Brearton**

Scottish Poetry A Critical Survey:

Scottish Poetry James Kinsley, 1974 **Scottish Poetry** James Kinsley, 1977 **Scottish Poetry. A critical survey.**
Edited by J. Kinsley James Kinsley, 1955 Scottish Poetry, a Critical Survey. Edited by James Kinsley, 1955 **The**
Mainstream Companion to Scottish Literature Trevor Royle, 2012-01-06 The Mainstream Companion to Scottish Literature is the most comprehensive reference guide to Scotland's literature covering a period from the earliest times to the early 1990s. It includes over 600 essays on the lives and works of the principal poets, novelists, dramatists, critics and men and women of letters who have written in English, Scots or Gaelic. Thus, as well as such major writers as Robert Henryson, William Dunbar, Gavin Douglas, Allan Ramsay, Robert Fergusson, Robert Burns, Walter Scott, Robert Louis Stevenson and Hugh MacDiarmid, the Companion also lists many minor writers whose work might otherwise have been overlooked in any survey of Scottish literature. Also included here are entries on the lives of other more peripheral writers such as historians, philosophers, diarists and divines whose work has made a contribution to Scottish letters. Other essays range over such general subjects as the principal work of major writers, literary movements, historical events, the world of printing and publishing, folklore, journalism, drama and Gaelic. A feature of the book is the inclusion of the bibliography of each writer and reference to the major critical works. This comprehensive guide is an essential tool for the serious student of Scottish literature as well as being an ideal guide and companion for the general reader. **The New Cambridge Bibliography of English Literature**
George Watson, Ian Roy, Willison, 1974 Modern Irish and Scottish Poetry Peter Mackay, Edna Longley, Fran Brearton, 2011-04-14 The comparative study of the literatures of Ireland and Scotland has emerged as a distinct and buoyant field in recent years. This collection of new essays offers the first sustained comparison of modern Irish and Scottish poetry, featuring close readings of texts within broad historical and political contextualisation. Playing on influences, crossovers, connections, disconnections and differences, the affinities and opposites traced in this book cross both Irish and Scottish poetry in many directions. Contributors include major scholars of the new archipelagic approach as well as leading Irish and Scottish poets providing important insights into current creative practice. Poets discussed include W. B. Yeats, Hugh MacDiarmid, Sorley MacLean, Louis MacNeice, Edwin Morgan, Douglas Dunn, Seamus Heaney, Ian Hamilton Finlay, Michael Longley, Medbh McGuckian, Nuala ni Dhomhnaill, Don Paterson and Kathleen Jamie. This book is a major contribution to our understanding of poetry from these islands in the twentieth and twenty-first centuries. *Edinburgh Companion to Hugh MacDiarmid* Scott Lyall, 2011-05-16 This book explores the principal thematic and aesthetic preoccupations in MacDiarmid's work relating his poetry to key national and international concerns in modern culture and politics. James Hogg Valentina Bold, 2007 This book sheds new light on James Hogg, the Scottish poet 1770-1835, going beyond the Ettrick Shepherd stereotype. By focussing on Hogg's poetry, Scottish Pastorals, The Queen's Wake, Jacobite Relics, Queen Hynde, Pilgrims of the Sun, it shows that his work and the critical response to it was significantly shaped by the concept of the autodidact, a working

class writer who was considered to be a poet of Nature's Making. The image of the autodidact is pursued from its beginnings Ramsay's Gentle Shepherd Macpherson's Ossian Burns as ploughman poet through its development in the nineteenth century to its last gasps in the twentieth. Poets considered include Isobel Pagan Janet Little William Tennant Allan Cunningham Robert Tannahill Janet Hamilton Ellen Johnston Elizabeth Hartley Alexander Anderson David Gray David Wingate and James Young Geddes. Despite facing difficulties autodidacts produced some of the most innovative and exciting poetry of the nineteenth century. The author argues that the autodidactic tradition exemplified by Hogg nurtured the creative vigour manifested in twentieth century Scottish poetry. While Scotland's autodidacts shared poetic concerns and techniques they were characterised above all by diversity of poetic voice.

Hugh MacDiarmid, a Critical Survey Duncan Glen, 1972

This is likewise one of the factors by obtaining the soft documents of this **Scottish Poetry A Critical Survey** by online. You might not require more era to spend to go to the ebook commencement as skillfully as search for them. In some cases, you likewise accomplish not discover the proclamation Scottish Poetry A Critical Survey that you are looking for. It will entirely squander the time.

However below, following you visit this web page, it will be thus unquestionably simple to get as capably as download guide Scottish Poetry A Critical Survey

It will not acknowledge many time as we accustom before. You can attain it though acquit yourself something else at house and even in your workplace. as a result easy! So, are you question? Just exercise just what we present below as skillfully as evaluation **Scottish Poetry A Critical Survey** what you bearing in mind to read!
