**Village Journal, 1973-1982 (Volume I)** Mary Kelly Black, 2007-10-22 These journal entries comprise two volumes of selections Vol I 1973 1982 Vol II 1983 2003 Volume I includes an Introduction and some biographical memories As Stephane Mallarme considered literature the antithesis of journalism a journal is often the antithesis of a diary It is of less interest to record moods and events or barriers to self realization than to have ideas and insights about these As a journal keeper I am generally disinterested in diurnal details unless these form the compost of deeper exploration or revelation seeking insight into my condition not simply its description A journal therefore is often more complex and difficult than a diary far less personal in depictions of daily fortune using everyday experiences as a stepstool at the least to peer beyond the walls of psychological enclosure I did not choose the journal form to mask the personal to belittle or avoid it but to reflect my most intimate assessment of the personal as contributing to something greater comprehension It is not enough merely to record the frustrations joys or barriers of living without appraising these for what they represent and suggest where we learn not merely reiterate The ideal criteria of selection and discrimination apply not only to ones journal but to life as well adding a mythological drama and perspective that immersion alone does not permit In some ways journalizing is similar in impulse to the pastoral ethos or motif familiar in contemplative writing from Virgil to Thoreau one withdraws from active society toward natural or rural settings in search of some form of respite then returns to tell of their discoveries Some critics have seen this as the organizing design of most North American fables in fact as the American mythology seeking to heal the serious schism between our natural psyche and its more devastated environment that is a search for a middle ground or via media between the primitive and the technologically complex This volume of journal selections resembles that motif focusing on the withdrawal phase of a generally recuperative metaphysical cycle Such solitude is intentional a critical phase in the live withdraw live again cycle of spiritual refreshment A recuperative isolation can be experienced daily if one is discriminating in how their time is spent but is usually gained more intensely over long purposefully reclusive periods The motivations for my withdrawal were several perhaps the strongest a propensity as described of another Irish writer for being nearly overcome by the variety of life If not overcome certainly fatigued by events in and of themselves A reflective silence seemed essential to examine the roots of this propensity An ideal of pure time free of most distractions human or otherwise was also necessary for writing of the sort that interested me the personally contemplative or mystical Only through such reflection could I ever achieve a meaningful connection with the more active life that surrounded me The predominant experience of solitude especially in a society where the value of withdrawal is suspect or sporadic is the figurative isolation one experiences throughout the entire cycle of withdrawal and re emergence It is generally difficult for lovers of action to comprehend this attraction to non doing One of the aims of solitude is to reunite philosophy and religion or rather philosophy and awe to not accept the social impoverishment of these universal needs for knowledge and worship The asceticism of retreat was not solely the traditional and philosophical appeal of simplicity but the freedom from income producing and time consuming work

it permitted For the solitary however an ideal of pure time must be united with an ideal of intimate association if the mystical quest is to be emotionally as well as a *The Forgetful Gentleman* Nathan Tan,2013-05-07 A twenty first century gentleman s guide to self improvement featuring thirty tips on style hygiene exercise etiquette culture and more The modern man has good intentions all he lacks are the tools to turn them into gentlemanly action This illustrated reference guide instructs and informs readers on the subtle art of being a contemporary gentleman by incorporating both traditional and modern practices bringing the classic idea of gentlemanliness forward into the twenty first century As stylish and as dapper as its readers will become this book offers action oriented guidance on a range of subjects including advice on managing social networks choosing the right suit silhouette fostering the art of conversation hosting a successful party mixing a signature cocktail working out like a Navy SEAL developing creativity and much more With wit and humor *The Forgetful Gentleman* offers the necessary encouragement to help any modern man become the best gentleman he can be **Cocktail Hour Under the**

**Tree of Forgetfulness** Alexandra Fuller,2011-09-13 In this tour de force sequel to *Don t Let s Go to the Dogs Tonight* Alexandra Fuller returns to Africa with the story of her unforgettable family In *Cocktail Hour Under the Tree of Forgetfulness* Alexandra Fuller braids a multi layered narrative around the Happy Valley era Africa of her mother s childhood the grimness of her father s English childhood and the darker civil war torn Africa of her own childhood Born on the Scottish Isle of Skye and raised in Kenya Nicola Fuller holds dear the kinds of values most likely to get you hurt or killed in Africa loyalty to blood passion for land and a holy belief in the restorative power of all animals Fuller captures her mother s distinctive voice with remarkable precision rendering a life story that is as funny terrifying exotic and unselfconscious as Nicola herself We see Nicola and Tim Fuller in their honeymoon period when East Africa lies before them with all the promise of its liquid equatorial light even as the British Empire wanes But in short order an accumulation of mishaps and tragedies bump up against history until the couple find themselves in a world they hardly recognize We follow the Fullers as they run from war and unspeakable heartbreak from Kenya to Rhodesia to Zambia even returning to England briefly But just when it seems that Nicola has been broken entirely by Africa it is the African earth itself that revives her In the end we find Nicola and Tim at a coffee table under their Tree of Forgetfulness on the banana and fish farm where they plan to spend their final days In local custom the Tree is where villagers meet to resolve disputes and it is here that the Fullers at last find an African kind of peace Following the ghosts and dreams of memory *Cocktail Hour Under the Tree of Forgetfulness* is Alexandra Fuller at her very best
