Hearing Peace Dieter Senghaas,2025-05-23 Listening to peace When social scientists publicists and teachers approach the problem of peace they pay special attention to the causes of violence and war Recently however insights into the causes of peace have gained broad resonance The question is which factors individually and in their interaction are sustainably conducive to peace Aesthetic dimensions of a peace order however usually remain underexposed although the problem of peace can be impressively conveyed through images of peace The fact that the essays in this book explain that access to various dimensions of peace through musical and compositional contributions can also be illuminating Which peace relevant problems have composers addressed in their works Striking examples are explained They are all to be found in the offerings of classical i e value retaining music of the past five centuries A unique book on peace education For teachers and students in peace research and in music studies Written by one of the co founders of peace research in Germany A key background book for peace concerts A musical appeal for peace **Activating Human Rights and Peace** GOH Bee Chen,Baden Offord,Rob Garbutt,2016-03-16 Human rights and peace issues and concerns have come about at a critical time The world has recently witnessed a plethora of turning points that speak of the hopes and vulnerabilities which are inherent in being human and demonstrate that change in the service of human rights and peace is possible At the same time however other events indicate that wherever there is life there is vulnerability in a world characterized by instability and endemic human suffering On top of all this the collapse of the global financial system and the serious rapid destruction of the environment have brought the

world to a precarious state of vulnerability Activating human rights and peace is therefore a project that is always in progress and is never finally achieved This enlightening collection of well thought through cases is aimed at academics and students of human rights political science law and justice peace and conflict studies and sociology The American Friend,1918 **Fraser's Magazine for Town and Country**,1850 **Fraser's Magazine for Town and Country** James Anthony Froude,John Tulloch,1850 **Carmina for the Sunday School** Lewis Ward Mudge,Herbert Barclay Turner,1898
