

# Four Seasons

## Spring

The fields are rich with daffodils,  
A coat of clover cloaks the hills,  
And I must dance, and I must sing  
To see the beauty of the spring.

## Summer

The earth is warm, the sun's ablaze,  
It is a time of carefree days;  
And bees abuzz that chance to pass  
May see me snoozing in the grass.

## Fall

The leaves are yellow, red, and brown,  
A shower sprinkles softly down;  
The air is fragrant, crisp, and cool,  
And once again I'm stuck in school.

## Winter

The birds are gone, the world is white,  
The winds are wild, they chill and bite;  
The ground is thick with slush and sleet,  
And I can barely feel my feet.

The last is done, the next is here,  
The same as it is every year;  
Spring -- then sunshine -- autumn -- snow  
That is how each year must go.

## Seasons Of Poetry:

**Seasons of Poetry** Kenneth D Ollis, 2003-06-22 A book of verse so plain and clear To ease the mind and please the ear So easy to read no burdensome lines No lingering stories of trouble times This poetry is written in a style different from any I have seen before Each poem is distinctly different from others within the book Collectively they are entirely different from any book of poetry it has been my pleasure to read I believe the poems contained in this book will be of interest to anyone regardless of their station or status in life This is beautiful poetry that is sad at times passionate and inspiring at others The reader can expect to be transported away to different times and places      **Seasons of Yes (Reader's Edition)** Lorraine Schechter, 2007-08 Like the seasons of her beloved New Mexico Schechters poems offer a rich range of color mood and texture The themes are those of a woman at mid life and reveal her passion for art and nature family and friends meditation and yoga      **Poetry of the Seasons** Mary Isabella Lovejoy, 2000      **Seasons and Senses** Darlene T. Ewers, 2018-03-28 Seasons and Senses is a collection of poems written over the course of twenty five years by Darlene Ewers Her life experiences and reflections on various aspects of nature can be found in her poetry Many of her thoughts are based on life experiences growing up on a family owned Kansas farm with her two younger sisters and about how those events reaffirmed her Christian faith This is her first work of poetry although one of her poems was published in the form of a childrens book as The Sea in 2009 It introduces children to their five senses by way of exploring the various aspects of the sea      The Genres of Thomson's "The Seasons" Sandro Jung, Kwinten Van De Walle, 2018 Critics since the eighteenth century have puzzled over the form of James Thomson s composite long poem The Seasons 1730 1744 1746 its generically hybrid make up and its relationship to established genres both Classical and modern The textual condition of the work is complicated by the fact that it started as a stand alone poem Winter 1726 but was subsequently expanded as part of a revision process that lasted almost two decades through the addition of three further seasons poems Transforming from primarily devotional poem to georgic account of the role of man s laboring role in the creation the meaning of The Seasons shifted with each addition of new material Each revision introduced diverse subject matter while existing material was reorganized and occasionally moved from one season installment to another The Genres of Thomson s The Seasons is the first collection of essays exclusively devoted to the study of the work s formal heterogeneity polyvocality and polygeneric character All contributions examine the different modes descriptive reflective pastoral hymnal amatory epic georgic dramatic discourses political sentimental scientific and kinds that cooperate to make up the different installments and variants of The Seasons They probe the multifarious interactions between different genres and modes and how a renewed focus on the form of Thomson s long poem will result in an understanding of the processual character of The Seasons as a synthesizing simulacrum of various discourses and theories of composition The volume s essays map the generic anatomy of the poem in its different incarnations They shed light on the poet s conception of the descriptive long poem and his engaging with formal traditions that would have enabled

contemporaneous readers to conceive of *The Seasons* as an assimilating and learned work to be read through both the works of the Classics and moderns. Contributions revisit models explaining the structural complexity of *The Seasons* proposing others in their stead and consider Thomson as the author of a long poem in relation to other poets both English and in a transnational study. Swedish *The poem* is furthermore contextualized in terms of sexuality and animal studies. *Seasons* Carlin Hertz, Lordy Belance, Bethany James, 2020-05-25. A unique poetic look through the lens of six poets. Written during the time of social distancing, the collection is a triumph of hope, endurance, and the eternal pursuit to find a spring in every season of life. Written by authors Jana Keely, Yvonne Harris, Carlin Hertz, Laurel Cherish Belanz, Bethany James, and Anna Draniewicz.

