Lost Between Stars Gregory P. Martin, 2017-05-16 It is 2299 in the distant world New Hope Peter West was on the verge of graduating from his primary school with big dreams for his future With a starship license burning a hole in his pocket he dreamed of someday owning his own spacecraft Peter wanted to see what was out there and believed his only opportunity to do this was to join the Space Explorers if they would only have him Talented young pilot or not Peter s skills may not be enough to make the cut And of course there was the Galactic Lottery drawing which was to take place on Earth s New Year s Day after five years of selling tickets on three worlds the grand prize being a state of the art starship Were Peter s dreams about to come true But he wasn t the only one with their eyes on the starship The syndicate operated out of the massive Gateway space station under the very noses of Earth s Space Rangers With their evil grips around the throats of key station personnel they were able to hide their operation and carry out their criminal plans unabated Felix Sandoval owed the syndicate big time and was about to do something he may live to regret Along with the starship prize came a trip to Earth

Peter's ancestral home world One way or another Peter's dreams were about to come true Setting foot on another planet the freedom of space but dreams sometimes turn into nightmares Luck turns bad villains ruin plans and of course the chaos of space travel The void is unforgiving In his travels he learns the answer to one of mankind's burning questions one that had been asked for millennia and would change the course of mankind forever Are we alone If only he could survive being Lost Between Stars
