Dies? Stephen Levine, Ondrea Levine, 2012-10-10 The first book that explains how to open to the immensity of living with death and how participating fully in life is the perfect preparation for whatever may come next In *Who Dies* the Levines provide calm compassion rather than the frightening melodrama of death Hot Westmoreland Nights Brenda Jackson, 2010-03-01 He knew better than to lust after the hired help But Ramsey Westmoreland's new cook was just so delectable it was enough to make the Denver rancher rethink his rules When temptation got the best of him he discovered Chloe Burton was just as hot in the bedroom as she was in the kitchen Though their affair was growing steamier by the minute Ramsey couldn't help but question Chloe's true motives And when he discovered her ultimate betrayal he was set to satisfy himself with cold showers Until he realized his fatal mistake never underestimate the power of the human heart especially a Westmoreland's **A PERFECT HERO** Paula Detmer Riggs, 2011-07-15 Whose Child HIS THREE SONS Hoping the memory of their one night together would fade Marca Kenworth had chosen not to tell Ian MacDougall he was the father of her three boys But now the man himself was threatening the life she'd carved out for them by becoming an addition to her family someone her children would call Dad Dare she hope he could be that perfect hero who until now had existed only in fairy tales Ian had never suspected that one night of memorable passion with Marca two years ago had produced a son let alone three This instant family could be what would save him But he had to overcome the demons from his past before building a new life as husband and father Her secret their child **Minx** Jennifer Greene, 1987 **Crumpled Sheets and Tinted Letters** Venus Writes, This book is a collection of prose and poems about different seasons This will not just tell something about me but somehow it might also reveal everything about you With different dispositions I believe we will still meet under the same roof for the same reason We will still cross the same roads on some travels or feel the same thing at some point Whatever's behind the picture I hope you will remember some words on every page VENUS WRITES *Love, Beauty or Morality* Alberto Castelli, 2024-05-23 This book is moved by two main questions Is Love a matter of beauty or mortality In other words is love an ethical ideal Also modernity understood as the age of mechanical reproduction has shaped not simply our cities but our very same way of feeling How has our conception of love changed if it has in the past two centuries This book is to address these questions It is not to trace the evolution of the idea of love in Western culture from Plato to the present day It aims to bring to the surface different shades of love lingering at the heart of Western culture to rehabilitate the myth of love to its original credibility Our confused civilization has split love into sensual and moral aspects but to be aware of it is perhaps to defeat a dilemma that seems so unnatural This book is about how we make sense of our lives through love and how nineteenth and twentieth century literature records it Dressed Shahidha Bari, 2020-03-17 Perfect for readers of *Women in Clothes* this beautifully designed philosophical guide to fashion explores art literature and film to uncover the hidden meaning of a well chosen wardrobe We all get dressed But how often do we pause to think about what our clothes say When we dress ourselves we are presenting to the world an essence of who we are who we want to be

Dressed ranges freely from suits to suitcases from Marx's coat to Madame X's gown Through art and literature film and philosophy philosopher Shahidha Bari unveils the surprising personal implications of what we choose to wear The impeccable cut of Cary Grant's suit projects masculine confidence just as Madonna's oversized denim jacket and her armful of orange bangles loudly announces big ambition How others dress tells us something fundamental about them we can better understand how people live and what they think through their garments Clothes tell our stories Dressed is the thinking person's fashion book In baring the hidden power of clothes in our culture and our daily lives Bari reveals how our outfits not only cover our bodies but also reflect our minds

Vienna Tales Helen Constantine, 2014-11-13 Situated on the cusp of West and East between the foothills of the Alps and the mighty Blue Danube Vienna has long presented authors with a wealth of material for stories that entertain and intrigue The city's famous quality of life and rich variety of cultural offerings is apparent here at every turn but so too is its darker side whether it be the Viennese obsession with death and decay or the dramatic tragic events of its twentieth century history In stories from the early to mid nineteenth century in particular the city stands for wine women and song for a laid back perhaps somewhat lax outlook on life that is invariably linked to its location as German culture's southernmost centre In more recent tales the theme of the good life and of Vienna's beauty continues but there are very few authors who do not dwell on elements of darkness or melancholy Indeed from the mid twentieth century onward death itself seems to have become literature's preferred guide to the city The collection concentrates on stories set at the city's margins The tales are arranged geographically rather than chronologically around and through the city from west to east and back again We begin and end with Arthur Schnitzler and Joseph Roth two authors already indelibly associated with Vienna but represented here by little known gems translated for the first time Other authors include stars of Vienna's nineteenth century feuilleton journalism Heinrich Laube Ferdinand Kürnberger Adalbert Stifter but also the most recent generation of Viennese writers Doron Rabinovici Eva Menasse Dimitr Dinev with tales as yet unknown in English

Misty Notes: The Voice of Desire Asaf M. ÇELEBI, 2025-06-04 Some loves are written in ink Others are written in scars Adem is a man haunted by melodies memories and mistakes A designer by day a jazz soul by night his quiet life in Istanbul is shattered by two women one from a world away and one from across the street Maria a vibrant voice from Rio who sees music in blueprints and poetry in engineering Melisa a seductive presence wrapped in coffee steam and midnight glances whose laughter feels like home and danger at once Bound by passion haunted by past wounds and drawn to desires that defy borders Adem's world becomes a jazz riff of choices each note leading to longing betrayal or redemption Set between the misty mornings of Istanbul and the sun drenched chaos of Rio Misty Notes The Voice of Desire is a raw sensual journey through the tangled intersections of love loneliness and the kind of passion that doesn't just ignite but consumes This is not a love story It's a story about people who use love like a weapon a refuge and sometimes a way to heal For readers who crave poetic prose emotional depth and unapologetic intimacy No masks No shame Just desire Welcome
