Sculptured Pottery from Koptos in the Petrie Collection Barbara Adams,1986 A catalogue of fragments of unusual modelled pottery discovered by Petrie in the Temple of Isis and Min at Koptos in 1894 The material includes human and animal statuettes stands and trays **Ancient Egypt** Barry J. Kemp,2007-05-07 Completely revised and updated to reflect the latest developments in the field this second edition of Barry J Kemp s popular text presents a compelling reassessment of what gave ancient Egypt its distinctive and enduring characteristics Ranging across Ancient Egyptian material culture social and economic experiences and the mindset of its people the book also includes two new chapters exploring the last ten centuries of Ancient Egyptian civilization and who in ethnic terms the ancients were Fully illustrated the book draws on both ancient written materials and decades of excavation evidence transforming our understanding of this remarkable civilization Broad ranging yet impressively detailed Kemp s work is an indispensable text for all students of Ancient Egypt

Analytical Bibliography of the Prehistory and the Early Dynastic Period of Egypt and Northern Sudan Stan Hendrickx,1995 An analytical bibliography that contains 7407 references covering the Egyptian prehistory palaeolithic neolithic and predynastic as well as the period of the first two dynasties *Encyclopedia of the Archaeology of Ancient Egypt* Kathryn A. Bard,2005-11-03 The Encyclopedia opens with a general map of the region and a chronology of periods and dynasties providing a context for the entries The first section of the volume then comprises 14 overviews which explore the history and significance of each period The main body of the text offers more than 300 alphabetically organized entries written by some of the most eminent scholars in this field Areas covered include artefacts glass jewellery sculpture archaeological practices dating techniques representational evidence textual sources biographies Howard Carter Gertrude Caton Thompson Gaston Maspero buildings cult temples private tombs pyramid complexes geographical features agriculture climate irrigation sites Abydos Dakhla Oasis Thebes social organization kingship law taxation The text is extensively illustrated with over 120 images Each entry is followed by a selected further reading section which includes foreign language sources to supplement the available works in English **Egyptianizing Figurines from Delos** Caitlín Barrett,2011-09-20 This book investigates Hellenistic popular religion through an interdisciplinary study of terracotta figurines of Egyptian deities mostly from domestic contexts from the trading port of Delos A comparison of the figurines iconography to parallels in Egyptian religious texts temple reliefs and ritual objects suggests that many figurines depict deities or rituals associated with Egyptian festivals An analysis of the objects clay fabrics and manufacturing techniques indicates that most were made on Delos Additionally archival research on unpublished notes from early excavations reveals new data on many figurines archaeological contexts illuminating their roles in both domestic and temple cults The results offer a new perspective on Hellenistic reinterpretations of Egyptian religion as well as the relationship between popular and official cults **Women and Religion in the Ancient Near East and Asia** Nicole Maria Brisch,Fumi Karahashi,2023-04-03 The recent years have

seen an upswing in studies of women in the ancient Near East and related areas This volume which is the result of a Danish Japanese collaboration seeks to highlight women as actors within the sphere of the religious In ancient Mesopotamia and other ancient civilizations religious beliefs and practices permeated all aspects of society and for this reason it is not possible to completely dissociate religion from politics economy or literature Thus the goal is to shift the perspective by highlighting the different ways in which the agency of women can be traced in the historical and archaeological record This perspectival shift can be seen in studies of elite women who actively contributed to religious gift giving or participated in temple economies or through showing the limits of elite women s agency in relation to diplomatic marriages Additionally several contributions examine the roles of women as religious officials and the language worship or invocation of goddesses This volume does not aim at completeness but seeks to highlight points for further research and new perspectives **Catalogue**
