The Clans & Tartans of Scotland Peter B. Stuart, 2015-09-29 In Clans and Tartans of Scotland you ll take a look at some of the oldest and most historic families of Scotland Tracing back to the 19th century the stories of Scottish clans and their heritage is expounded upon this this great volume A Scottish clan is a kinship group among the Scottish people Clans give a sense of shared identity and descent to members and in modern times have an official structure recognized by the court in Scotland which regulates Scottish heraldry and coats of arms Most clans have their own tartan patterns usually dating from the 19th century which members may incorporate into kilts or other clothing The clans are irrevocably linked to Scotland s rich and turbulent past and have left a lovely legacy of castles and stately homes many of which are the seats of the clans today It is a common misconception that every person who bears a clan s name has a direct bloodline to the original clan chief This is not so Many clansmen although not related to the chief took the chief s surname as their own to either show solidarity to obtain basic protection or for much needed sustenance The Clans Tartans of Scotland explores the fascinating heritage of over one hundred of Scotland s most famous clans and biggest families together with their illustrious and historic tartans

Clans and Tartans of Scotland James Mackay, 2000-10 The history of the clans reaches back into the mists of antiquity On the strength of a surname alone families can claim kinship with people who existed a thousand years ago The origins of the distinctive cloth patterns collectively known as tartan are however shrouded in controversy Tartans are now inextricably linked with the story of the clans and are the most evocative symbol of the clan as well as of Scotland While kilts have been worn in Ireland as long as they have in Scotland they were of plain cloth in shades of green brown or yellow Tartan was once a uniquely Scottish phenomenon though it has spread to Ireland as well as other parts of the world relatively recently Most of the Scottish tartans as we know them today date back no further than the 1820s when King George IV visited Scotland dressed in a kilt complete with flesh colored tights This sight while perhaps rather ludicrous triggered the craze for tartan that endures to this day Now the number of tartans runs to many hundreds Clans Tartans includes over 300 tartans their derivation and ancestry and a short history of the clan associated with them They are listed alphabetically in an easy to use format with sections for both Scottish and Irish clans and tartans Discover the proud traditions of Scotland s and Ireland s clans in this beautifully illustrated and informative book Provided by Goodreads
