Search For Common Ground:

A Search for Common Ground Frederick M. Hess, Pedro A. Noguera, 2021 At a time of bitter national polarization there is a critical need for leaders who can help us better communicate with one another In *A Search for Common Ground* Rick Hess and Pedro Noguera who have often fallen on opposing sides of the ideological aisle over the past couple of decades candidly talk through their differences on some of the toughest issues in K 12 education today from school choice to testing to diversity to privatization They offer a sharp honest debate that digs deep into their disagreements enabling them to find a surprising amount of common ground along the way Written as a series of back and forth exchanges this engaging book illustrates a model of responsible civil debate between those with substantial principled differences It is also a powerful meditation on where 21st century school improvement can and should go next Book Features Modeling dialogue Rick and Pedro provide a model for how to sort through complicated issues and find common ground in today's atmosphere of distrust Deliberate sustained exchange Rick and Pedro demonstrate how deliberate sustained reflection allows them to respectfully flesh out differences and sharpen their own thoughts Left and Right Politics Rick generally Right and Pedro generally Left offer a window into where they do and don't agree on education and point the way to principled cooperation Readable and conversational Rather than pushing a partisan agenda Rick and Pedro have crafted a stimulating read for education newcomers and experts alike Unique approach While other books about the different sides of the education debates simply present paired essays Rick and Pedro actually engage with each other to strive for a deeper understanding of their differences *Search for Common Ground Annual Report* Search for Common Ground (SFCG), 1993 Search for Common Ground annual report Search for Common Ground SFCG **Searching for Common Ground** Nicholas Vazsonyi, 2000

Search for Common Ground, Search for Common Ground based in Washington D C is a nonprofit and nongovernmental organization that has conflict resolution as its mission The organization operates programs in fourteen countries worldwide Search for Common Ground highlights its conflict prevention activities in such countries as Angola Burundi Iran Liberia Sierra Leone and Macedonia and provides access to its newsletter [Track-II Diplomacy](#) Hussein Agha, Shai Feldman, Ahmad Khalidi, Zeev Schiff, 2004-01-09 Track II talks in the Middle East unofficial discussions among Israeli and Arab scholars journalists and former government and military officials have been going on since soon after the 1967 Six Day War and have often paved the way for official negotiations This book a unique collaboration of Israeli and Palestinian authors traces the history of these unofficial meetings focusing on those that took place in the 1990s beginning just after the Gulf War These talks were carried on without media coverage and this book is the first sustained account of what took place It is the inside story the authors themselves participated in some of these discussions and interviewed participants in others After describing the background of early Arab Israeli discussions the authors present six case studies of Track II talks in the 1990s the 1992 1993 discussions in Norway that led to the Oslo accords Palestinian Israeli talks held

in the early 1990s under the auspices of the American Academy of Arts and Sciences Israeli Syrian meetings of 1992 1994 the 1994 1995 Stockholm talks convened by the Swedish government talks held in 1995 1996 between Israeli settlers and representatives of the Palestinian Authority and arms control and regional security discussions throughout the decade Despite their different perspectives the book s two Israeli and two Palestinian authors are able to reach shared conclusions about the effectiveness and consequences of Track II talks Track II Diplomacy not only makes a valuable contribution to the historical record of Arab Israeli diplomacy but also offers insights into the role of informal and non official discussions in resolving conflicts

Against the Hounds of Hell Peter Eisenstadt, 2021-02-23 An inspiration to Martin Luther King Jr James Farmer and other leaders of the civil rights movement Howard Thurman was a crucial figure in the history of African Americans in the 20th century Until now however he has not received the biographical treatment he deserves In Against the Hounds of Hell Thurman scholar Peter Eisenstadt offers a fascinating exploration of the life of this religious thinker and activist Thurman s life was as notable for its remarkable variety as its accomplishments The first significant African American pacifist Thurman was the first African American to meet Mahatma Gandhi An early and outspoken feminist environmentalist and advocate for social and economic justice he was one of the first and most insistent mid twentieth century proponents of racial integration At the same time he was a key figure in the emergence of mysticism and spirituality as an alternative to formal religion Thurman dedicated his career to challenging what he called the hounds of hell the ways in which fear deception and hatred so often dogged the steps of African Americans and the marginalized and disinherited peoples of the world This biography will at last establish this multifaceted historical personage as a leading figure of twentieth century American politics religion and culture
