredible strength and balance with a laid back attitude that lets them forget their wipeouts and look forward to riding the next wave Norman Mitchell an organizational psychologist with more than twenty five years of experience as a management and performance consultant delivers tips on using the same skills to embrace whatever waves come in your daily life Learn how to face unexpected changes and uncertainties with optimism and confidence maintain a level head during times of transition and uncertainty remain positive even when facing scary waves overcome fears that come with formidable challenges Riding the waves of the ocean and life can be exciting but if you arent flexible responsive and courageous the results can be disastrous By learning from ocean surfers youll be equipped to handle whatever changes and challenges come at you I like this better as the keynote to grab someones attention *Ride the Wave of Change* is a refreshing adventure that not only offers the reader sage advice but speaks directly to the core of ones desire for self sufficiency Margaret Mohr management consultant ***Saving America's Beaches*** Scott L. Douglass, 2002 This book tells you where beach sand comes from how waves are formed and how they break and move sand down the coast how OC works of man OCO have blocked this movement and caused beach erosion and what can be done to save the beaches for future generations of Americans A three part prescription for healthy beaches is proposed OC backing off OCO OC bypassing sand OCO and OC beach nourishment OCO So if you love waves and beaches and care about the future of your favorite beach spot then read this book while you enjoy the beach ***New educational music course*** , 1906 ***Women on Waves*** Jim Kempton, 2021-07-06 A captivating look at two centuries of surfing the Sport of Queens from Native Hawaiian royalty to the breakout style and jaw dropping feats on the waves today Few subjects in the world of sports and or the outdoors is more timely or compelling than women s surfing From smart strong fearless women shattering records on 80 foot waves to professional athletes fighting for equal pay and a more fair and just playing field these amazing wave riding warriors provide an inspirational and aspirational cast of powerful role models for women and men across all backgrounds and generations Over the past two hundred years

and especially the past five decades the surfing lifestyle have become the envy of people around the world The perception of sun sand surf strong young women and their inimitable style has created a booming lifestyle and sports industry and the sport that is set to make it s Olympic exhibition debut in Tokyo 2021 A massive shift from when colonizers tried to extinguish all traces of Native Hawaiian surfing and its sacred culture What is it about the surfing that intrigues people of all ages from all corners of the world The beaches and idyllic locations The unique style and mystique that surfers project These women on the beach and riding giant waves or in the media have made their mark on not just their sport but our wider culture Women on Waves is filled with phenomenal athletic performance breakthrough female achievements and plenty of inspiration and fun to see us through until the time when we can all hit the surf once more Spanning a millennia From Hawaii to Malibu New York to Australia South Africa to the South Pacific and beyond Jim Kempton presents a fascinating new narrative that will captivate anyone who loves sports and the outdoors *The Surfer's Guide to Waves, Coasts and Climates* Tony Butt,2009
