PC 832 Concepts IV Derald D. Hunt, 1994-07 **PC 832 Concepts** Devallis Rutledge, Derald D. Hunt, 2004-10-25 This text includes all required subject matter and performance objectives prescribed by the California Commission on Peace Officer Standards and Training and required by California Penal Code Section 832 The text contains two parts an arrest course and a firearms course Sections of the arrest course focus on professional orientation community relations legal issues and the law probable cause obstruction of justice constitutional rights and reasonable and deadly force rules of evidence communications investigations and arrest and control Sections of the firearms course cover firearms safety handgun familiarization weapon cleaning and storage firearms shooting principles and handgun combat shooting on the firearms range *PC 832 Concepts III* Derald D. Hunt, 1992 This easy to read illustrated text addresses all topics plus learning goals and objectives currently required by Post for the PC 832 Training course It is the consistent 832 PC training book since 1986 and is updated yearly It ensures uniform exposure to Post required material and gives students a reference handbook This text not only reduces the need for supplemental handouts but it also provides study assignments with a comprehensive glossary and complete index **PC 832 Concepts III** Derald D. Hunt, 2001-10-15 This easy to read illustrated text addresses all topics plus learning goals and objectives currently required by POST for the PC 832 Training course It is the consistent 832 PC training book since 1986 and is updated yearly It ensures uniform exposure to POST required material and gives students a reference handbook This text not only reduces the need for supplemental handouts but it also provides study assignments with a comprehensive glossary and complete index **PC 832 Concepts II** Derald D. Hunt, 1990-01-01

P.C. 832 ,1996 **The Violence-Free Workplace** Andrew Tufano, 2020-10-28 Organizations are ethically morally and legally required to maintain safe workplaces that protects employees visitors and anyone who frequents their establishments But why do organizations that employ uniformed security personnel as part of their overall workplace violence prevention program still struggle to create and maintain the safest possible workplaces To meet these obligations organizations often employ uniformed security officers to deter observe and report criminal behavior and in some contexts they physically interact with dangerous individuals to protect employees consumers and visitors from violent behaviors Unfortunately many organizations don t utilize their security personnel to their fullest potential and organizational and community members continue to be victims of workplace violence This book identifies the flawed principles policies and personnel decisions that organizations use and it provides practical solutions to address them The book covers two major themes the misapplication of law enforcement community safety principles to private free market businesses and the use of risk averse philosophies to their security officer s activities This book covers the principles policies and personnel necessary for maximizing the effectiveness of uniformed security personnel to successfully mitigate potential workplace violence and create and maintain safe organizations There is a strong need for this book since workplace violence prevention has taken on a new focus due to

increases in workplace violence incidents and new laws requiring organizations to take a more serious approach to workplace violence prevention The healthcare and campus markets are most affected by these laws and are under public scrutiny because of their vulnerable populations These two markets combined employ the most non contract propriety private security personnel in the country Both markets rely on uniform security officers to create and maintain safe communities and play an important role in their respective workplace violence prevention plans *The American System of Criminal Justice* George F. Cole, Christopher E. Smith, 2004 This classic best seller commonly referred to as The Eagle encourages students to become better citizens to determine what Justice means in our society and what role individuals play This text examines criminal justice as an interdisciplinary endeavor sharing elements from criminology sociology law history psychology and political science It challenges students to balance the mechanics and system of criminal justice with the human side of the story Cole and Smith present an exciting and relevant introduction to the field of criminal justice The text combines solid research and intellectual rigor in an approachable manner with detailed attention to current and compelling events to help students appreciate the many aspects of the discipline and how they can participate in the system as citizens of the United States **POST Basic Course Management Guide** California. Commission on Peace Officer Standards and Training, 2001 The purpose of this fifth edition guide is to offer organizational operational and technical guidelines relevant to the delivery of the regular basic course including guidance in the development of internal academy management policies It represents the collective development of POST staff and basic academy directors and coordinators The regular basic course learning domain instructional system is a complex arrangement of instructional units learning needs learning objectives training and testing methodologies and mandated hours supported by student workbooks The system is developed and maintained by the contributions of law enforcement practitioners and trainers from throughout the state POST Scripts ,1987 Books in Print ,1993-09 V 1 Authors A D v 2 Authors E K v 3 Authors L R v 4 S Z v 5 Titles A D v 6 Titles E K v 7 Titles L Q v 8 Titles R Z v 9 Out of print out of stock indefinitely v 10 Publishers Training Specifications for the Regular Basic Course ,1999 The increasingly diverse challenges and changing service demands confronting law enforcement require that the content and instructional methodologies of peace officer training be regularly evaluated and updated Effective initial training is crucial if an officer is to acquire the critical knowledge skills and abilities necessary to render high quality public service The objective of this document is to identify the instructional goals training topics learning activities test descriptions and instructional hour standards that currently comprise the required content of the POST regular basic course *Bowker's Law Books and Serials in Print* ,1995 *Commission Meeting Minutes* California. Commission on Peace Officer Standards and Training, 1997 Operations Manual California. Department of Corrections, 2000 **California Code of Regulations** ,1945 Law Enforcement and Criminal Justice Education Directory ,1975 *USAF Formal Schools* United States. Dept. of the Air Force, 1986 **SFM** California. Office of the State Fire Marshal, 1975 Paperbound Books in Print ,1992
