Scientific Healing Affirmations

Paramahansa Yogananda

Scientific Healing Affirmations:

Scientific Healing Affirmations Paramahansa Yogananda, 2021-11-18 There are hidden powers behind the human body's ability to heal itself. This book revealed the secret practices of affirmation as a healing method and started the science of concentrated thought in Western culture. Today this art is embraced in hospitals, recovery programs, or corporate offices. Yet it is not always efficient. To learn why it works in some cases and doesn't work in others, we offer to get back to the origins of the art of affirmation and learn the practical principles that make this psychological tool so effective. This book uncovers the tools helping you get healthier, overcome life obstacles, develop confidence, awaken inner wisdom, and much more.

Scientific Healing Affirmations Paramahansa Yogananda, 2013-01-14 *Scientific Healing Affirmations* by Paramahansa Yogananda. Based on the original 1925 edition. *Scientific Healing Affirmations* Paramahansa Yogananda, 2021-12-15 *Scientific Healing Affirmations* is a beloved classic book of the great yoga master Paramahansa Yogananda, 1893-1952, author of *Autobiography of a Yogi*. This is a reprint of the original 1924 classic by Yogananda, a pioneering work in the field of self-healing and self-transformation. Yogananda explains that words are crystallized thoughts and have life-changing power when spoken with conviction, concentration, willpower, and feeling. This book offers far more than mere suggestions for achieving positive attitudes. Yogananda explains in simple language how affirmations can recreate us physically, mentally, and spiritually. He offers us more than mere suggestions for a positive attitude, showing us how to impregnate our words with spiritual force. This little book will be a treasured companion on the road to realizing your highest divine potential. Added to this text are over fifty of Yogananda's well-loved Short Affirmations taken from issues of *East West* and *Inner Culture* magazines from 1932 to 1942. This little book will be a treasured companion on the road to realizing your highest divine potential.

Scientific Healing Affirmations (Hardcover Library Edition) Paramahansa Yogananda, 2021-06-10 First published in 1924, *Scientific Healing Affirmations* is a handbook to optimistic and potent thought by Paramahansa Yogananda, an Indian Hindu monk, yogi, and guru who presented millions to the teachings of meditation and Kriya Yoga through his organization, Self-Realization Fellowship, Yogoda Satsanga Society of India, and who lived his last 32 years in America. This work was far ahead of its time in demonstrating how influential and useful positive affirmations can be in one's daily life. Now a mainstream tradition and embraced by the medical and scientific community for how affirmations can significantly improve one's psychological and physical state, Yogananda was one of the first to bring this ancient Eastern spiritual practice to America and the West. Thorough, extensive, hopeful, and available, this guides readers in integrating affirmations into their lives and continues to be one of the most important books ever written on this powerful and life-changing practice. **Top 10 Hardcover Library Books** *A Wrinkle in Time* 9789389440188 *How to Stop Worrying and Start Living* 9789387669161 *Their Eyes Were Watching God* 9789389440577 *The Magic of Believing* 9789388118217 *Zen in the Art of Archery* 9789354990298 *A Cloud by Day, a Fire by Night* 9789391181611 *Siddhartha* by Hermann Hesse 9789387669116 *The Richest Man in Babylon*