**The Seasons** John N. Serio, 2005. Contains a collection of poems related to the changing seasons. [Prairie Light: a little book of seasons in picture and verse](#) Nina Hackman, 2014-09-10. *Prairie Light* is a book of poetry and pictures all about the lovely changeable seasons we have here in the Mid West. Each one is special and each has its own unique beauty. We may grumble a bit especially about winter, but we do so look forward to each season as it arrives. Some would say we look forward to them leaving too, but that's a different book for a different day. *Prairie Light* begins in deep winter when the snow is piled high and moves through the year back to winter again. Each poem is illustrated with an original photograph that I think captures the light, the beauty, or customs we have here. Attention Readers: all the poems are short, interesting, and illustrated. No bedtime will be harmed by reading this book. Also, literary devices such as poetry patterns, descriptive language, rhyming, similes, etc. can be found in this book. It's a good read and has learning opportunities at the same time. I hope you enjoy *Prairie Light*. *Poetry of the Seasons*, 1908. [Poetry for All Seasons](#) M. Ed Ann Boyle, 2017-04-21. *Poetry for all Seasons* is a compilation of poems dealing with all four seasons and how each relates to Mother Nature and life. Each poem is transformed into a picturesque by the artwork of Artist Tony Mellish. **The Seasons a Poem** James Thomson, 1783. **The Seasons** James Thomson, 2023-07-18. One of the most celebrated works of English poetry, *The Seasons* is a sublime tribute to the beauty of nature and the changing cycles of life. Thomson's evocative language and vivid imagery have inspired generations of readers and writers, making this book a timeless masterpiece of literature. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. The changing of the seasons in nature and life. Poems about spring, summer, autumn, and winter. *Poetry for the soul*. Youth passes like spring, flashed in a storm, and a storm of passions, but there were clear days when the soul felt the spiritual beauty of life. Youth is full of mistakes and sins. Mature age

is similar to summer Then old age is the autumn of life Hurry while there is strength and health and rush to work for the salvation of your soul Coming in autumn are the pains of old age so don't miss the freshness of summer for you will not return the clear days and it will be too late for committing good deeds      Seasons Jean Kenward,1989      **Changing Seasons** Seasoned Poets of the Blue Ridge,Elda Lepak,Laurabeth Breeding,Karen Heggen,Gwyneth Noble,2014-08-26 Just as the seasons change so do the perspectives of the Seasoned Poets of the Blue Ridge From potholes to pathways the poets bring everyday objects to life with their discerning eyes Their poetry covers the realm of life including but not limited to the family pet politics memories and memory problems Changing Seasons can be read on many levels but it is accessible to everyone Contributors are Laurabeth Breeding Karen Heggen Elda Lepak Gwyneth Noble Helen Palmer and Beverly Russell

*Four Seasons - Poetry by Ajay Tallman* Ajay Tallman,2023-04-11 Four season poetry is a type of poetry that focuses on the changing of the seasons throughout the year Each poem typically describes the unique characteristics and emotions associated with a particular season from the warmth and growth of spring to the heat and abundance of summer to the transition and change of fall and finally to the stillness and reflection of winter Spring poems focus on themes of renewal growth and rebirth as flowers begin to bloom and animals emerge from hibernation Summer poems often emphasize the warmth energy and abundance of the season with imagery of the sun the beach and outdoor activities like swimming and hiking Fall poems portray the season as a time of change and transition with images of falling leaves and the harvest Finally winter poems typically emphasize the quietness and stillness of the season with imagery of snow frost and the starkness of bare trees Four season poetry is a beautiful way to capture the unique feelings and experiences associated with each season as well as to celebrate the changing of the natural world throughout the year      **The Seasons** James Thomson,1856      *The Turning of the Seasons* John Trimmer,2018-10-21 A Fairly Simple Thought It's a fairly simple thought I had to write about the seasons To attempt to capture what I see And perhaps the deeper reasons Behind the cycles set in time yet still so very fragile At times the pen wrote haltingly At others flowing agile Revealing meter verse and rhyme creating a collection Of poems that will offer forth Each seasonal reflection And though the four of temperate north were given central places These lyrics cover climate norms That hold in other cases Surrounding all the seasons forms are themes more universal Of space and vast galactic time And of the great reversal In which we start to realize that we're the ones revolving Around the stars above our eyes And through it all evolving So now perhaps you've read this rhyme and find your mind engages Perhaps your heart will now be glad To open up these pages      **The Seasons** James Thomson,1821      **Signs of the Seasons** Linda Hibbitts,2018-10-29 Signs of the Seasons Poems through the Year celebrates the changing fabric of Nature its diversity its many faceted patterns and its influence on our lives As Winter melts into Spring Spring warms up to Summer Summer fades to Autumn and Autumn dies to Winter the journey begins anew each year Delightful Insightful Fun Signs of the Seasons is another winning addition to the Hibbitts collection of approachable engaging and down to earth poetic expression Enjoy
