Scottish Pipe Band Favourite:

A Social History of Amateur Music-Making and Scottish National Identity: Scotland's Printed Music, 1880-1951 Karen E. McAulay, 2024-10-30 Late Victorian Scotland had a flourishing music publishing trade evidenced by the survival of a plethora of vocal scores and dance tune books and whether informing us what people actually sang and played at home danced to or enjoyed in choirs or reminding us of the impact of emigration from Britain for both emigrants and their families left behind examining this neglected repertoire provides an insight into Scottish musical culture and is a valuable addition to the broader social history of Scotland The decline of the music trade by the mid twentieth century is attributable to various factors some external but others due to the conservative and perhaps somewhat parochial nature of the publishers output What survives bears witness to the importance of domestic and amateur music making in ordinary lives between 1880 and 1950 Much of the music is now little more than a historical artefact Nonetheless Karen E McAulay shows that the nature of the music the song and fiddle tune books contents the paratext around the collections its packaging marketing and dissemination all document the social history of an era whose everyday music has often been dismissed as not significant or indeed properly old enough to merit consideration The book will be valuable for academics as well as folk musicians and those interested in the social and musical history of Scotland and the British Isles *Schwann Spectrum*, 2001 *Warrior dreams* David Hesse, 2014-11-01 Why does a Parisian banker re enact the medieval wars of Wallace and Bruce in his spare time Why do more than 20 000 people attend the Schotse Weekend bagpipe competition in Bilzen Flanders Why does an entire village in the Italian Alps celebrate a lost Scottish regiment And why is there a Highland Games circuit of at least 30 kilted strength competitions in Austria with dedicated athletes tossing hay balls and pulling tractors This is the first study of the self professed Scots of Europe It follows the many thousands of Europeans who are determined to discover their inner Scotsman and argues that by imitating the Scots of popular imagination the self styled European Highlanders hope to reconnect with their own ancestors their lost songs traditions and tribes They approach Scotland as a site of European memory This book explores issues of performance and celebration memory and nostalgia heritage and identity and will be of interest to specialists on Scottish emigration and diaspora Scottish history and myth and to the Scots of Europe themselves *New South Wales Railway and Tramway Magazine*, 1923 *The Gramophone*, 1925 Gramophone Compton Mackenzie, Christopher Stone, 1983 **Musical Memoirs of Scotland** John Graham Dalyell, 1849 **Made in Scotland** Simon Frith, Martin Cloonan, John Williamson, 2023-09-29 Made in Scotland Studies in Popular Music serves as a comprehensive and thorough introduction to the history politics culture and musicology of twentieth and twenty first century popular music in Scotland The volume consists of essays by local experts and leading scholars in Scottish music and culture and covers the major figures styles and social contexts of popular music in Scotland Each essay provides adequate context so readers understand why the figure or genre under discussion is of lasting significance The book includes a general

introduction to Scottish popular music followed by essays organized into three thematic sections Histories Politics and Policies and Futures and Imaginings Examining music as cultural expression in a country that is both a nation and a region within a larger state this volume uses popular music to analyse Scottishness independence and diversity and offers new insights into the complexity of cultural identity the power of historical imagination and the effects of power structures in music It is a vital read for scholars and students interested in how popular music interacts with and shapes such issues both within and beyond the borders of Scotland
