Peace and disarmament [Anonymus AC02077129], 1982 Peace and Disarmament World Council of Churches, Commission of the Churches on International Affairs, Catholic Church, Catholic Church. Pontificia Commissio Iustitia et Pax, 1982 Pathways for Theology in Peacebuilding Sara Gehlin, 2020-06-02 The ambivalent role of religions in contemporary conflicts has generated an increasing call for faith based peacebuilding endeavours In Pathways for Theology in Peacebuilding Ecumenical Approaches to Just Peace Sara Gehlin discusses the ways theology can provide essential resources for such peacebuilding pursuits The pathways for theology in peacebuilding are investigated with regard to a recent faith based peace endeavour namely the creation of an international ecumenical declaration on just peace In the book Gehlin explores the meaning of a just peace from the perspectives of theological ethics biblical interpretation spirituality and ecumenical vision On the basis of this exploration the book maps out theological resources for peace in our time

Deepening Communion Catholic Church. National Conference of Catholic Bishops. Bishops' Committee on Ecumenical and Interreligious Affairs, 1998 This collection of documents explores the growing relationship of the Catholic Church with the Lutheran Reformed Christian church Disciples of Christ Baptist and Pentecostal churches Context and Contextuality Vyacheslav Tsvirinko, 2018-01-31 Since 1988 hundreds of thousands of evangelical Christians have migrated to the United States of America from former Soviet Union countries establishing many Russian speaking immigrant congregations across the country This study analyzes how these immigrant churches function in their new cultural social and religious context Dr Vyacheslav Tsvirinko a Russian who lived in the USA for over twenty five years examines the holism authenticity and contextuality of the mission work done by churches in the Pacific Coast Slavic Baptist Association PCSBA in America He defines authentic mission in light of three major Christian groups the World Council of Churches the Lausanne Movement and Anabaptists and uncovers startling insights on how PCSBA churches engage in mission both back in their homeland and in the USA The findings and conclusions of this work are invaluable to diasporic Christian communities who wish to address their authenticity in the way they do mission both internationally and in their local context creating a path to more fruitful gospel and kingdom work Reports and Documents United States. Congress, 1964 **Introduction to Ecumenism** Gros, Jeffrey, McManus, Eamon, Riggs, Ann, 1998 An overview of the history content and future of the modern ecumenical movement with particular attention to Catholic leadership and the results of dialogues among the churches *Modern Just War Theory* Michael P. Farrell, 2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes

surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today's students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory had to address challenges from competing ideologies as well as those presented by the changing nature of warfare Modern Just War Theory A Guide to Research by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell's guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the responses of just war theorists to proponents of pacifism and secular just war theories Modern Just War Theory will appeal to students and scholars of theology military history international law and Christian ethics Peace and Disarmament Pontifical Council for Justice and Peace, Commission of the Churches on International Affairs, 1982-01-01 *The Role of Arms Control in U.S. Defense Policy* United States. Congress. House. Committee on Foreign Affairs, 1984 **The Transformation of the Christian Churches in Western Europe** Leo Kenis, Patrick Pasture, 2010 KADOC Studies on Religion Culture and Society Volume 6 Research continues to show that the Christian religion is gradually disappearing from the public cultural and social spheres in Western Europe Even on the individual level institutionalized religion is becoming increasingly marginalized New forms of religious life and community however may point toward a resurgence of Christian churches in postmodern Europe This book focuses on the complex transformations Christian churches in Western Europe have undergone since World War II In English and French **The Catholic Church in World Politics** Eric O. Hanson, 2014-07-14 Eric Hanson's multifaceted book examines the place of the church in the contemporary international system and the reciprocal influence of modern political and technological developments on the internal affairs of the church Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Peace and Disarmament*, Nuclear Weapons and Scientific Responsibility C.G.

Weeramantry,2021-10-11 Several years ago when this work first appeared it had become apparent that scientists who play such a key role in the nuclear enterprise needed to be alerted to the many questions of conscience and legality that were inextricably interlinked with their work These questions lay at the heart of the nuclear weapons problem for whatever the political and military leaders might ordain the manufacture of such weapons was a plain impossibility without the active assistance of the scientific profession Yet no substantive work on this topic had until then been attempted Such a work appeared at that time to be an urgent and important need If the problem was then acute and serious it is even more so now The power of nuclear science has grown and with it has grown the power of the individual scientist to initiate new developments The changes in the world order that have occurred in the intervening years enable individual scientists to hold themselves out as available for employment Those who seek their expertise may include not only governments but other entities as well The power of global destruction that these scientists command renders it imperative that they be alerted on a continuing basis to the problems of conscience that arise Hence the need for a re issue of this work for which there had been many requests from concerned scientists professional groups socially concerned organisations and also from lawyers The book is re issued in its original form but updated by the inclusion of more recent work as contained in extracts from three judicial opinions upon the matter

Just War Theory Jean Bethke Elshtain,1992 Available Again Long before the shock and awe campaign against Iraq in March 2003 debates swarmed around the justifications of the U S led war to depose Saddam Hussein While George W Bush s administration declared a just war of necessity opponents charged that it was a war of choice and even opportunism Behind the rhetoric lie vital questions when is war just and what means are acceptable even in the course of a just war Originally published in 1991 in the wake of the first war against Iraq Just War Theory explores this essential dilemma With a new preface by the editor the essays in this indispensable collection move beyond the theoretical origins of just war theory to examine issues faced by military strategists politicians social theorists and anyone concerned with the provocations and costs of military action Popular wisdom once claimed that notions of just war would become obsolete with the onset of total warfare characterized by attacks on civilians and indiscriminating weapons of mass destruction While the last decade has been ripe with brutality just war theory is more critical than ever to the future of international relations and public discourse This readable collection is an invaluable introduction to the debate

The Apocalyptic Premise Ernest W. Lefever (red.),E.
