Water F. B Willard, Sr.; C Willard Milslagle, 2007-03-27 One of the Bible's most beautiful metaphors is found in Psalm 1 It tells us that the Word of God is for a Christian what a stream of water is for a tree He who delights daily in God's Word is like a tree planted by streams of water He is alive and growing and will produce fruit for God's Kingdom It is the purpose of these Bible Meditations to point the way to a greater appreciation of God's Word and the value of absorbing its life giving truth This book of meditations initiated by missionary Bible teacher Dr F Burleigh Willard and completed in conjunction with his daughter Celia Willard Milslagle offers a variety of unique features Burleigh's in depth Bible information eye witness descriptions of the geography of the Holy Land portrayal of Christian practices of the past and present experiences as a missionary and other illustrations and stories are unforgettably illuminating Celia's sometimes poetic style probing questions contemporary analogies and inspiring real life narratives reveal the relevance and beauty of Bible passages The hope of both authors is to cause the truth revealed in the Bible to flow like streams of living water into the heart of each reader
