**Transforming Wisdom** Felicity Kelcourse,K. Brynolf Lyon,2015-10-09 Transforming Wisdom offers an extensive multidisciplinary introduction to pastoral psychotherapy from some of the most respected practitioners in the field With special attention to theological perspectives on the practice of psychotherapy this collection of essays will be useful to students seeking an orientation to the art and science of pastoral psychotherapy as well as to seasoned professionals looking to refresh and renew their practice As the subtitle Pastoral Psychotherapy in Theological Perspective suggests this book is intended to represent the field of pastoral psychotherapy as a mental health discipline that maintains intentional dialogue with its theological roots Even as pastoral psychotherapy has

developed from the ancient notion of the cure of souls to the current search for a psychology of happiness therapists grounded in faith communities seek a practice that is respectful of all persons mindful of the deep wisdom that emanates from the true self or soul While many contributors write from a psychoanalytic or psychodynamic perspective grounded in Christian theological idioms diverse theoretical perspectives including Emotionally Focused Couples Therapy Narrative Therapy Buddhist Mindfulness and Jungian understanding of individuation are represented *Religious Experience and Self-Psychology* Jung Eun Jang, 2016-11-09 This book explores the 1907 Korean Revival Movement from a self psychological perspective The examination of the psychological processes in the movement based on Heinz Kohut's self psychology can shed light on religious experiences as selfobject experiences by identifying the sense of defeatedness and helplessness that Korean people experienced under Japanese occupation as what Kohut calls self fragmentation of the Korean group self and explaining its therapeutic functions which facilitate potential for the narcissistic nourishment of the fragmented group self leading to renewed self esteem transformation and empowerment of the Korean people Korean people in the early 1900s experienced abuses and oppression by corrupt officials and exploitation by Japanese government Through religious experiences which emphasized the individual repentance the experience of God through the spirit emphasis on prayer and eschatological faith the Korean Revival Movement in 1907 enabled its followers to experience mirroring and idealizing selfobjects which function as a role of transforming the lower shape of narcissism into the higher one **A Psychotherapy of Love** John Firman, Ann Gila, 2012-02-01 This book shows what psychosynthesis looks like in the empirical practice of psychotherapy Originally conceived by Italian psychiatrist Robert Assagioli psychosynthesis is one of the first Western psychologies that addresses both spiritual and psychological healing and growth through self realization In effect it offers an approach to psychotherapy founded in altruistic love and the nurturing that supports the innate drive within human beings to embrace and actualize the whole of who they are Authors John Firman and Ann Gila include experientially based models and theory case studies from both the client and therapist perspectives and an invitation for both the professional and the layperson to the self reflection inner work and commitment necessary to love and work at this depth After an overview of the fundamentals of psychosynthesis theory the authors explore how a therapist's own embrace of these ideas can foster an altruistic empathetic love that supports and improves therapist client rapport and progress
