

1 INT. DAY: DON'S OFFICE (SUMMER 1945)

1

The PARAMOUNT Logo is presented austerely over a black background. There is a moment's hesitation, and then the simple words in white lettering:

THE GODFATHER

While this remains, we hear: "I believe in America." Suddenly we are watching in CLOSE VIEW, AMERIGO BONASERA, a man of sixty, dressed in a black suit, on the verge of great emotion.

BONASERA

America has made my fortune.

As he speaks, THE VIEW imperceptibly begins to loosen.

BONASERA

I raised my daughter in the American fashion; I gave her freedom, but taught her never to dishonor her family. She found a boy friend, not an Italian. She went to the movies with him, stayed out late. Two months ago he took her for a drive, with another boy friend. They made her drink whiskey and then they tried to take advantage of her. She resisted; she kept her honor. So they beat her like an animal. When I went to the hospital her nose was broken, her jaw was shattered and held together by wire, and she could not even weep because of the pain.

Screenwriting For Hollywood:

Selling a Screenplay Syd Field, 1989-11-01 This ultimate insider's guide to selling a screenplay shows you how to crack open today's movie and television markets. An informative, engaging look at the inside of the dream factory. This is a terrific aid for screenwriters who are trying to gain insight into the Hollywood system. David Kirkpatrick, producer, former head of Paramount Pictures. Everybody has a story to tell. Everybody wants to write the great American screenplay. But what do you do after it's written? How do you sell it? Studio honchos. Development Executives. Independent Producers. What do they want? Do you need an agent or manager to get it into production? Selling a screenplay can mean earning 250,000 or more, so competition is fierce. In *Selling a Screenplay*, Hollywood's script guru, Syd Field, gives you an insider's look at the movie and TV industry, packed with essential tips from the pros. He includes key details and information, including sections that Break Down the Business of Screenwriting, Explain What the Buyer Looks For, Show You What to Do to Get in the Door, Tackle the Pitching Process, and Provide Personal Insights from Famous Screenwriters. *Selling a Screenplay* is a must-have guide for every screenwriter, filled with frank, real-life advice from Hollywood's most powerful deal makers and most celebrated screenwriters. They all started somewhere.

Screenwriting Andrew Horton, Julian Hoxter, 2014-08-23 Screenwriters often joke that no one ever paid a dollar at a movie theater to watch a screenplay. Yet the screenplay is where a movie begins, determining whether a production gets the green light from its financial backers and wins approval from its audience. This innovative volume gives readers a comprehensive portrait of the art and business of screenwriting while showing how the role of the screenwriter has evolved over the years. Reaching back to the early days of Hollywood when moonlighting novelists, playwrights, and journalists were first hired to write scenarios and photoplays, *Screenwriting* illuminates the profound ways that screenwriters have contributed to the films we love. This book explores the social, political, and economic implications of the changing craft of American screenwriting from the silent screen through the classical Hollywood years, the rise of independent cinema, and on to the contemporary global multi-media marketplace. From *The Birth of a Nation* (1915) to *Gone With the Wind* (1939) and *Gentleman's Agreement* (1947) to *Chinatown* (1974), *American Beauty* (1999), and *Lost in Translation* (2003), each project began as writers with pen and ink, typewriters, or computers captured the hopes and dreams, the nightmares and concerns of the periods in which they were writing. As the contributors take us behind the silver screen to chronicle the history of screenwriting, they spotlight a range of key screenplays that changed the game in Hollywood and beyond. With original essays from both distinguished film scholars and accomplished screenwriters, *Screenwriting* is sure to fascinate anyone with an interest in Hollywood, from movie buffs to industry professionals.
