Tyndale,2006-04-27 One of the key foundation books of the English Reformation *The Obedience of a Christian Man* 1528 makes a radical challenge to the established order of the all powerful Church of its time Himself a priest Tyndale boldly claims that there is just one social structure created by God to which all must be obedient without the intervention of the rule of the Pope He argues that Christians cannot be saved simply by performing ceremonies or by hearing the Scriptures in Latin which most could not understand and that all should have access to the Bible in their own language an idea that was then both bold and dangerous Powerful in thought and theological learning this is a landmark in religious and political thinking

major step to winning the war The reason why many Believers do not pray effectively is because they fail to know their enemies strategies or that they do not know and understand the nature of the spiritual warfare And many Christians are careless in their lives and Christian walk A Complete Guide to the Art of Writing Short-hand Thomas Towndrow,1859
