Pea River Reflections:

Pea River Reflections Marion Bailey Brunson,1975 *Pea River Reflections* Marion B. Bronson,1984-01-01 *Pea River Reflections* Marion Bailey Brunson,1996 *The Second Creek War* John T. Ellisor,2020-03-01

Historians have traditionally viewed the Creek War of 1836 as a minor police action centered on rounding up the Creek Indians for removal to Indian Territory Using extensive archival research John T Ellisor demonstrates that in fact the Second Creek War was neither brief nor small Indeed armed conflict continued long after peace was declared and the majority of Creeks had been sent west Ellisor s study also broadly illuminates southern society just prior to the Indian removals a time when many blacks whites and Natives lived in close proximity in the Old Southwest In the Creek country also called New Alabama these ethnic groups began to develop a pluralistic society When the 1830s cotton boom placed a premium on Creek land however dispossession of the Natives became an economic priority Dispossessed and impoverished some Creeks rose in armed revolt both to resist removal west and to drive the oppressors from their ancient homeland Yet the resulting Second Creek War which raged over three states was fueled not only by Native determination but also by economic competition and was intensified not least by the massive government sponsored land grab that constituted Indian removal Because these circumstances also created fissures throughout southern society both whites and blacks found it in their best interests to help the Creek insurgents This first book length examination of the Second Creek War shows how interethnic collusion and conflict characterized southern society during the 1830s

Speaking of Alabama Thomas E. Nunnally,2018-12-18

Informative and entertaining essays on the accents dialects and speech patterns particular to Alabama Thomas E Nunnally s fascinating volume presents essays by linguists who examine with affection and curiosity the speech varieties occurring both past and present across Alabama Taken together the accounts in this volume offer an engaging view of the major features that characterize Alabama s unique brand of southern English Written in an accessible manner for general readers and scholars alike *Speaking of Alabama* includes such subjects as the special linguistic features of the Southern drawl the phonetic divide between north and south Alabama code switching by African American speakers in Alabama pejorative attitudes by Alabama speakers toward their own native speech the influence of foreign languages on Alabama speech to the vibrant history and continuing influence of non English languages in the state as well as ongoing changes in Alabama s dialects Adding to these studies is a foreword by Walt Wolfram and an afterword by Michael B Montgomery both renowned experts in southern English which place both the methodologies and the findings of the volume into their larger contexts and point researchers to needed work ahead in Alabama the South and beyond The volume also contains a number of useful appendices including a guide to the sounds of Southern English a glossary of linguistic terms and online sources for further study Language as presented in this collection is never abstract but always examined in the context of its speakers day to day lives the driving force for their communication needs and choices Whether specialist or general reader Alabamian or non

Alabamian all readers will come away from these accounts with a deepened understanding of how language functions between individuals within communities and across regions and will gain a new respect for the driving forces behind language variation and language change *Place Names in Alabama* Virginia O. Foscue,1989 Catalogs some 2700 Alabama communities ranging from Abanda in Chambers County to Zip City in Lauderdale County *Alabama Rivers, A Celebration and Challenge* William G. Deutsch,2019-06-18 ALABAMA RIVERS A CELEBRATION AND CHALLENGE invites you to travel down rivers and through time to encounter the rich human history and natural wonders that have defined Alabama Along the way you will celebrate an array of magnificent rivers filled with unique plants and animals shaped over the ages by a remarkably diverse geology You will appreciate how rivers have served people from the first Paleo Indian settlements to the present Accept the challenge to restore and protect our rivers for their economic cultural and ecological benefits but most of all because it is the right thing to do **A War State All Over** Ben H. Severance,2020-06-09 An in depth political study of Alabama s government during the Civil War Alabama s military forces were fierce and dedicated combatants for the Confederate cause In his study of Alabama during the Civil War Ben H Severance argues that Alabama s electoral and political attitudes were in their own way just as unified in their support for the cause of southern independence To be sure the civilian populace often expressed unease about the conflict as did a good many of Alabama s legislators but the majority of government officials and military personnel displayed pronounced Confederate loyalty and a consistent willingness to accept a total war approach in pursuit of their new nation s aims As Severance puts it Alabama was a war state all over In *A War State All Over Alabama Politics and the Confederate Cause* Severance examines the state s political leadership at multiple levels of governance congressional gubernatorial and legislative and orients much of his analysis around the state elections of 1863 Coming at the war s midpoint these elections provide an invaluable gauge of popular support for Alabama s role in the Civil War particularly at a time when the military situation for Confederate forces was looking bleak The results do not necessarily reflect a society that was unreservedly prowar but they clearly establish a polity that was committed to an unconditional Confederate victory in spite of the probable costs Severance s innovative work focuses on the martial character of Alabama s polity while simultaneously acknowledging the widespread angst of Alabama s larger culture and society In doing so it puts a human face on the election returns by providing detailed character sketches of the principal candidates that illuminate both their outlook on the war and their role in shaping policy **Atlas of the Civil War, Month by Month** Mark Swanson,2004 A detailed collection of fifty full color maps each one representing a single month of the Civil War chronicles the war s progression on all fronts including battles sieges infantry campaigns naval operations cavalry raids and shifts of national frontiers accompanied by others documenting the political state of the union on the eve of war and the western campaigns *Cottonboll* ,1977 *DuBose Genealogy* Dorothy MacDowell Wood,1980 *With Fiddle and Well-rosined Bow* Joyce H. Cauthen,2001 Joyce Cauthen s richly detailed history brings Alabama s old time fiddling tradition

