Scripture in the Jewish and Christian Traditions Frederick E. Greenspahn, 1982 Richard P. McBrien *Ancient Scripture in the modern world* Krister Stendahl [Taking Religion Seriously Across the Curriculum](#) Warren A. Nord, Charles C. Haynes, 1998-08-15 The authors chart a middle course in our war over religion and public education one that builds on a developing national consensus among educational and religious leaders While it is not proper for schools to practice religion or proselytize neither is it permissible to make them religion free zones Schools do not take religion seriously as the authors review of textbooks and the new national content standards makes clear In Part One they outline the civic constitutional and educational frameworks that should shape the treatment of religion in the curriculum and classroom In Part Two they explore major issues relating to religion in different domains of the curriculum in elementary education and in middle and high school courses in history civics economics literature and the sciences They also discuss Bible courses and world religions courses and explore the relationship of religion to moral education and sex education Note This product listing is for the Adobe Acrobat PDF version of the book **When Judaism and Christianity Began. Vol. 2** Alan Avery-Peck, Daniel Harrington, Jacob Neusner, 2022-12-05 In these volumes top scholars in the study of religion celebrate the enduring heritage in learning bequeathed to coming generations by Anthony J. Saldarini 1941-2001 Twenty nine commemorative essays focus on the topical areas of formative Christianity and Judaism to which Dr. Saldarini devoted his efforts earliest Christianity with special attention to the Gospels Judaism in late antiquity and the interchange between Judaism and Christianity then and now So too the disciplines represented in these pages match his history including archaeology literature religion and theology Recognizing the standards of learning set by Dr. Saldarini in all of these areas the colleagues represented in these volumes memorialize him by following in the model he set of meeting the highest standards of the diverse fields that intersect in the study of Judaic and Christian antiquity The print edition is available as a set of two volumes 9789004136595 **John Calvin's Exegesis of the Old Testament** David L. Puckett, 1995-01-01 For anyone who wishes to understand the historical tensions that existed in Calvin's time with regard to the interpretation of scripture this book will be of great value For those who wish to understand Calvin's actual method of exegetical reasoning a largely unmined source of information that reveals what he most valued as an exegete this book will be invaluable **Revelation and Mystery in Ancient Judaism and Pauline Christianity** Markus Bockmuehl, 2009-10-01 The theme of revealed heavenly mysteries was a commonplace in Judaism from which it passed on to Christianity Markus Bockmuehl outlines how this theme developed by showing where ideas of revelation and mystery coalesce An interesting and very thorough study *Journal of Biblical Literature* A thoughtful and illuminating study of a subject which rather surprisingly in the light of its centrality to the question of Christian origins has not hitherto been investigated in detail Whereas both revelation and mystery have been studied separately in the context of early Jewish and Christian literature Bockmuehl's original contribution is to examine the interconnectedness of the two

ideas Journal of Jewish Studies This book is an excellent contribution to biblical scholarship It synthesizes the light that a biblically based mystery sheds on revelation and revelation sheds on mystery Bockmuehl treats admirably many difficult passages and scholarly disputes He develops the progress of biblical understanding regarding revelation and mystery carefully balancing analysis with synthesis a talent that is somewhat rare of late Journal of Ecumenical Studies A most useful study Bockmuehl has brought together material from an enormously wide range of primary and secondary literature for which we are greatly in his debt Journal of Theological Studies For single authors like Philo Josephus and especially Paul Bockmuehl s studies significantly add to the discussion Religious Studies Review Bockmuehl examines the concepts of revelation and mystery not as distinct entities but in their theological interplay the revelation of heavenly mysteries This book s breadth and depth will repay the attentive reader Journal for the Study of the New Testament **The Routledge**

Companion to the Practice of Christian Theology Mike Higton, Jim Fodor, 2015-03-24 This Companion introduces readers to the practice of Christian theology covering what theologians do why they do it and what steps readers can take in order to become theological practitioners themselves The volume aims to capture the variety of practices involved in doing theology highlighting the virtues that guide them and the responsibilities that shape them It also shows that the description of these practices virtues and responsibilities is itself theological what Christian theologians do is shaped by the wider practices and beliefs of Christianity Written by a team of leading theologians the Companion provides a unique resource for students and scholars of theology alike **Krister Among the Jews and Gentiles** Fredriksen, Paula, Svartvik, Jesper, 2018 Essays on

Krister Stendahl s contributions in various arenas institutional formation both of university and of church interreligious dialogue and relations biblical and historical research *Martyrdom from Exegesis in Hippolytus* W. Brian Shelton, 2008-12-01 In the third century CE Emperor Septimius Severus unleashed a shocking and severe persecution against the Christian church Witnessing the fear and confusion in his congregations the presbyter Hippolytus crafted his Commentary on Daniel to encourage Christians confronted with the reality of martyrdom and persecution In a work which comes to us as the earliest orthodox Christian commentary on scripture Hippolytus interprets the text through allegory typology theodicy paraenesis and reflection to create a motif of martyrdom By doing so Hippolytus guides Christians in their communities as they stand heroically before the tribunal of Caesar like the Danielic characters stood before authorities in Babylon His purpose in the commentary is clearly pastoral arising from his role as presbyter to exhort his Christian congregations to prepare to be martyred for Christ amidst Roman persecution *The Inspiration and Truth of Scripture* Aaron Pidel, Aaron Pidel, SJ, 2023-05-05 What does it mean to say that Scripture is God s Word And just how true is the Bible Though sometimes dismissed as fundamentalist concerns these questions also sent twentieth century Catholic theology searching for a new paradigm of biblical inspiration Theologians repeatedly attempted to reconcile the traditional conviction that the Bible shares in the omniscience of its divine author with scholarly findings that suggested otherwise Joseph

Ratzinger contributed both negatively and positively to this project deconstructing the regnant manualist models of inspiration and constructing an alternative inspired by St Bonaventure The result is an ecclesial model of surprising comprehensiveness and balance Indeed The Inspiration and Truth of Scripture concludes that Ratzinger s alternative provides the least inadequate paradigm currently on offer today The Inspiration and Truth of Scripture breaks new ground in several ways First it situates Ratzinger within a broader Catholic quest for a theology of inspiration showing his model offers advantages even relative to those proposed by modern theology s most eminent minds John Henry Newman Pierre Benoit Karl Rahner and David Tracy Secondly this book shows how Ratzinger s paradigm generates tests for identifying the perennially valid affirmations of Scripture and thus an approach to resolving disputed biblical questions Must one who accepts the authority of Scripture believe in the Devil Are the Marian dogmas really in Scripture To what extent does Jesus s prohibition of divorce still apply in today s changed social circumstances Just how historical are Gospel narratives like the Last Supper intended to be The result is a book that bridges the gap between normative theology and historical exegesis Overall The Inspiration and Truth of Scripture presents Ratzinger not as an unimaginative enforcer of doctrinal conclusions but as a creatively faithful theologian whose reconfiguration of inspiration should serve as the point of departure for all future reflection on the subject
