EDUCATION FOR ALL-ENCOMPASSING DEVELOPMENT

Rosary College of Commerce and Arts owes its humble beginning to the noble initiative of the late Rev. Can. Jose Roberto Vaz, who was then the Parish Priest of Rosary Church, Navelim. The College was established in June 1990 by the Archdiocese of Goa and Daman and is managed by the Diocesan Society of Education.

The College is located in the suburbs of the city of Margao. The College is a Co-ed institution, with almost two-thirds of the students being girls and many students being first-generation learners.

Guided by the vision and mission, the Management, Principals, and Teachers, over the years, have worked tirelessly to mold the lives of young students and have helped them realize their potential, develop a good character, and an all-round personality through multi-pronged thrusts spearheaded by the Institution.

Intellectual Development and Critical Thinking: The teaching-learning process is undertaken with state-of-the-art ICT /infrastructure facilities and modern pedagogies. The College emphasizes the use of student-centric/participatory teaching methodologies to help students develop their critical and creative thinking and develop problem-solving skills. Students are provided a diverse array of opportunities to enhance their knowledge beyond academics through organizing and participating in national and international conferences/seminars/webinars, guest lectures by eminent personalities, value-added certificate/diploma courses, hands-on training and workshops, field projects, and internships.

Psychological and Emotional Wellbeing: At the beginning of the academic year, approximately 23 students are assigned a mentor to help the students adapt to college life and develop a healthy relationship with their teachers. The mentor ensures the successful academic performance of students, builds their confidence, inculcates in them human values, and helps them gain insight into their problems. They also interact with the parents/guardians of every student during the open house. Students have access to two professional counselors on campus. Additionally, through the weekly Value Education sessions, an array of topics promoting the all-around development of the students are addressed.

Discipline and Character: One of the hallmarks of Rosary College, making it the most preferred College in South Goa, is the high standard of discipline that is observed on campus. The College strives to build a community of disciplined individuals through the Discipline Committee and various other policies. During the admissions, the Principal personally interacts with every student and their parent/ guardian and orients them towards the Institution's core values. Throughout the academic year, strong emphasis is placed on students' conduct, punctuality, dress code, and wearing of Id cards. The students' SMS portal updates parents on their ward's monthly
