Introducing the Uncommon Lectionary Thomas G. Bandy,2010-09-01 Lays out the plan for a collection of readings from Scripture designed for the needs of seekers and the unchurched The church has used lectionaries lists of scriptures to be read on particular Sundays throughout the year across its long history Yet most lectionaries are inward looking they presuppose hearers who are familiar with the biblical story and accustomed to gearing their lives around the Christian year Yet in the increasingly pagan world of North America the church s task is to reach out to those who are spiritually hungry yet unfamiliar with the Christian story In this important new work Tom Bandy has given those who plan and lead worship a new lectionary specifically geared to the needs of seekers He lays out a plan for a trip through the central biblical narratives the purpose of which is to provide seekers with a basic understanding of the gospel and to call disciples to a deeper experience of Christian faith Student Ministry for the 21st Century Bo Boshers,Kim Anderson,1997 This essential book provides clear

proven step by step instructions to help youth workers change their youth group into a dynamic student ministry as well as establish strategic approaches to growth at each level or size of youth ministry *Future Church* Jim L. Wilson,2004
