Seattle & King County Shalin Hai-Jew,2004 **Seattle & King County** Cynthia Hernandez,Troy Wolff,Darcy McInnis,Nancy Leichner,2001 *The Business Chronicle of the Pacific Northwest* ,1916 **Chief Seattle and the Town That Took His Name** David M. Buerge,2017-10-17 The first thorough historical account of the great Washington State city and its hero Chief Seattle the Native American war leader who advocated for peace and strove to create a successful hybrid racial community When the British Spanish and then Americans arrived in the Pacific Northwest it may have appeared to them as an untamed wilderness In fact it was a fully settled and populated land Chief Seattle was a powerful representative from this very ancient world Here historian David Buerge threads together disparate accounts of the time from the 1780s to the 1860s including native oral histories Hudson Bay Company records pioneer diaries French Catholic church records and historic newspaper reporting Chief Seattle had gained power and prominence on Puget Sound as a war leader but the arrival of American settlers caused him to reconsider his actions He came to embrace white settlement and following traditional native practice encouraged intermarriage between native people and the settlers offering his own daughter and granddaughters as brides in the hopes that both peoples would prosper Included in this account are the treaty signings that would remove the natives from their historic lands the roles of such figures as Governor Isaac Stevens Chiefs Leschi and Patkanim the Battle at Seattle that threatened the existence of the settlement and the controversial Chief Seattle speech that haunts to this day the city that bears his name *Seattle, Past to Present* Roger Sale,2019-10-31 Roger Sale s *Seattle Past to Present* has become a beloved reflection of Seattle s history and its possible futures as imagined in 1976 when the book was first published Drawing on demographic analysis residential surveys portraiture and personal observation and reflection Sale provides his take on what was most important in each of Seattle s main periods from the city s founding when settlers built a city great enough that the railroads eventually had to come down to the post Boeing Seattle of the 1970s when the city was coming to terms with itself based on lessons from its past Along the way Sale touches on the economic diversity of late nineteenth century Seattle that allowed it to grow describes the major achievements of the first boom years in parks boulevards and neighborhoods of quiet elegance and draws portraits of people like Vernon Parrington Nellie Cornish and Mark Tobey who came to Seattle and flourished The result is a powerful assessment of Seattle s vitality the result of old timers and newcomers mixing both in harmony and in antagonism With a new introduction by Seattle journalist Knute Berger this edition invites today s readers to revisit Sale s time capsule of Seattle and perhaps learn something unexpected about this ever changing city **Port Development in the United States** National Research Council (U.S.). Panel on Future Port Requirements of the United States,1976 *Before Seattle Rocked* Kurt E. Armbruster,2011-10-17 Seattle is a music town with rich deep roots that have influenced the culture and identity of its civic life for decades In a society that appreciates music but is ambivalent toward the profession of making it the importance and contribution of Seattle s musicians have been

routinely overlooked in historical accounts of the city Kurt Armbruster fills that gap in this far reaching and entertaining panorama of Seattle music from the 1890s to the 1960s before Seattle rocked For this once remote city music forged links as real as those created by railroads and steamships Classical music embodied the middle class aspirations for gentility and cosmopolitan stature jazz and blues gave Seattle s small African American community a vehicle for affirmation and economic advancement ethnic music helped immigrants adjust to a new home songs and drumming kept the memories of the Duwamish alive in a changing world Before Seattle Rocked is enlivened by personal anecdotes and memories from many of Seattle s most beloved musicians and is enriched by historic photos of the changing music scene Watch the trailer <http://www.youtube.com/watch?v=tyo22tC6PkQ> feature [channel_video_title](#) Before Seattle Rocked was made possible in part by a grant from 4Culture s Heritage Program *Proposed Master Plan Update Development Actions, Seattle-Tacoma (Sea-Tac) International Airport, King County* ,1996 *Seattle Sports* Terry Anne Scott,2020-08-17 Seattle Sports Play Identity and Pursuit in the Emerald City edited by Terry Anne Scott explores the vast and varied history of sports in this city where diversity and social progress are reflected in and reinforced by play The work gathered here covers Seattle s professional sports culture as well as many of the city s lesser known figures and sports milestones Fresh nuanced takes on the Seattle Mariners Supersonics and Seahawks are joined by essays on gay softball leagues city court basketball athletics in local Japanese American communities during the interwar years ultimate the fierce women of roller derby and much more Together these essays create a vivid portrait of Seattle fans who in supporting their teams often in rain sometimes in the midst of seismic activity check the country s implicit racial bias by rallying behind outspoken local sporting heroes
