Scotlands Chronicles Of Blood:

The Borders Alistair Moffat, 2011-08-12 This is the story of a part of Scotland that has played a huge role in the nation's history for thousands of years The hunter gatherers who first discovered the bounty of the ancient Wildwood the Celtic warlords the Romans the Northumbrians and the Reivers who dominated the Anglo Scottish borderlands for more than three centuries have all had their part to play in the constantly evolving life of the area It is the people of a place who make its history Alistair Moffat's acclaimed book is a testament to those who have made the Borders their home and who have created the traditions myths and romance that define it so strongly Cultures of Shame D. Nash, A. Kilday, 2010-10-20 The first systematic study of the concept of shame from 1600 1900 showing good and bad behaviour morality and perceptions of crime in British society at large Single episodes in the history of shame are contextualized by discussing the historiography and theory of shame and their implications for the history of crime and social relations Bloody Valentine Douglas Skelton, 2004-06-07 Love is the strongest emotion It can bring people together but it can also drive them apart For love can become twisted and evil And if obsession jealousy and suspicion take hold all other feelings can be prevented and sometimes lead to murder In this disturbing catalogue of bloody valentines crime writer and journalist Douglas Skelton delves into the darker side of Scotland's psyche to uncover chilling crimes of passion where love turned sour and the outcome was lethal

The Guide to Mysterious Aberdeen Geoff Holder, 2010-11-23 Aberdeen is full of mysteries marvels and strangeness and this book is a comprehensive guide to them all Here you will encounter magic witchcraft folklore and superstitions contemporary urban legends gargoyles and graveyards graverobbers and murderers stone circles and prehistoric burial sites UFOs and freak weather and tales of horror madness humour and dangerous porridge Many forgotten aspects of the city's strange history are here from the disturbing spontaneous human combustion William Wallace's dismembered limbs the man who died of fright after a mock execution and the bodysnatching professors to the downright bizarre a talking statue a wedding celebration which was mistaken for an alien invasion fleet and golf with giant skulls **The Guide to Mysterious Aberdeen** is the tenth in Geoff Holder's acclaimed series As with the previous volumes it is profusely illustrated with over 100 photographs and draws on both ancient and modern sources Full access and location details are given for both driver and walker alike making this the indispensable companion for anyone exploring the Granite City **Glasgow's Black Heart** Douglas Skelton, 2011-03-11 Glasgow is the largest city in Scotland It is a city of culture of impressive architecture enterprise and endeavour and is one of warm hearted generous people But it also has a dark side Beneath the busy streets the Victorian sandstone and urban trendiness lies a black heart that beats in rhythm with the roar of the traffic and the echo of footsteps on concrete It is a black heart pumped by greed and lust violence and murder And it has beaten since the city first sprang up on that dear green place on the banks of the Molendinar Burn This is the epic story of Glasgow crime Beginning in 1624 when the Tolbooth was built at Glasgow Cross to house the courts and town jail author Douglas Skelton covers four centuries

of Glasgow's hidden history tracing the formation of the first paid police force in Britain the Black Assizes of the circuit court and the formation of the city's own High Court of Justiciary Here you will find the pimps and pushers gangsters and gangleaders rioters and robbers who flooded the veins of the city Famous felons rub shoulders with their less notorious but equally vicious counterparts Here also are the thief takers cops lawyers and judges who tried to stem the gushing flow some with more success than others These stories may not be what the City Fathers would like to see on Glasgow's CV but they are as much a part of its traditions and its legacy as the fish the bell and the tree *Perthshire Murders* Geoff

Holder,2010-10-15 Nineteenth century crime in Perthshire *Dark Heart* Douglas Skelton,2012-08-17 The Old Tolbooth Jail Edinburgh's Bastille was for five centuries the capital's heart of darkness The tall turreted building blocked the High Street like a stone sentinel at the gates of Hell In its early days it played host to the Scottish Parliament and the Court of Session but eventually it became the main jail of the Old Town And it was a hellhole the very epitome of what Scots Law called squalor carceris a foul dingy plague infested purgatory that was nevertheless an integral part of the history of the Old Town and the nation Not for nothing did Sir Walter Scott dub it the Heart of Midlothian It was home to rich and poor noble and ignoble master and servant Thieves debtors murderers and rebels all rotted in its filthy cells many spending their final hours there before surrendering to the tender mercies of an executioner to be hanged beheaded or burned Now for the first time the complete story of the Old Tolbooth is told from its proud beginnings to its final downfall at the hands of municipal vandals Featuring tales of some of the jail's unwilling residents including the noblemen who had their heads spiked on its tower the black magician who threatened a monarch and one who scandalised the town with tales of sexual depravity *Dark Heart* is the definitive account of one of the most interesting buildings in Edinburgh's history **Deadlier Than The Male** Douglas

Skelton,2003-06-15 Most killers are men But never turn your back on a woman Murder madness and maliciousness abound in this hangman's dozen of she devils Culled from over five hundred years of bloody history by crime writer and journalist Douglas Skelton these pages uncover the mad the bad and the dangerous to know Vengeful Queen Joan who made her husband's assassins pay a fearful price for their treason Beautiful Jean Livingston who bravely faced The Maiden after murdering her abusive husband Child killers Helen Torrence and Jean Waldie who sold their victim to anatomists Baby farmer Jessie King who dealt in flesh and death These cases together with a host of others prove that women are far from the gentler sex Most killers are men But women are more deadly *Hangman's Brae* Colin Duncan,Norman Adams,2013-02-21 *Hangman's Brae* is a vividly written account of the blood curdling crimes and brutal forms of punishment of north east Scotland The book explores the area's underworld and features the grave robbers jail breakers rioters and other lawbreakers whose crimes led them to premature deaths at the end of a rope or at the not so delicate hands of The Maiden a gruesome decapitating device predating the French guillotine The stories of the men who enforced the law and meted out sentences to the ne'er do wells who broke it can be just as interesting and memorable as those of the criminals and Norman Adams

introduces the reader to some of them Here you ll find some real characters such as the Aberdeenshire sheriff and criminal officer who always got his man once spending two chilling nights chained to a brutal murderer and rapist And it wasn t just hangings that these men had to perform their grisly work also involved execution by beheading and drowning often with some witch burning for good measure The many true crime cases in this book shed new light on just how violent and bloody the north east of Scotland s past was A Biographical Encyclopedia of Early Modern Englishwomen Carole Levin,Anna Riehl Bertolet,Jo Eldridge Carney,2016-11-03 From the exemplary to the notorious to the obscure this comprehensive and innovative encyclopedia showcases the worthy women of early modern England Poets princesses or pirates the women found in these pages are indeed worth knowing and this volume will introduce many female figures to even the most established scholars in the field The book is well illustrated and liberally sprinkled with quotations either by or about the women in the text
