McKnight,2018-11-21 In this book you will hopefully find yourself captivated by the recollection of historical events that most of us have shared together throughout the past twenty to thirty years Yet you will be drawn to personal events that have been captured by the author s intent to remain transparent in his approach but true to the surfacing passions and emotions that are all so evident throughout the many passing seasons of his life How many individuals are hurt from their respective religious assemblies due to church politics mistreatment by fellow congregants and abuse of leadership authority simply because of their religious titles Are you struggling to find balance in your life Have past relationships hindered you from progressing making you feel trapped somewhere in between How has impatience impacted your decision making Have you ever truly pondered how often the grace of God is taken for granted Let s view the seemingly endless cycles of life through the lens of a man and a minister with a message of hope regarding how God can transition his people from one season to the next **Now and Then (Bookburners Season 1 Episode 7)** Max Gladstone,Margaret Dunlap,Mur Lafferty,Brian Francis Slattery,2015-10-21 Grace s secret history comes to light While all the members of Team Three have their secrets only Grace seems willing to

guard hers with fists of fury Finally fed up with being kept in the dark Sal takes matters into her own hands and engages in a friendly stalking operation to learn just what Grace s deal is A lit candle and flashbacks to 1930s China help illuminate matters but things are never simple when magic is in play This episode is brought to you by team writer Max Gladstone and reveals the backstory of one of most mysterious cast members while skipping through time place and emotion [A spiritual treasury for the children of God ...
