Scout No 6 Bandit Fury:

The Travels of Scout Shannon Books 1-6 Kate Macleod, 2019-02-12 This box set collects the entire six book series The Travels of Scout Shannon Under Falling Skies Scout's whole family died the day the Space Farers dropped an asteroid on their domed city Now she lives alone out in the wild with only her dogs for company She prefers it that way But Scout finds herself at a crossroads One road leads back to a quiet life snug under the protective dome of a city The other road leads to a life in the rebellion a life of adventure and excitement but also danger Dare she try to find the rebels hiding in the hills Then a chance encounter with a stranger from the other side of the galaxy threatens to derail what remains of Scout's life The entire galaxy awaits her if she survives the next four days In Quaking Hills Scout just wants to find the man who conned her mentor and leave her home world for good Alas the long threatened war draws nearer and Scout finds herself caught in the middle surrounded by rebels and bandits Worse she carries a pocketful of dangerous secrets with no one to entrust them to And the hills keep shaking Something lurks deep underground Something massive Something world destroying Scout leaves in three days If she lives that long Among Treacherous Stars Scout wants nothing more than to leave her home She makes it as far as her own planet's orbit before the snares of bureaucracy close around her trapping her on a space station populated by her people's oldest foe Then her rescuer her only friend in the galaxy disappears abducted by a group of strangers the moment he steps off his ship Alone in a strange place surrounded by the old enemies she knows and new enemies just making themselves known Scout faces a challenge like none before But with her dogs at her side Scout stands prepared for anything Against Impassable Barriers Caught between two factions of a powerful trade dynasty Scout fights to remain free and to protect her friends But the people trying to make her their pawn barely seem human to her eyes Fight them She can barely understand them With friends on both sides of the planetary blockade Scout just needs to find a way to get her friends stuck on the inside to those waiting for them on the outside But foes also lurk on both sides And they hide among her friends How to tell friend from foe Scout better learn before the enemies close in around her Over Freezing Altitudes Having escaped yet another closing trap Scout finds herself on a snowbound mountaintop far from civilization With assassins eager to kill her laying low on an alien world is the smartest play But wherever Scout goes trouble follows And a hamlet in the mountains gets far more remote when girl assassins destroy the only means back to civilization Now Scout and her dogs face a long cold climb back to the frozen star port city her only guide a girl whose sister Scout killed when fighting for her life Can she get to safety before the girl learns the truth about Scout And what secrets of her own is this strange girl keeping At Galactic Central Galactic Central a collection of floating cities in a vast manmade planetless cloud Scout longed to see it since she first heard of it This place long represented her shining future But in her less shiny present she reaches it by smuggling herself aboard a cargo ship and hides in the lower sewer like levels of the most opulent of the floating cities Teams of girl assassins still hunt her Worse her friends are in danger and don't even know Scout has to save her friends

because saving her friends means saving her entire planet from enslavement to the Tajaki trade dynasty Caught between two sides of that dynasty with a mysterious third party desperate to remove her from the galaxy Scout is in way over her head But with her friends she just might see a path to victory for all of them **Fiction, 1876-1983: Authors** R.R.