to life tracing its roots from early settlers to mid 20th century celebrations Through vivid storytelling and interviews with local musicians Cauthen honors the modest masters whose music shaped community gatherings dances and cultural identity A must read for lovers of folk music Southern heritage and grassroots artistry The Alabama Lawyer ,2000 **The United Daughters of the Confederacy Magazine** ,2003 *Bibliography of the County Histories of Alabama* Robert David Ward,1991 Contains a bibliography of Alabama s county histories **Swift River** Essie Chambers,2024-06-04 A READ WITH JENNA TODAY SHOW BOOK CLUB PICK A National Bestseller Longlisted for the Center for Fiction First Novel Prize One of The Washington Post s Best Books of 2024 An NPR Best Book of 2024 An Elle Best Book of 2024 A Boston Globe Best Book of 2024 An NAACP Image Award Nominee A book we all need to revive our souls Nicole Dennis Benn A powerful novel that broke my heart and then offered me hope Ann Napolitano New York Times bestselling author of Hello Beautiful about a complicated bond between mothers and daughters the disappearance of a father and the long hidden history of a declining New England mill town It s the summer of 1987 in Swift River and Diamond Newberry is learning how to drive Ever since her Pop disappeared seven years ago she and her mother hitchhike everywhere they go But that s not the only reason Diamond stands out she s teased relentlessly about her weight and since Pop s been gone she is the only Black person in all of Swift River This summer Ma is determined to declare Pop legally dead so they can collect his life insurance money get their house back from the bank and finally move on But when Diamond receives a letter from a relative she s never met key elements of Pop s life are uncovered and she is introduced to two generations of African American Newberry women whose lives span the 20th century and reveal a much larger picture of prejudice and abandonment of love and devotion As pieces of their shared past become clearer Diamond gains a sense of her place in the world and in her family But how will what she s learned of the past change her future A sparkling The Washington Post poetic and propulsive NPR debut of first friendships family secrets and finding the courage to let go Swift River heralds the arrival of a major new literary talent **Community Leaders of America** ,1983 **AB Bookman's Weekly** ,1994 *The Alabama Librarian* ,1975 Reprinted Pieces Charles Dickens,2019-11-21 In Reprinted Pieces Charles Dickens presents a compelling collection of essays and stories originally published in periodicals exemplifying his keen ability to blend social commentary with humor and pathos Written during the Victorian era this work reflects Dickens s astute observations of society capturing the essence of contemporary life commerce and the human condition The prose is characterized by its vivid imagery and lively dialogue a hallmark of Dickens s narrative style which invites readers into the bustling world of 19th century England while addressing topics such as class disparity and moral obligation Charles Dickens a seminal figure in English literature often drew upon his own experiences of poverty and hardship during his formative years Growing up in a working class family he developed a profound empathy for the underprivileged which is intricately woven throughout his works Reprinted Pieces serves as both a reflection of this lifelong concern and a testament to his prowess as a writer showcasing his versatility in both fiction and non fiction This

collection is highly recommended for readers interested in the social fabric of Victorian England and for those who appreciate Dickens's unique blend of wit, critique, and compassion. Engaging and thought-provoking, *Reprinted Pieces* offers a rich exploration of societal themes that resonate even in today's world.
