Sailor Talk Mary K. Bercaw Edwards,2021-03-01 This book investigates the highly engaging topic of the literary and cultural significance of sailor talk The central argument is that sailor talk offers a way of rethinking the figure of the nineteenth century sailor and sailor writer whose language articulated the rich layered and complex culture of sailors in port and at sea From this argument many other compelling threads emerge including questions relating to the seafarer s multifaceted identity maritime labor questions of performativity the ship as theater the varied and multiple registers of sailor talk and the foundational role of maritime language in the lives and works of Herman Melville Joseph Conrad and Jack London The book also includes nods to James Fenimore Cooper Rudyard Kipling and Robert Louis Stevenson Meticulous scholarly research underpins the close readings of

literary texts and the scrupulously detailed biographical accounts of three major sailor writers The author's own lived experience as a seafarer adds a refreshingly materialist dimension to the subtle literary readings The book represents a valuable addition to a growing scholarly and political interest in the sea and sea literature By taking the sailor's viewpoint and listening to sailors' voices the book also marks a clear intervention in this developing field Hunting the Last Great Pirate Michael Edward Ashton Ford, 2020-05-30 In 1827 the Duke of Wellington former Commander in Chief of the British Army and British Prime Minister ordered the withdrawal of British soldiers from the island of Ceylon after years of bloody conflict there English cargo vessels including the unarmed English Quaker ship Morning Star were despatched to sail to Colombo to repatriate wounded British soldiers and a cargo of sealed crates containing captured treasure By January 1828 Morning Star was anchored at Table Bay Cape Town before joining an armed British convoy of East Indiamen heading north Heavily laden she struggled to keep up with the ships ahead The notorious pirate Benito de Soto was the master of a heavily armed pirate ship lying in wait off Ascension Island in the mid Atlantic to pick off stragglers from passing convoys Morning Star was easily overhauled by the pirate and stopped with cannon fire Her captain and officers were executed and the attackers fled to Spain with cargo stolen from the stricken ship Later de Soto buried the treasure and travelled to British ruled Gibraltar with forged identity documents to sell the spoils The authorities however discovered his identity and he was arrested Despite the absence of eye witness evidence that he was the pirate captain he was convicted of piracy before a British judge and jury and hanged at Gibraltar in early 1830 It is clear that proof of de Soto's guilt in court was lacking but astonishingly when renovations were being carried out at de Soto's former home village in Galicia Spain in 1926 much of the treasures he had plundered from Morning Star were found buried in the grounds there Almost 100 years later British justice administered in London and Gibraltar was vindicated **Super Young Man: Hunting in the City** Qin Mingqiuge, 2019-12-06 In the deep abyss of the night he was cold and emotionless He danced on the blade of his saber drinking blood in the midst of slaughter Pink flower capital he let loose the body free and uninhibited embrace the beautiful angel of the sky right embrace death weeping blood goddess Thousand Mountains were hidden tens of thousands of ridges The clouds were deep and the depth of the clouds was unknown A generation of Asura King had appeared in the sky Tremble Noobs *St. Nicholas* Mary Mapes Dodge, 1920
