Scottish History Society

Scottish Witchcraft Trials 1891:

Scottish Witchcraft Trials J. W. Brodie-Innes, 2014-03 This Is A New Release Of The Original 1891 Edition **Scottish Witches and Witch-Hunters** J. Goodare, 2013-10-31 This book brings together twelve studies that collectively provide an overview of the main issues of live interest in Scottish witchcraft As well as fresh studies of the well established topic of witch hunting the book also launches an exploration of some of the more esoteric aspects of magical belief and practice

SCOTTISH WITCHCRAFT TRIALS J. W. BRODIE-INNES, 2019 *The Witches of Fife* Stuart MacDonald, 2014-08-01 Along the coast of Fife in villages like Culross and Pittenweem history records that some women were executed as witches Nevertheless the reality of what happened the night that Janet Cornfoot was lynched at Pittenweem is hard to grasp as one sits by the harbour watching the fishing boats unload their catch and the pleasure boats rising with the tide How could people do this to an old woman Why was no one ever brought to justice And why would anyone defend such a lynching The task of the historian is to try to make events in the past come alive and seem less strange The details of the witch hunt are fascinating Some of the anecdotes are strange The modern reader finds it hard to imagine illness being blamed on the malevolence of a beggar woman denied charity or the economic failure of a sea voyage being attributed to the village hag not bad weather Witch hunting was related to ideas values attitudes and political events It was a complicated process involving religious and civil authorities village tensions and the fears of the elite The witch hunt in Scotland also took place at a time when one of the main agendas was the creation of a righteous or godly society As a result religious authorities had control over aspects of people's lives which seem as strange to us today as beliefs about magic or witchcraft It was not accidental that the witch hunt in Scotland and specifically in Fife should have happened at this time This book tells the story of what occurred over a period of a century and a half and offers some explanation as to why it occurred **Scottish Witchcraft Trials** John William Brodie-Innes, 1890 *Demonology and Witchcraft* Jean-Pierre Coumont, 2021-11-01 Extensive bibliography on demonology and witchcraft systematically describing all materials including books monographs conference reports and doctoral dissertations covering these subjects subjects from the 15th century to the 21st century 5000 entries and indices on author subject and anonymous works *Nelson's Encyclopaedia*, 1907 **Publications of the Scottish History Society** Scottish History Society, 1917 **Rediscovering Renaissance Witchcraft** Marion Gibson, 2017-11-27 Rediscovering Renaissance Witchcraft is an exploration of witchcraft in the literature of Britain and America from the 16th and 17th centuries through to the present day As well as the themes of history and literature politics and war genre and intertextuality the book considers issues of national identity gender and sexuality race and empire and more The complex fascination with witchcraft through the ages is investigated and the importance of witches in the real world and in fiction is analysed The book begins with a chapter dedicated to the stories and records of witchcraft in the Renaissance and up until the English Civil War such as the North Berwick witches and the work of the Witch Finder Generall Matthew Hopkins The

significance of these accounts in shaping future literature is then presented through the examination of extracts from key texts such as Shakespeare's *Macbeth* and Middleton's *The Witch* among others. In the second half of the book the focus shifts to a consideration of the Romantic rediscovery of Renaissance witchcraft in the eighteenth century and its further reinvention and continued presence throughout the nineteenth, twentieth and twenty-first centuries, including the establishment of witchcraft studies as a subject in its own right, the impact of the First World War and end of the British Empire on witchcraft fiction, the legacy of the North Berwick Hopkins and Salem witch trials, and the position of witchcraft in culture, including filmic and televisual culture today. Equipped with an extensive list of primary and secondary sources, *Rediscovering Renaissance Witchcraft* is essential reading for all students of witchcraft in modern British and American culture and early modern history and literature. Bulletin of the Public Library of the City of Boston Boston Public Library, 1921

If you ally infatuation such a referred **Scottish Witchcraft Trials 1891** ebook that will have the funds for you worth, acquire the categorically best seller from us currently from several preferred authors.
