Country Life ,1904 **Me** Janis Fountain,2022-08-05 I was nothing Like so many more animals tucked away from public view hidden in hot garages desolate locations and cages I was nothing more than a money making machine I was starved neglected void of kind humane contact My job was to produce a product that could reap the best rewards with very little investment I had to produce beautiful and desirable registered pups to be sold around the world to the highest bidder As for me I was disposable I had to produce as many litters of pups as possible When I could no longer
