Scramble H. I. Montagu, 1870 *Scramble on the Edge* Kerry L. Hyman, 2009-02 Wrestling is one of the most grueling combative contests in sports The challenge is the one on one battle inside the 38 circle It can be a tough challenge that takes everything you have both physically and mentally What does it take to train and condition to compete against the best straining every fiber against a determined skilled adversary for six long minutes What price are you willing to pay to prepare for such a battle When have you done enough to gain that rare commodity confidence Let Kerry L Hyman's Scramble on the Edge take you on a fascinating wrestling adventure The story revolves around a bunch of high school wrestlers who work hard to reach their wrestling goals set in a town whose in crowd finds their fulfillment in the pursuit of instant gratification Driven by the fanatical coach of the feeder program whose passion is fueled from the regrets of his own squandered youth they buy into a radical wrestling commitment that propels them to the top The story focuses on Jason Grable a wrestler who has done everything right in his pursuit of a State Wrestling Title only to find adversity from places he never expected a jealous co captain an indifferent school culture academic deadlines and time restraints a girlfriend who doesn't get it and even his high school coach Everything comes to a head during his final post season juggling crisis upon crisis careening on a collision course with the returning State Champ It is a story about wrestling but it is a compelling study of the energy it takes to propel a program from obscurity to the top and the human bonds forged in an atmosphere of total commitment love and the power of friendship It is also a story of betrayal
