Inherited Risk Jeffrey Meyers, 2015-08-07 An extraordinary father son biography of the scandalous life of movie star Errol Flynn and of his son s equally glamorous yet doomed career as a war photographer in Vietnam *Summary of Sean McFate's The New Rules of War* Everest Media, 2022-05-13T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The War of Eight Saints took place in Italy from 1375 to 1378 and it was similar to the present day Middle East in many ways The religion in question was not Islam but Christianity and the fighters were not standard military uniforms but mercenaries from every corner of Europe 2 The War of Eight Saints is an example of how people today confuse war and warfare It is a brutal bloody and unfair conflict between two groups whether it was between the Romans and the Sabines in 400 BCE or between the Sunnis and the Shias today 3 There is no such thing as conventional versus unconventional warfare There is just war The West s model for armed conflict is conventional war and this is why the West continues to lose against weaker enemies who do not fight according to our preferences 4 The Westphalian Order is the state centric international system of today which was created when someone was thrown out of a window in Prague in 1618 It has many features but the most important is this only states are sovereign and everyone else is subordinate *Fiercely Loyal* Deborah Ettinger, 2023-07-21 Brother and sister Sean and Colleen Callaghan share a relationship of love loyalty and perseverance Their early childhood in a dysfunctional orphanage run by sisters focused on corporal punishment created a bond that carries them through a hard scrapple existence Living through tough times in the Big Apple while concurrently 20th century history plays out Sean and Colleen are challenged at every step Sean grows from petty thief to booze running during Prohibition to waterfront dock boss Colleen starts out running a speakeasy that transitions into an upscale restaurant catering to the well heeled New York crowd politicians and Sean s less than legit pals The Callaghans saga spans pre WWI to post WWII and is a true New York City story with colorful characters from waterfront toughs bootleggers slick gangsters Nazi spies and seductive women When Sean is accused of murder and found guilty the bond shared by the siblings is brought to its greatest test The Callaghans are so fiercely loyal to each other their story will break your heart and keep you turning pages Recapturing Lisdoonvarna Frank S.
