**Poems** Henry Wadsworth Longfellow, 1901

*The Song of Hiawatha* Henry Wadsworth

Longfellow, 1855 In the Summer of 1854 Longfellow wrote in his diary I have at length hit upon a plan for a poem on the American Indians which seems to me the right one and the only It is to weave together their beautiful traditions as whole What emerged the next year was *The Song of Hiawatha* a composite of legends folklore myth and characters that presents in short lilting trochees who can forget By the shore of Gitche Gumme By the shining Big Sea Water the life story of a real Indian who provides the focus for the narrative thread of this epic drama of high adventure tragedy and conflict The aim was not to tell a particular or specific story but to unite the strands of various Indian legends to present a sympathetic portrait of many Native American tribes and especially to disclose their profound relationship with the natural world This when both government policies and an expanding land hungry population were just initiating their inexorable campaign of displacement and annihilation The poem received a decidedly mixed reception Our own Boston Traveller revealed its biases We cannot help but express our regret that our own pet national poet should not have selected as a theme of his muse something better and higher than the silly legends of the savage aborigines Despite this the poem entered into our canon of great narratives and was revived again in 1891 when Remington surely the most renowned artist of the West provided over 400 newly commissioned pen and ink drawings This handsome new and freshly reset edition the only unabridged version in print presents the full text and includes the original Remington illustrations as well as a glossary of the Indian names and their meanings Book jacket **The Poetical Works of H.W. Longfellow ...** Henry Wadsworth Longfellow, 1855 **The School News and Practical Educator** ,1913 Poems of Henry Wadsworth Longfellow Henry Wadsworth Longfellow, 1881

Marcolina, 2009-05-11 The true story of a real family who rescued and raised a baby crow The story is told by a young boy PJ who brings to life all the adventures and great fun he shared with his pet crow as they grew up together **The Poetical Works of H. W. Longfellow. Eight Engravings on Steel** Henry Wadsworth Longfellow, 1862 **The Literary Gazette and Journal of the Belles Lettres, Arts, Sciences, &c** ,1837 **Merchant Vessels of the United States** ,1938

*Adventures in Kinship with All Life* J. Allen Boone, John Allen Boone, 1994-01-01 With warm humor and well seasoned experience J Allen Boone reenters the wonderful world of unspoken communication between humans and animals He was an explorer into the realm of the unexpected who felt that by underestimating the mental and spiritual qualities of by animals we miss out on the oneness and wholeness of life This book salutes the Divinity within all living creatures In his encounter with Just Joe his monkey companion Boone struggles to become the pupil with Just Joe a teacher whose wisdom is not measured in words but in his ability to vibrate with life s unity These thoughtful tales demonstrate how the author spoke silently with all forms of life and how he grew to understand their silent replies Boone never looked down on animals as lesser creatures rather he looked across at them as companions in the grand adventure of life Everything that lives has something of value to share with us whenever we are ready for the experience
