*Walk in Your Season* Anita Wamble, 2016-11-11 Ecclesiastes 3 says there is a time and a season for everything and then lists those

points in our lives when we experience the good and the bad. Life's ups and downs are all a part of and determined by the spiritual seasons in which we find ourselves. In *Walk in Your Season*, author Anita Wamble shares a scriptural based look at how these seasons affect our lives. She discusses how we spiritually enter a new season: spring journey through trials and tribulations, summer bloom, autumn or harvest, and go into dormant winter seasons as God dictates. Using everyday items such as seeds, soil, land, water, and tools to discuss spiritual seasons, spiritual planting, spiritual sowing, and spiritual reaping, *Walk in Your Season* helps you identify your current season, accept the season you're in, walk in your current season as you prepare for the next season, and prepare yourself for your harvest season. Through the essential elements of prayer, God's word, praise, and obedience, Wamble shares what she's learned about the seasons to let others know there's more to their lives than what they are living and to help them achieve their God-given destinies. [Fulfilled In Their Season](#) Joseph Nathan

Smith, 2011-02-15 *Fulfilled In Their Season* examines the Earth's chronology from a Biblical point of view. It focuses on the seasons in which many past events have occurred and in which many future events will occur. Amazingly, the Bible specifies the season of the year for many events. As found in the Bible, events like creation, the yearly feasts, Jesus' birth, and the final harvest are all associated with a particular season of the year. This information provides a unique perspective on end-time events. *The Little Blue Book Advent and Christmas Seasons 2018-2019* Ken Untener, 2018-09-21 Six minutes a day. That's what you're asked to give during these next 43 days: the 23 days of the Advent season and the 20 days of the Christmas season. Each 24-hour day has 240 six-minute packages. During the Advent and Christmas seasons, you're asked to give one of those to the Lord. **Sourcebook for Sundays, Seasons, and Weekdays 2011** Corinna Laughlin, 2010-03-26

**When Time Finally Runs Out** Peter Bellone,2009 Time What is it Time is the measuring device that man uses to account for the passing of the seconds minutes hours days months and years of our lives As 2 Peter 3 8 says But beloved do not forget this one thing that with the Lord one day is as a thousand years and a thousand years as one day This ratio of 1 1000 shows us that God perceives time much more differently than we do However God is aware of what time means to us and therefore when Adam Eve and the serpent sinned in the Garden of Eden God gave Satan and man a six thousand year sentence joining man and Satan at the hip for all this time Upon accepting Satan as his god man became subject to Satan whose way of life is 180 degrees opposite from the true God s way of life All mankind is well aware that the six thousand years should be coming to a close shortly The problem however is that man lost track of time due to the ebb and flow of civilization and the many different ways that man has uses to count time Recognizing that the Bible is a true source of timeline information man attempts to look into the future by going back to the past To do so he counts the years from the creation of Adam then comes forward to the present time Doing this is using faulty logic that leads to a faulty conclusion The result Man still does not know when this sentence will come to an end Thanks to God and His wisdom When Time Finally Runs Out believes that it reveals the day and hour when man first disobeyed God and when the punishment began Likewise it also reveals the year day and hour when the six thousand year punishment will be fulfilled In addition the birth and death of Jesus is covered quite extensively because these times help us come to the conclusion in this book While God has established a prohibition against us knowing the day and hour when Jesus the Christ will return there is no such prohibition in knowing when the time of our sentence ends The time remaining is short short enough that you will be amazed to learn when time finally runs out
