the hero is to grow and ultimately necessitates a journey homeward if the hero is to understand the grail and share it with the culture at large Finally she examines the value of mythic criticism and addresses questions about myth currently being debated in the field of communication studies *Fathers and Sons in Cinema* Gershon Reiter, 2008-06-02 Popular American films are replete with story lines which involve the father son relationship often as the pivotal conflict or dragon which a hero must overcome to achieve success Sometimes these conflicts are straightforward other times they are projections of the central character's unconscious becoming conscious in essence a modern form of myth These American film myths serve as a visual means to project the psyche in an entertaining and easily accessible manner Focusing on mythic structure this volume explores 12 popular movies that deal with various aspects of the father son relationship including the process of becoming a father absent fathers the rite of passage and the turmoil between fathers and adolescents Films examined include *The Wizard of Oz* *Back to the Future* *Stand By Me* *Red River* *City Slickers* *North by Northwest* *E.T. the Extraterrestrial* *Field of Dreams* *Lone Star* *The Lion King* *Jurassic Park* and *The Searchers* **The Publishers Weekly**, 2000 *Disney's The Lion King*, 1998-05 It is destined that Simba son of the noble king Mufasa will one day rule from Pride Rock But Simba's evil uncle Scar second in line for the throne has plans of his own Powerfully told and magnificently painted this Illustrated Classic brings the timeless story of Walt Disney's *The Lion King* to families to share again and again **Race/gender/media** Rebecca Ann Lind, 2010 *Race Gender Media* contains 43 readings that help readers to think critically about issues of race and gender in the media The readings address a multitude of topics in three major sections Production Content and Audience and approach the matter of race and gender in the media from rhetorical social scientific and critical cultural perspectives The author places a strong emphasis on introducing the material in the book and orienting the reader to the content through overviews context specific introductions and descriptions of each reading *Children's Books in Print* R R Bowker Publishing, Bowker, 1999-12 **From Antz to Titanic** Martin Barker, Thomas Austin, 2000-06-20 Everybody analyses films Ordinary viewers chatting on the way home afterwards Reviewers telling us just enough to tempt or put off Critics situating films for us Moralists hunting for the harmful message So what exactly is it that film academics do that's different Martin Barker and Thomas Austin provide a jargon free accessible and student friendly introduction to film analysis They begin with a discussion about audience and a detailed case study on four conflicting analyses of Capra's *It's a Wonderful Life* The authors examine a range of popular Hollywood films in a variety of genres including *Titanic* *Deep Impact* *Sleepless in Seattle* *The Lion King* *Starship Troopers* and *The Usual Suspects* and provide vivid demonstrations of what can and can't be achieved with close textual analysis The book ends by proposing a list of measures for assessing the adequacy of film analyses measures intended to lay the basis of a way of doing film analysis which goes beyond theoretically predetermined and often obscurantist assertions Explicitly rejecting much of the theoretical baggage that dogs contemporary film analysis Barker and Austin strip the subject down to its bare essentials The result is a provocative and timely re-examination of many of the basic

tenets in film theory and analysis *Beyond "It's Just Entertainment"* Naomi Rachel Rockler,1999 Tomart's Value Guide to Disney Animation Art Tom Tumbusch,Bob Welbaum,1998 **American Book Publishing Record** ,1999 **Matrix Nominal Phrases in Kiswahili Bantu** Assibi A.
