Seas Furthest End:

Climbing Mount Implausible Damien Broderick,2010-01-01 Climbing Mount Implausible showcases a writer s growth though nearly fifty years of questing into the future It includes his first published stories plus detailed notes on his own evolution as a writer his recent Philip K Dick tribute Dead Air and an outrageously funny collaboration with Paul Di Filippo Cockroach Love Canary Fever John Clute,2016-11-24 Canary Fever is a collection of reviews about the most significant literatures of the twenty first century science fiction fantasy and horror the literatures Clute argues should be recognized as the central modes of fantastika in our times The title refers to the canary in the coal mine who whiffs gas and dies to save miners reviewers of fantastika can find themselves in a similar position though words can only hurt us **Hope and the Nearness of God** Teresa White,2021-12-09 A reflection on the meaning and quality of Hope for the period of Lent and beyond In these days of pandemic war and political turbulence hope can seem to be in short supply But hope is one of the theological virtues and it is far more profound than mere optimism Today pessimism and despair seem all too prevalent What can we do about the poor and starving about those who seem to be locked in interminable conflict and families weighed down by the consequences of breakdown Sister Teresa White s book is an antidote to all this and it is written with beautiful simplicity and directness There is no hiding behind complicated or technical language In one of the most forceful chapters in the book the author shows how hope breeds courage and courage breeds hope But hope is not a matter of wishful thinking Drawing on St Augustine the author shows moreover that hope has two essential components Not just courage but anger as well The expression of our anger can lead to greater clarity with our discernment and spiritual perception Hope too can lead us to understand God s solidarity with us in times of sorrow and struggle Teresa White in this Lent Book draws on inspiration from writers as diverse as Julian of Norwich and Karl Rahner Elizabeth Barrett Browning and Henri Nouwen but throughout the book there is strong scriptural underpinning which the author uses to great effect **Flowers from the Black Sea** A.B. Decker,2024-03-28 Tasked by Ben an old friend to locate a man in Turkey private investigator Matt Quillan soon finds himself out of his depth when he has a flash drive thrust on him by a stranger who is arrested by armed officers shortly afterwards **The Sea and the City** John Roman Baker,2014-08-24 The city is a place of polarization Masculine is set against feminine strength against weakness existence against non existence A young man enters this world and begins a quest It is a quest that takes him through streets and squares that morph and change locations He encounters beings whose forms and natures also change and he is initiated in rituals of extreme sado masochistic sexuality and violence Rich in symbolic imagery THE SEA AND THE CITY cannot be defined or explained in simple terms Depending on the reader it may be set in this world or a parallel world **The Deep Sea and Coast Fisheries of Ireland** Wallop Brabazon,1848 Sketches of a Sea Port Town Henry Fothergill Chorley,1834 **The Guest House by the Sea** Faith Hogan,2023-06-08 People come to the guest house for fresh air and views across the Atlantic But if they re lucky they might just leave with the second chance they didn t know

they needed Esme has run the guest house for as long as anyone in Ballycove can remember But in her declining years her sight is failing and when she has a fall on the eve of the summer season she is forced to take a back seat for the first time in her life From her chair in the entry hall not much passes Esme by There s Cora the wife visiting indefinitely without her husband Niamh the city professional with a life changing decision to make and Phyllie the grandmother whose family is slipping away from her Esme s guests provide the colour that helps her keep her grip on the world All of them have something they want to escape or to hold on to But can Esme help them find their way before the summer is over From the queen of heart warming fiction comes an uplifting story about discovering love friendship and the healing power of the Irish sea air It will charm fans of Sheila O Flanagan Heidi Swain and Susanne O Leary Once again Faith pulls you into her world instantly and never lets you go with such an incredibly real cast of characters who you feel actually exist A Life affirming and unputdownable read Trisha Ashley What a delight this book is A gorgeous cast of characters the perfect seaside setting and Faith Hogan s wonderful talent for dialogue all come together to make this a lovely feel good story with an ending that will cheer your heart Imogen Clark

A Visit to the Sea Side ,1823 **The Old Man and the Sea** Anthony Smith,2015-02-26

Octogenarian Anthony Smith s journey was originally inspired by both the Kontiki Expedition of Thor Heyerdahl who he knew and the incredible story of the survivors of a 1940 boat disaster who spent 70 days adrift in the Atlantic eventually reaching land emaciated and close to death While this might sound like a voyage no one would wish to emulate to octogenarian Anthony Smith it sounded like an adventure and he placed a typically straightforward advertisement in the Telegraph that read Fancy rafting across the Atlantic Famous traveller requires 3 crew Must be OAP Serious adventurers only In his inimitable style Smith details their voyage and the hardships they endured with a matter of fact air that makes his story seem all the more impressive His advanced age allows him a wider perspective not only on the journey but on life itself and his never say die attitude to the difficulty of the journey is inspirational Old men ought to be explorers said T S Eliot and this book certainly gives a compelling argument in his favour It is both a great story a huge storm on the final night of the voyage almost wrecked them on a reef and a call to action for the older generation do not go quietly says Anthony Smith but seek out adventure as long as you are able

A Residence Among the Chinese: Inland, on the Coast, and at Sea Robert Fortune,2012-03-08 China was still largely alien territory for westerners in the mid nineteenth century In this book first published in 1857 Robert Fortune 1813 80 describes his third visit there but despite his relative familiarity with the country his account is full of

strange and bizarre sights and happenings Beginning in Shanghai where he was sent to collect tea samples for the East India Company he describes an earthquake and the myths of its aftermath along with his fears of becoming embroiled in the Taiping Rebellion A keen botanist and entomologist in his own right he also collected insects a pastime that led him to become a figure of great hilarity among the locals and explored the flora of the north His account of his three year expedition offers a glimpse of the Chinese language and culture through the lens of Victorian expectations and is a fascinating resource for students and the general reader
