S. Khalidi, 1994 **Failing Peace** Sara Roy, 2006-10-20 Discussion of Israeli policy toward Palestinians is often regarded as a taboo subject with the result that few people especially in the US understand the origins and consequences of the conflict This book provides an indispensable context for understanding why the situation remains so intractable The book focuses on the Gaza Strip an area that remains consistently neglected and misunderstood despite its political centrality Drawing on more than two thousand interviews and

extensive firsthand experience Sara Roy chronicles the impact of Israeli occupation in Palestine over nearly a generation Exploring the devastating consequences of socio economic and political decline this is a unique and powerful account of the reality of life in the West Bank and Gaza Written by one of the world s foremost scholars of the region it offers an unrivalled breadth of scholarship and insight *Gaza Jericho and Beyond* Washington Institute for Near East Policy.
