Scolds Bridle 1st Edition

D Keegan

Scolds Bridle 1st Edition:

Hudibras. Pt. 1-3, ed. by A. Milnes Samuel Butler, 1883 *The Antiquary*, 1906 *The Antiquary* Edward Walford, John Charles Cox, George Latimer Apperson, 1906 **Renaissance Woman: A Sourcebook** Kate Aughterson, 2003-09-02

Renaissance Woman A Sourcebook is an invaluable collection of accounts of women and femininity in early modern England. The volume is divided thematically into nine sections each with an accessible introduction, notes on sources and an annotated bibliography. The sections are Theology, Biology, Conduct, Sexuality and Motherhood, Politics and Law, Education, Work, Writing and Speaking, Feminism. Renaissance Woman A Sourcebook brings together sources ranging from medical documents and political pamphlets to sermons and the Bible as well as literary sources. Providing a historical context to issues of gender in the Renaissance, it will be essential reading for students of the period, gender studies and cultural history.

Collected Books ALLEN OSB; AHEARN AHEARN (PATRICIA.), Patricia Ahearn, 2013-02. An introduction to and advice on book collecting with a glossary of terms and tips on how to identify first editions and estimated values for over 20 000 collectible books published in English including translations over the last three centuries; about half are literary titles in the broadest sense: novels, poetry, plays, mysteries, science fiction and children's books, and the other half are non-fiction: Americana, travel and exploration, finance, cookbooks, color plate, medicine, science, photography, Mormonism, sports, etc. al. Liverpool in king Charles the second's time, ed. by W.F. Irvine with a hist. intr. and notes sir Edward Moore (1st bart.), 1899 **Australian National Bibliography**, 1995 *City news notes and queries [afterw.] Manchester notes and queries. Ed. by J.H. Nodal. Vol.1-8 [issued in 33 pt. Wanting pt.1,5].* Manchester city news, 1878 *Punishments of Former Days* Ernest W. Pettifer, 1992. A book written in 1939 and later discovered and rescued by Waterside Press that gives a detailed account of the often barbaric or shameful punishments used in former times. Since this book was first published in the 1950s the description it contains of the history of crime and punishment in Britain over the previous 200 years or so has attracted interest across a wide spectrum. The work was reprinted in 1992 by Waterside Press having been out of print for decades. The contents cover a wide range of historic punishments from outlawry to the ducking stool, the pillory, stocks and whirling to the branding iron and scold's bridle. From mutilation and torture to sanctuary and the emergence of private and then public prisons, this is an essential addition to any criminal justice collection, imbued as it is by the comments of the author from the perspective of his own era which provides for fascination in itself. Printed in the original style and format together with a large number of the original illustrations. Quite absorbing. The book transports the reader to a time when punishments were often brutal, unrestrained and unregulated by standards of fairness or consistency. It also looks at the sometimes strange logic that was applied by judges, justices of the peace and those charged with carrying out the task. **AB Bookman's Weekly**, 1997

Scolds Bridle 1st Edition Book Review: Unveiling the Power of Words
